Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Collectors Universe, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Collectors Universe, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Collectors Universe, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Collectors Universe, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Collectors Universe, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4i, schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Collectors Universe, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COLLECTORS UNIVERSE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Collectors Universe, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1992, in accordance with Section 401(k) of the Internal Revenue Code (IRC). It is a defined contribution plan for the benefit of all full-time employees of Collectors Universe, Inc. (the Company) who have completed one month of service. The Plan's administrative committee oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Although it has not expressed the intention to do so, the Company has the right under terms of the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions. In the event of Plan termination, participants would become 100% vested in their contributions.

Contributions

Employee contributions to the Plan (referred to as voluntary contributions) are deferrals of the employee's compensation made through a direct reduction of compensation in each payroll period. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The maximum tax deferred contribution may not exceed the Internal Revenue Service (IRS) limit. The Company may elect to provide a discretionary matching contribution. All eligible employees during the Plan year are eligible to receive the Company's contribution. Effective January 1, 2020, the Company implemented a discretionary match of 50% of deferrals up to 6% of compensation. During the year ended December 31, 2021, there were \$784,666 of Company contributions, net of forfeitures used.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contribution and (b) Plan earnings and losses, net of investment management fees, and administrative expenses. Allocations are based on participant earnings and account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

COLLECTORS UNIVERSE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Each participant's interest in voluntary contributions is vested immediately. Company contributions are vested in accordance with the Plan's vesting schedule as follows:

<u>Years of Service</u>	<u>Vesting Percentages</u>
Less than One	0%
One but Less than Two	25%
Two but Less than Three	50%
Three but Less than Four	75%
Four or More	100%

On termination of service due to death, disability, retirement, or having attained age 65, a participant shall become fully vested. In the event of termination of the Plan, the entire amounts credited to participant accounts are payable to participants at 100%, regardless of years of service.

Investment Options

A participant may direct contributions in various investment options. Great-West Trust Company, LLC (Great-West), the custodian of the Plan, executes the investment transactions. Employees may also transfer funds to individual brokerage accounts. Through the self-directed brokerage accounts, participants can invest in money market funds, common stocks, bonds, mutual funds, and other securities. Transfers can be made at any time. All expenses related to brokerage account transactions are paid by the participant through deductions from the brokerage account.

Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund account a minimum of \$1,000 for up to a maximum of \$50,000 or 50% of their total vested account balance. Loan transactions are treated as a transfer to (from) the respective investment fund from (to) the participant's loan fund. A participant must repay the loan within five years, unless he or she is terminated, retires, or becomes disabled, in which case the loan becomes immediately due and payable. Loans taken for the purpose of buying a primary residence must be repaid within 25 years. Loans bear a reasonable rate of interest as determined by Great-West, the custodian of the Plan. Principal and interest are paid ratably through payroll deductions and credited to the participant's fund balance.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Participants become entitled to payment of the total vested value of their accounts at the time of termination, retirement, permanent layoff, permanent disability, or death. If a participant's vested interest is \$5,000 or less, determined as of the valuation date following the termination of employment, such benefits will be distributed as a single lump sum. For balances greater than \$5,000, the participant may elect to receive a lump sum payment, roll the balance over to an individual retirement account, or leave the balance in the Plan. Additionally, under certain circumstances of financial hardship or upon attaining the age of 59½, participants are allowed to withdraw portions of their funds from the Plan.

Forfeited Accounts

At December 31, 2021, there was \$7,751 of forfeited nonvested accounts. At December 31, 2020, there was \$977 of forfeited nonvested accounts. These accounts can normally be used to reduce future Employer contributions or Plan expenses. \$14,045 forfeitures were used in 2021.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). References to the ASC hereafter refer to the Accounting Standards Codification established by the Financial Accounting Standards Board (FASB) as the source of authoritative U.S. GAAP.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. The fair value of the Plan's investments in the stable value fund is measured using the net asset value (NAV) per share as a practical expedient. Each unit in the stable value fund invests directly in a unit of the underlying investment. Unit values are calculated based on the observable NAV of the underlying investment in the funds. See Note 7 for a discussion of NAV measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the period. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

COLLECTORS UNIVERSE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. At December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Contribution Receivables

Contribution receivables represent amounts that have been contributed prior to year-end, but not received by the Plan until subsequent to year-end.

Administrative Expenses

Certain administrative expenses are paid by the Plan, while other expenses incurred by maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 TAX STATUS

The Plan adopted the Prototype Non-standardized Profit Sharing Plan with a cash or deferred arrangement sponsored by Great-West, the custodian of the Plan. The IRS has determined and informed Great-West by a letter, that the prototype plan is designed in accordance with applicable sections of the IRC. Although the prototype plan has been amended since receiving the determination letter, the Plan administrator and the prototype Plan's tax counsel believe that the prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified.

COLLECTORS UNIVERSE, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 TAX STATUS (CONTINUED)

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator has analyzed the tax positions taken by the Plan; it has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this FASB framework are described as follows:

Level 1 – Defined as observable inputs such as quoted prices in active markets.

Level 2 – Defined as inputs other than quoted prices in active markets that are either directly or indirectly observable.

Level 3 – Defined as unobservable inputs in which little or no market data exists therefore requiring an entity to develop its own assumptions.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no Plan assets requiring use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds and the money market fund are based on quoted net asset values of the shares held by the Plan at year-end. The fair value of common stock is based on the closing price reported on the active market where the individual securities are traded.

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (CONTINUED)

The certified information includes the following as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	<u>2021</u>	<u>2020</u>
Investments - Mutual Funds, at Fair Value	\$ 18,434,091	\$ 14,068,857

Net Appreciation in Fair Value of Investments	1,565,209	
Interest Income from Notes Receivable from Participants	7,792	

NOTE 7 NET ASSET VALUE PER SHARE

Fair value of the Plan's stable value fund is measured using net asset value (NAV) per share at December 31, 2021 and 2020, as a practical expedient. The NAV per share practical expedient is based on the fair value of the underlying assets owned by the investments, minus its liabilities, and then divided by the number of units outstanding. The following table sets forth a summary of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent):

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Other Redemption Restrictions</u>	<u>Redemption Notice Period</u>
<u>December 31, 2021</u>

<u>December 31, 2020</u>					
Stable Value Fund	\$ 1,787,248	None	Daily	None	12 Months

NOTE 8 PARTIES-IN-INTEREST

Certain investment fund options are managed by Great-West. Great-West is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants represent loans to employees and therefore also qualify as party-in-interest transactions. The Plan has a number of service providers. Such providers are parties in interest under ERISA.
