INDEPENDENT AUDITOR'S REPORT

Landmark Bancorp, Inc. 401(k) Profit Sharing Plan
Manhattan, Kansas

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the financial statements of Landmark Bancorp, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.13-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LANDMARK BANCORP, INC. 401(K) PROFIT SHARING PLAN
Manhattan, Kansas
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1: Description of the Plan

The following description of the Landmark Bancorp, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Landmark Bancorp, Inc. (the Company). Employees are eligible to begin deferring contributions as soon as administratively feasible after completion of six months of service and attainment of age 21. Employees are eligible for company contributions after completion of one year of service and attainment of age 21.

Plan investments are in the custody of Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (the Custodians). These assets consisted of shares in various mutual funds, common stock, unit investment and collective trusts, Landmark Bancorp, Inc. common stock (Company common stock) and other assets.

Employee Contributions

Participating employees may elect to contribute a percentage of their annual compensation, as defined in the Plan document, to the Plan on a tax-deferred basis, subject to certain limitations under the Internal Revenue Code. Eligible employees hired on or after January 1, 2018 will be automatically enrolled in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Transfers from qualified plans and certain individual retirement accounts are allowed under the provisions of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and, for an additional fee, personal choice retirement accounts tailored to each participant's investment preference. Participants may elect to change their deferred contribution percentages each payroll period and may elect to transfer funds between investment options at any time.

Employer Contributions

The Company will contribute a matching contribution equal to 100% of each participant's deferral contribution, not to exceed 6% of each participant's eligible compensation. To be initially eligible for the employer matching contribution, participants must have 1,000 hours of service in the Plan year and be employed on the last day of the Plan year. The Company contributed \$786,132 less forfeitures of \$30,344 totaling \$755,788 for Plan year 2021 and \$734,737 less forfeitures of \$48,804 totaling \$685,934 for Plan year 2020, respectively. Additional discretionary amounts may be contributed at the option of the Plan sponsor's Board of Directors. Company contributions are invested in the same manner selected for employee contributions.

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution and an allocation of the Company's contribution and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts is based on years of continuous service, with at least 1,000 hours, according to the following vesting schedule (each participant is 100% vested upon disability, death or retirement while employed by the Company):

<u>Years of Service</u>	<u>Percent Invested</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1: Description of the Plan (Continued)

Participant Loans

Participants may borrow, from their fund accounts, a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are repaid by payroll deductions over a period no longer than five years unless the loan is used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of interest, generally the prime rate of interest plus 1%, which is determined at the time the loan is originated. For the years ending December 31, 2021 and 2020, interest rates on outstanding loans were between 4.25%-6.50%.

At December 31, 2021 and 2020, no participant loans were in default.

Payment of Benefits

Distributions are made upon death, disability, retirement, termination of employment or reasons of proven financial hardship. The participant may receive a distribution of the vested balance in his or her account. Distributions are made in a lump sum, substantially equal payments or a partial withdrawal to the participant and designated beneficiaries. In-service distributions are permitted from the participant's rollover, elective deferrals and matching contribution balance and hardship distributions are permitted from the participant's elective deferral balance.

Effective April 5, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

Forfeitures

Forfeitures represent the non-vested portion of participant account balances upon termination. Participants forfeit the non-vested portion of employer contributions made on their behalf upon the earlier of the date they withdraw from the Plan or upon the occurrence of five one-year breaks in service, as defined in the Plan. Forfeited amounts are first used to pay plan expenses of the following year and then used to reduce any employer matching contribution. During 2021, forfeited amounts totaled \$53,744 and \$48,804 was used against the employer match. During 2020, forfeited amounts totaled \$20,746 and \$20,728 was used against the employer match. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$26,794 and \$21,707, respectively.

Plan expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants accounts are charged directly to the participants' account. Other expenses are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of investments.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Company are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employees' payroll.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2: Summary of Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Note 3 for further documentation on fair value.

Investment Valuation and Income Recognition

The Plan's investments are presented as determined and certified by the Custodians as of the Plan year end. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Investments in common stocks, corporate bonds and publicly traded limited partnerships are valued at the closing price reported on the active market on which the individual securities are traded. Investments in unit investment trusts are valued at the closing price of the underlying assets. Net appreciation consists of both realized and unrealized appreciation (depreciation) on investments bought and sold as well as held by the Plan during the year.

Investment contracts are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Payment of Benefits

Benefit payments are recorded when paid. As of December 31, 2021 and 2020, the Plan had no pending distributions from participants requesting distributions that were not received until the subsequent year.

Note 3: Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,710,969	\$ -	\$ -	\$ 13,710,969
Common stock	734,791	-	-	734,791
Preferred stock	47,702	-	-	47,702
Money market funds	350,650	-	-	350,650
REIT	-	29,894	-	29,894
Unit investment trusts	-	2,575,149	-	2,575,149
Total	\$ 14,844,112	\$ 2,605,043	\$ -	\$ 17,449,155

December 31, 2020	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,585,381	\$ -	\$ -	\$ 12,585,381
Common stock	811,570	-	-	811,570
Preferred stock	64,511	-	-	64,511
Money market funds	166,006	-	-	166,006
REIT	-	61,848	-	61,848
Unit investment trusts	-	1,815,283	-	1,815,283
Total	\$ 13,627,468	\$ 1,877,131	\$ -	\$ 15,504,599

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds and Money Market Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are a type of mutual fund and share the same valuation process.

Common and Preferred Stock

Valued at the closing price reported on the active market on which the individual securities are traded.

REIT

Non-traded real estate investment trust (REIT) focus on acquiring an investment portfolio with a total return profile that is composed of investments that provide capital appreciation potential and current operating income. These investments may consist of opportunistic or value-added real estate, distressed debt or other real estate-related investments in the United States and Europe. The strategy of acquiring value-added and opportunistic properties involves a higher risk of loss than would a strategy of investing in stabilized properties.

LANDMARK BANCORP, INC. 401(K) PROFIT SHARING PLAN
Manhattan, Kansas
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021 and 2020

Note 3: Fair Value Measurements (Continued)

Unit Investment Trust

Valued at the NAV of the underlying investments held in the trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions may occur daily.

Note 4: Related Party and Party in Interest Transactions

The Company absorbs the cost of audit fees, fidelity bonds and some administrative fees for the Plan. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain plan investments are shares of mutual funds and money market funds managed by Great-West Trust Company, Great West Life & Annuity Insurance Company and Charles Schwab Investment Management, Inc., for which they are paid a minimal fee for such services. Charles Schwab Investment Management, Inc. is an affiliate of the Custodians, as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. One Digital, who provides benefit and investment consulting on behalf of the Plan and is paid through fees from the Plan.

Additional party-in interest transactions include audit fees paid to Varney & Associates, CPAs, LLC, and investment fees paid to the Custodians. These transactions qualify as exempt party-in-interest transactions.

Note 5: Plan Termination

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions to the Plan at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

Note 6: Tax Status

Effective April 1, 2009, the Company adopted a prototype defined contribution plan sponsored by Alliance Benefit Group of Illinois (ABG). Effective November 15, 2019, the Company adopted a prototype defined contribution plan sponsored by Great-West Trust Company. Both plans received favorable opinion letters from the Internal Revenue Service (IRS) on March 31, 2014. The letters state the Plans and related trusts are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is relying on the IRS opinion letters issued to the sponsor of the prototype plans under the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic and this could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic may have.

Note 8: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500:

	December 31,

 December 31, 2021 and 2020

Note 10: Contract Value Investments

Guaranteed Investment Contracts (GIC)

For the 2020 and the 2021 plan years, participants had the option to invest in a annuity contract called Great-West Fixed Account which is a fixed annuity guaranteed investment contract. These assets simulate the performance of a guaranteed investment contract.

The Great West Fixed Account is held by the insurance company and is not fully benefit responsive. The financial instruments included provide a specific interest rate and a guaranteed rate of return. The contracts are made up of financial instruments that are owned by Met Life or Great-West Trust Company, LLC and are included in the financial statements at contract value.

Common Collective Trusts

For the 2020 and 2021 plan years, participants in the Plan had the option to invest in common collect trusts. These investments are valued at contract value using net asset value as a practical expedient which is the relevant measurement attributable to fully benefit-responsive investment contracts. This is the amount participants would receive if they were to initiate permitted transactions under the terms of the underlying defined contribution investment.

Note 11: Company Common Stock

A previous related Plan of the Company allowed participants to invest in Company common stock. As of January 1, 2002, participants no longer had Company common stock as an investment option. On December 31, 2004, all assets of the Landmark Bancorp, Inc. Employee Stock Ownership Plan (ESOP Plan) were transferred to the Plan. Each participant account in the ESOP Plan consisted of allocated shares of Landmark Bancorp, Inc. common stock. The ESOP Plan did not offer any additional investment options. Beginning in 2005, participants liquidated the balance of their Company common stock related to the ESOP Plan. Participants retained the stock through a qualified distribution from the Plan, or redirected the balance of their Company stock obtained from Company contributions among the various investment options offered by the Plan. Participants under the age of 59 1/2 and still employed by the Company were not eligible and, therefore, not permitted to reallocate any shares acquired with his or her pretax contributions to the Plan. As of April 1, 2009, participants were given the opportunity to invest in self-directed brokerage accounts, through which Landmark Bancorp, Inc. common stock can be purchased.

Information about changes in the Company common stock held by the Plan for the years ended December 31, 2021 and 2020 is as follows:

	2021		2020	
	Shares	Amount	Shares	Amount
Beginning balance	5,043	\$ 115,232	4,804	\$ 120,340
Stock dividend	251		239	-
Stock purchases	-	-	-	-
Stock sales	-	-	-	-
Net appreciation and earnings	-	35,647	-	(5,108)
Ending Balance	5,294	\$ 150,879	5,043	\$ 115,232

Note 12: Subsequent Events

Management has evaluated subsequent events through October 6, 2022, the date on which the financial statements were available to be issued.
