Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Rudolph/Libbe Companies Inc. 401(k)/Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 31, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1—Description of the plan

The following description of The Rudolph/Libbe Companies Inc. 401(k)/Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, as amended and restated, is a defined contribution plan covering all eligible employees, as defined in the plan agreement, of The Rudolph/Libbe Companies, Inc. (RLC) and its wholly owned subsidiaries, collectively the Plan Sponsor, electing to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan's assets are held in a trust under the terms and provisions of RLC's trust agreement with State Street Bank and Trust Company (the trustee).

Plan Amendments

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws require the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and Internal Revenue Service (IRS) guidance.

Participant accounts

Each participant's account is credited with the participant's contribution, RLC's and certain subsidiaries' discretionary matching, fixed, and profit sharing contributions (as applicable) and an allocation of plan earnings (losses). The allocation of Plan earnings (losses) is based on each participant's account balance and the participant's investment choices, as defined in the plan agreement.

The benefit to which a participant is entitled is the benefit that can be provided from the vested value of the participant's account. Participants direct the investment of their account balances into the investment options offered by the Plan.

Notes receivable from participants

Participants may borrow the lesser of \$50,000 or 50% of the value of their vested account balance, with the minimum loan amount being \$1,000. The note receivable term may not be longer than five years unless the loan is used to acquire a principal residence, for which the term may be up to ten years. Participants may have one outstanding loan at one time. The loans are secured by the participant's vested balance in his/her account and bear interest at rates ranging from 3.25% to 5.50%, which is commensurate with local prevailing rates. Participants should refer to the Plan document's supplemental loan policy for a complete description of loan provisions.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS—CONTINUED
December 31, 2021 and 2020

Note 1—Description of the plan—continued

Notes receivable from participants—continued

Pursuant to the CARES Act, plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020 for one year. The participant's note would be re-amortized and include any interest accrued during the period of delay. In addition, plan participants were permitted to borrow up to \$100,000 or 100% of their vested account balance, whichever is less. The ability to request a delay in note repayments and the extended note amounts under the CARES Act ceased as of December 31, 2020.

Contributions

Each participant, through an election to defer compensation, may contribute up to 100% of compensation to his or her own account, generally not to exceed \$19,500 in 2021. Each participating employer has the right to make a discretionary profit sharing contribution provided the contribution is allocated in the same proportion that each participant's eligible compensation for the year bears to the total eligible compensation of all participants of the participating employers for the year. In 2021, RLC made a discretionary profit sharing contribution equal to 8% of each eligible employees' compensation.

Participating employers also have the right to make a discretionary matching contribution. In 2021, no discretionary matching contributions were made.

All new entrants into the Plan are automatically enrolled at a 6% contribution rate. Such new entrants may elect not to defer or defer at a different rate.

Payment of benefits

Subject to the restrictions in the Plan document, benefits are payable in the form of a lump sum payment, partial payments, or by term certain and contingent annuities offered under the plan agreement if a participant terminates employment, retires, becomes disabled, or expires. If a participant's balance is less than \$5,000 and a distribution election is not made, the full value of the account will be distributed in a single lump-sum, either directly to the participant if the balance does not exceed \$1,000, or to an individual retirement account if the balance is between \$1,000 and \$5,000.

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. Additionally, the CARES Act permitted plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request special waivers with respect to required minimum distributions and coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Vesting

The balance in each participant's account related to a participant's elective contribution is fully vested at all times. Plan participants acquire a vested interest in the value of employer match and profit sharing contributions made to participant accounts.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS—CONTINUED
December 31, 2021 and 2020

Note 1—Description of the plan—continued

Vesting—continued

The following schedule shows the years of service and percentage vested.

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2 years	0%
2 years but less than 3 years	20%
3 years but less than 4 years	40%
4 years but less than 5 years	60%
5 years but less than 6 years	80%
6 years or more	100%

Forfeitures

The Plan must hold forfeitures in an account for the benefit of the participant until the earlier of the distribution of the entire vested portion of a participant's account, or the end of the Plan year in which the participant incurs five consecutive one-year breaks in service. Forfeitures not allocated to the accounts of participants may be used to reduce employer contributions. Unallocated forfeitures at December 31, 2021 and 2020 approximated \$118,000 and \$87,000, respectively. Approximately \$118,000 of the forfeited non-vested amounts were used to reduce the 2021 employer contribution receivable.

Plan termination

Although they have not expressed any intent to do so, RLC and respective subsidiaries have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the entire interest in each participant's account is fully vested and distributed to participants.

Note 2—Summary of significant accounting policies

Basis of accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. See Note 4 for further discussion and disclosure related to fair value measurements.

Net appreciation or depreciation in fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS—CONTINUED
December 31, 2021 and 2020

Note 2—Summary of significant accounting policies—continued

Notes receivable from participants

Notes receivable from participants represent outstanding loans that are measured at their unpaid principal balance plus accrued interest. Notes receivable from participants are written off and reclassified as distributions when deemed uncollectable.

Contributions

Employee salary deferrals and employer contributions are included in income during the period the related salary is earned.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Transaction fees and investment consulting fees are paid by the Plan. Other administrative fees, including audit and other services, are paid by RLC and respective subsidiaries. Services are rendered by parties-in-interest to the Plan. Administrative expenses that were paid by RLC and related subsidiaries were excluded from these financial statements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Reclassification

Certain disclosures in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year.

Subsequent events

The Plan has evaluated subsequent events through September 23, 2022, the date the financial statements were available to be issued and has determined there are no subsequent events that require recognition or disclosure.

Note 3—Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, net appreciation (depreciation) in the value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate the trustee. Such information has not been examined by the independent auditors.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS—CONTINUED
December 31, 2021 and 2020

Note 4—Fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic, Fair Value Measurement, are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's investments are valued by the Trustee. Following is a description of the valuation methodologies used for assets measured at fair value. As of December 31, 2021, the Plan changed its investment methodology of common collective trusts to classify such investments as Level 2 within the fair value hierarchy. Prior to December 31, 2021, the Plan classified such investments at net asset value using the practical expedient available under Subtopic 820-10. This change in classification was retrospectively applied to investments held at December 31, 2020. There have been no other changes in the methodology used at December 31, 2021 and 2020.

Following is a description of the valuation methodologies used for assets measured at fair value.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS—CONTINUED
December 31, 2021 and 2020

Note 4—Fair value measurements—continued

Mutual Funds—valued at the quoted market price on an active market held by the Plan at the end of the year. Mutual funds held by the Plan are open end mutual funds that are registered with the Securities and Exchange Commission.

Interest bearing cash—cash and short-term investments include cash and short-term interest-bearing investments with initial maturities of three months or less. Such amounts are recorded at cost, plus accrued interest.

Common/Collective Trust Fund—valued daily based on the net asset value (NAV). The NAV is published daily and meet the definition of an investment company per ASC 946. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets that are measured at fair value.

Note 6—Income tax status

The IRS has determined and informed RLC by a letter dated June 2, 2014 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The related trust, therefore, is not subject to tax under present income tax law. The Plan has been amended since receiving the determination letter. The Plan Administrator has indicated that it will take the necessary steps, if any, to bring the Plan's operations into compliance with the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

THE RUDOLPH/LIBBE COMPANIES INC. 401(K)/PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS—CONTINUED
December 31, 2021 and 2020

Note 7—Related party transactions and party-in-interest transactions

Certain plan investments are managed by Transamerica Retirement Solutions Corp, which also provides recordkeeping services for the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are deducted directly from participant accounts. There have been no known prohibited transactions with a party in interest. The Plan made direct payments to the trustee in the amount of \$123,569 during 2021.

Notes receivable from participants also qualify as party-in-interest transactions. Notes receivable from participants totaled \$380,238 and \$515,951 as of December 31, 2021 and 2020, respectively. Interest received on notes receivable from participants totaled \$19,229 for the year ended December 31, 2021.

Note 8—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
