INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor and Plan Advisory Committee
Bar-S Foods Co. 401(k) and Profit Sharing Plan
Phoenix, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bar-S Foods Co. 401(k) and Profit-Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bar-S Foods Co. 401(k) and Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bar-S Foods Co. 401(k) and Profit-Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bar-S Foods Co. 401(k) and Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bar-S Foods Co. 401(k) and Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bar-S Foods Co. 401(k) and Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust and Principal Life Insurance Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statement. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

BAR-S FOODS CO. 401(K) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Effective as of January 1, 1987, Bar-S Foods Co. (the “Employer”), adopted the Bar-S Foods Co. 401(k) and Profit Sharing Plan (the “Plan”). The Plan was amended effective January 1, 2021, to change the Employer matching contributions provisions to 100% of the first 5% of eligible compensation deferred. The Plan was most recently restated on May 4, 2022 for administrative and regulatory changes.

The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all of the eligible employees of the Employer. Each employee becomes a participant at the earliest monthly entry date on or after the completion of 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan administrator is responsible for oversight of the Plan. The Plan Advisory Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the plan administrator.

Contributions

Each year, participants may contribute a portion of pretax or after-tax annual compensation, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan requires the Employer to make matching contributions under the basic safe-harbor provisions of 100% of the first 5% of eligible compensation. During the year ended December 31, 2021, there were \$5,395,825 of employer safe-harbor matching contributions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Contributions (Continued)

The Employer may make additional employer discretionary profit-sharing contributions to the Plan in the amount determined by resolution of the board of directors of the Employer. Employer discretionary profit-sharing contributions are allocated to eligible employees as of the last day of the plan year. During the year ended December 31, 2021, there were \$1,685,031 of employer discretionary profit sharing contributions.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer matching contributions, as well as allocations of employer discretionary profit sharing contributions and plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Vesting

Participants are immediately vested in their contributions and employer safe-harbor matching contributions plus actual earnings thereon. Vesting in the employer discretionary profit sharing portion of their accounts is based on years of continuous service. Employer discretionary profit sharing contributions vest on a graduated scale with full vesting after completion of six years of service or reaching retirement age of 62, or upon death or permanent disability while employed by the Employer.

Notes Receivable From Participants

A participant may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in each participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid periodically through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan agreement.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Payment of Benefits

On termination of service, as defined, or upon attaining age 59 ½ while still employed (in-service), a participant may elect to distribute an amount equal to the value of the participant's vested interest in their account as a lump-sum payment or rollover payment into another qualified plan or account.

A participant may also withdraw money from their account in the event of financial hardship. Hardship withdrawals may not exceed the amount of the participant's cumulative deferral.

A participant with an account balance less than \$1,000 must take a lump-sum payment as soon as practicable following termination. A participant with an account balance less than \$5,000 but greater than or equal to \$1,000 will receive a rollover payment into an individual retirement account unless the participant otherwise instructs the third-party administrator and receives a lump-sum payment as soon as practicable following termination.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled approximately \$661,000 and \$600,000, respectively. These accounts will be used to reduce future employer contributions. Forfeited accounts used to reduce employer contributions during the year ended December 31, 2021, were approximately \$325,000.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting except for payment of benefits, which are recorded when paid.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

BAR-S FOODS CO. 401(K) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the corresponding participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments or administrative expenses.

The trustee provides for a budget plan expense account, based upon agreed upon terms, which can be used for recordkeeping fees charged to the Plan, and any excess compensation is used at the discretion of the Plan. The Employer, at the discretion of the Plan Advisory Committee, pays for any fees in excess of the revenue sharing accounts. Fees paid out of these revenue sharing programs were approximately \$91,000 during the year ended December 31, 2021. Other recordkeeping and investment management fees paid by the Plan approximated \$418,000 and are included on the statement of changes in net assets available for benefits as administrative expenses.

Risks and Uncertainty

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)

Date of Management's Review

The Plan has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued.

NOTE 2 TAX STATUS

The IRS has determined and informed the Employer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date. |
| Level 2 | <p>Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs that are unobservable inputs for the asset or liability. |

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is measured by the custodian or investment manager on a daily basis. Participant transactions, including purchases and sales, may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 122,133,942	\$ -	\$ -	\$ 122,133,942
Collective trust funds	-	11,477,898	-	11,477,898

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 106,223,386	\$ -	\$ -	\$ 106,223,386
Collective trust funds	-	11,357,536	-	11,357,536
Investments, at fair value	<u>\$ 106,223,386</u>	<u>\$ 11,357,536</u>	<u>\$ -</u>	<u>\$ 117,580,922</u>

NOTE 4 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive investment contract with Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal Trust"). Principal Trust maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Principal Trust, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer or other employer events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Plan management believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 4 FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 INFORMATION CERTIFIED BY THE PLAN TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental information, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends, and interest for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become fully vested in their employer contributions.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan recordkeeping functions are performed by Principal Trust and the Plan invests in a guaranteed investment contract issued by Principal Trust. Principal Trust is a member of the Principal Financial Group and the trustee as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions. SageView Advisory Group provides investment advisory services to the Plan, therefore, transactions with this organization also qualify as party-in-interest transactions. Fees paid by the Plan to Principal Trust for administrative fees totaled approximately \$445,000 for the year ended December 31, 2021. Fees paid by the Plan to SageView Advisory Group for investment advisory fees totaled \$64,000 for the year ended December 31, 2021. Certain fees incurred by the Plan for administrative fees and investment management services are included in net appreciation in fair value of the investments as they are paid through revenue sharing rather than a direct payment. Henry & Horne, LLP provides audit services to the Plan; therefore, transactions with this organization also qualify as party-in-interest transactions.

NOTE 8 NON-EXEMPT PROHIBITED TRANSACTIONS

During 2019 and 2020, the Employer did not remit certain participant contributions to the Plan in a timely manner, as defined by ERISA. These contributions are considered non-exempt prohibited transactions. The Employer is responsible for compensating the participants for any lost interest resulting from the delay in remitting the contributions. The Employer does not believe that these non-exempt transactions will affect the tax status determination of the Plan. Remittances totaling \$3,061 are reported on the supplemental schedule. This amount was self-corrected during 2021.
