FINANCIAL STATEMENTS
and
SUPPLEMENTAL SCHEDULE

December 31, 2021 and 2020
With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

The Plan Administrator and Board of Directors
JSI Store Fixtures Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of JSI Store Fixtures Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with U.S. generally accepted auditing standards (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

The Plan Administrator and Board of Directors
JSI Store Fixtures Employee Savings Plan

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan Administrator and Board of Directors
JSI Store Fixtures Employee Savings Plan

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JSI STORE FIXTURES EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of JSI Store Fixtures Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of JSI Store Fixtures, Inc. (the Company or Plan Sponsor). The Plan was established on January 1, 2006 to provide a systematic savings plan for eligible employees. The Plan was amended effective January 2018 to change the eligibility requirements. Employees become eligible for participation in the Plan upon the completion of two months of service. Eligible employees may enter the Plan on the first day of the month following completion of eligibility requirements. Under the terms of the Plan, the following employees are considered excluded and may not participate in the Plan: union employees, non-resident aliens, and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code of 1986, as amended (IRC).

On May 21, 2021, JSI Store Fixtures, Inc. (the Company) was acquired by LSI Industries Inc.

Contributions

Each year, participants may contribute to the Plan an amount up to 100% of their pretax annual compensation as defined by the Plan, subject to certain IRC limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover) provided such contribution does not impact the tax status of the Plan. The Plan provides that participants who are projected to be age 50 or older by the end of the calendar year are permitted to make additional catch-up contributions subject to IRC limitations.

In addition, the Plan Sponsor may make a discretionary matching, profit sharing, or qualified nonelective contribution. Company contributions are subject to certain limitations. For the year ended December 31, 2021, the Company made no such contributions.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions and any Company discretionary matching contributions, allocations of any discretionary profit sharing contributions and discretionary qualified nonelective contributions and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments in participant accounts are participant-directed.

JSI STORE FIXTURES EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Participant Investment Options

Participants may direct all contributions to selected investments as made available and determined by the Plan Administrator. The Plan currently offers pooled separate accounts and a guaranteed investment contract as investment options for participants. Participants may change their investment options daily.

Vesting

Participants are vested immediately in their contributions, Company qualified nonelective contributions plus actual earnings thereon. Participants are vested in the Company's discretionary matching and discretionary profit sharing contributions plus actual earnings thereon based on years of continuous service as follows:

Years of Service	Percentage
2	20%
3	40%
4	60%
5	80%
6	100%

A participant becomes fully vested in the event of normal retirement, total and permanent disability, or death while still employed.

Notes Receivable from Participants

Plan provisions do not allow for notes receivable from participants.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account or a portion of their vested account. If no election is made and the participant's vested account balance is less than \$1,000, it will be distributed in the form of a lump-sum payment. For participants whose account balance is more than \$1,000, but does not exceed \$5,000, the Plan Administrator will transfer the vested account balance to an individual retirement account (IRA) established in the participant's name. Participants whose balance exceeds \$5,000 may elect to receive a lump-sum distribution, roll over the distribution to an IRA or the qualified plan of a new employer, or leave their vested balance in the Plan. Participants may elect to receive an in-service withdrawal of all or a portion of their vested account balance upon attainment of the early retirement age of 59 ½. Participants may also withdraw, upon substantial financial hardship as defined in the plan documents, a portion of the vested balance of his or her account. Employee participants whose accounts balance exceeds \$1,000 may elect to defer required minimum distributions upon the attainment of age 70 ½ or until they terminate employment. All distributions are subject to the applicable provisions of the Plan agreement.

JSI STORE FIXTURES EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Forfeited Accounts

Forfeitures represent the non-vested portion of terminated participants' account balances. These amounts will be used to reduce future Company contributions. There were no forfeited non-vested accounts at December 31, 2021 and 2020.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain other administrative expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid by the Company. Certain fees are paid directly by the participants based on the terms of the plan document, including but not limited to, distribution processing. Investment related expenses are included in net appreciation of fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared in conformity with U.S. generally accepted accounting principles (U.S. GAAP) and are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. Information Certified by Massachusetts Mutual Life Insurance

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was obtained by management and agreed to or derived from information certified by Massachusetts Mutual Life Insurance Company (Mass Mutual), the custodian of the Plan, and furnished to the Plan Administrator at December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value		
Pooled separate accounts	\$ <u>2,664,416</u>	\$ <u>2,102,777</u>
Investments, at contract value		
Guaranteed investment contracts, at contract value	\$ 7,332	\$ 69,266
Fixed rate annuities (fully benefit responsive)	<u>-</u>	<u>4,987</u>
Total investments	\$ <u>7,332</u>	\$ <u>74,253</u>

The custodian also certified to the completeness and accuracy of \$133,577 of net appreciation in fair value of investments and \$249,791 of interest and dividend income related to the aforementioned plan assets for the year ended December 31, 2021.

On December 31, 2020, Empower Retirement LLC ("Empower Retirement") acquired the retirement business of Mass Mutual. Following an initial transition period, Empower Retirement will become the sole administrator of this business.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820 are described as follows:

Notes to Financial Statements

December 31, 2021 and 2020

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date;

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability; and

Level 3: Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: The fair value of the investments in pooled separate accounts is determined by each fund's custodian using the net asset value (NAV) as reported in the fund's financial statements. The NAV is based on the fair value of the underlying securities within the fund, net of investment management fees, which represents the unit value of shares held by the Plan at year end.

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
