INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Iowa Home Care 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Iowa Home Care 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and supplemental schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2020 Financial Statements

LWBJ, LLP, who merged into UHY LLP as of January 4, 2022, was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed LWBJ, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated July 22, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedules; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The image shows a handwritten signature in black ink that reads "UHY LLP". The letters are stylized and cursive, with the "U" and "H" being particularly prominent.

401(K) RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the Iowa Home Care 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees of Iowa Home Care, LLC, Angels in the Home, LLC, American Institute of Caring, Inc., and Ticceo, LLC (collectively, the "Company") who have attained the age of twenty-one and completed one year of service are permitted to participate in the Plan. Participants must work a minimum of 1,000 hours during the determination period to obtain one year of service. Entry into the Plan is allowed on the first day of each quarter for eligible employees.

Plan Administration

The Company contracts with Securian Financial Group, Inc. to act as the Plan Administrator and to perform allocations of contributions and investment earnings. Minnesota Life Insurance Company ("Minnesota Life"), as custodian, holds the Plan's assets and executes investment transactions.

Contributions

Participants may contribute up to 100% of eligible compensation on a pre-tax or after-tax basis. Participants who have attained the age of fifty before the end of the Plan year are eligible to make catch-up contributions. The Plan has an automatic deferral of 6% unless the participant files a contrary election form. Participants may also contribute amounts representing distributions from other qualified plans.

Company contributions consist of safe harbor contributions and other discretionary contributions, including an additional matching contribution and a profit sharing contribution. The safe harbor match is 100% of the first 1% of eligible compensation, plus 50% of the next 5% of eligible compensation that a participant contributes to the Plan. The Company may elect to make additional discretionary matching contributions of up to 6% of eligible compensation and discretionary profit sharing contributions. No discretionary contributions were made during the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Service ("IRS") limits.

Notes Receivable from Participants

Participants are not permitted to borrow from their fund accounts.

401(K) RETIREMENT PLAN**

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, Company safe harbor contributions, Company discretionary matching contributions and an allocation of the Company's discretionary profit sharing contribution and Plan earnings, and charged with an allocation of contract charges and Plan losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Normal Retirement

For purposes of this Plan, normal retirement is permitted at the age of sixty-two or on the fifth anniversary of joining the Plan, if later. Early retirement is not allowed.

Vesting

Participants are immediately vested in their elective deferrals, plus earnings thereon, as described in the Plan. Participants vest in the Company's safe harbor contribution, plus earnings thereon, after two years of service. Vesting in the Company discretionary contributions of their accounts, plus earnings thereon, is based on years of continuous service. A participant vests at a rate of 20% per year-end after their second year and is fully vested after six years of continuous service. Employees will become fully vested if they reach the normal retirement age, become disabled or die during employment. Lastly, employees participating in the Plan prior to January 1, 2010 who turn sixty-five while employed by the Company will become fully vested no later than their sixty-fifth birthday.

Payment of Benefits

Vested benefits may be distributed in a lump sum, equal installments, or in partial withdrawals upon termination of service with the Company (including termination of service due to death, disability, or retirement). If the total vested amount which a participant is entitled to receive upon termination is less than \$1,000, the vested balance will be automatically distributed to the participant in a lump sum. In-service distributions are permitted for participants who are at least sixty-five years of age and are limited to their vested account balance. Hardship distributions are also allowed for qualified participants.

Forfeitures

On December 31, 2021 and 2020, forfeited non-vested accounts totaled \$1,402 and \$11,521, respectively. Forfeitures are used to reduce future Company contributions. Participants forfeited \$3,613 and \$15,691 during the years ended December 31, 2021 and 2020, respectively. The Plan used \$13,732 and \$6,792 to reduce Company contributions during the years ended December 31, 2021 and 2020, respectively.

**IOWA HOME CARE
401(K) RETIREMENT PLAN**

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, participants will become 100% vested in Company contributions and allocated Plan earnings, and the accrued benefits of all participants shall be distributed to participants as provided in the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Fees related to benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

**IOWA HOME CARE
401(K) RETIREMENT PLAN**

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

3. Information Certified by Minnesota Life

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Minnesota Life has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate.

	<u>2021</u>	<u>2020</u>
Investments:		
Pooled separate accounts, at fair value	\$ 7,058,113	\$ 5,463,626
Guaranteed return account, at contract value	58,973	232,107
Investment income:		
Net appreciation in fair value of investments	\$ 924,462	\$ 604,123
Interest and dividends	1,694	3,171

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in active markets; inputs other than quoted prices that are observable for the assets or liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

**IOWA HOME CARE
401(K) RETIREMENT PLAN**

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Pooled separate accounts:* Valued at net asset value ("NAV") of units of the funds held by the Plan. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds, less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV.

Investment in Assets Valued at NAV per Share

Below is a summary of the Plan's investments as of December 31, 2021 and 2020, where fair value is estimated based on NAV:

	<u>Fair Value at December 31:</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2021</u>	<u>2020</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice</u>
					<u>Period</u>
Pooled separate accounts (a)	<u>\$ 7,058,113</u>	<u>\$ 5,463,626</u>	None	Daily	None

(a) The information in the table above is the same for each major category of pooled separate accounts and has, therefore, been condensed to a single line.

5. Minnesota Life Guaranteed Return Account

The Plan offers a fully-benefit responsive contract with Minnesota Life as an investment option to Plan participants. Minnesota Life maintains the contributions in a general account. The contract is included in the financial statements at contract value as reported to the Plan by Minnesota Life. Contract value is the relevant measure for fully-benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Minnesota Life, represents contributions and transfers made under the contract, plus interest at a specified rate determined monthly and earned on a daily basis, less any withdrawals, administrative expenses or transfers out of the account. The average yield credited to participants was 1.06% and 1.02% for the years ended December 31, 2021 and 2020, respectively.

**IOWA HOME CARE
401(K) RETIREMENT PLAN**

Notes to Financial Statements (continued)

5. Minnesota Life Guaranteed Return Account (continued)

If the contract is terminated, a market value adjustment based on five-year treasury rates may apply; otherwise, there are no events that would require the contract to be settled at a value different than contract value. At December 31, 2021, no events are probable of occurring that could limit the Plan or its participants' ability to transact at contract value. There are no required notice periods or restrictions on withdrawal from the contract; however, restrictions on transfers to competing investment options exist.

6. Party-In-Interest Transactions

The Plan invests in a guaranteed income account managed by Minnesota Life. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. These transactions are exempt and are not prohibited by ERISA.

7. Tax Status

The Plan uses a prototype plan document sponsored by Minnesota Life. Minnesota Life received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2021 and 2020, no such positions exist.

8. Nonexempt Transactions

There were delays by the Company in submitting participant contributions and loan payments to the Plan in the amount of \$30,549 for the year ended December 31, 2021. The Company is working to calculate and pay the lost earnings on these contributions during 2022.

9. Subsequent Events

Subsequent to year end, the Plan transferred the roles of Plan administrator from Securian Financial Group, Inc. to Empower Retirement, LLC, and the role of custodian from Minnesota Life to Great-West Trust Company, LLC. Effective April 22, 2022, the Plan adopted an updated prototype plan document sponsored by Great-West Trust Company, LLC, which received an opinion letter from the IRS dated June 30, 2020. No significant changes were made to Plan provisions upon the adoption.

The Plan evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.
