INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR AND PARTICIPANTS OF MATAGRANO, INC. 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of MATAGRANO, INC. 401(K) PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors’ Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 22, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

MATAGRANO, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Matagrano, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established by Matagrano, Inc. (the “Company”) as a defined contribution plan covering all eligible employees, who have reached 18 years of age and completed 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

Effective April 7, 2020, the Plan implemented the distribution and loan provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. A CARES Act distribution allowed the Plan’s qualified participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The distribution provision also allows any Plan participant to suspend required minimum distributions for the 2020 plan year. In addition, the Plan implemented the temporary loan repayment deferral provision and the temporary loan maximum provision of the CARES Act. The deferral provision allows qualified Plan participants who have outstanding Plan loans on or after March 27, 2020 to defer until December 31, 2020. The loan maximum provision increases the maximum loan available to a qualified participant loan to the lesser of his or her account balance or \$100,000 for a loan issued through September 22, 2020. The Plan’s trustee will incorporate these provisions under which the Plan is currently operating as necessary prior to the December 31, 2025 deadline.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records of the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – The Plan features an automatic enrollment provision whereby all eligible employees are automatically enrolled in the Plan at a deferral rate of 1%. The eligible participant may affirmatively elect to “opt out” of these automatic features or elect a different deferral rate. Participant contributions are made in the form of pre-tax or post-tax (Roth) salary deductions and are limited to a maximum of \$19,500 for the year ended December 31, 2021 in accordance with the IRC. Additionally, participants age 50 and over by the end of the Plan year may make additional catch-up contributions up to \$6,500 for the year ended December 31, 2021. A participant may increase or decrease the amount of contributions at the beginning of each payroll period, as defined by the Plan agreement. Participants may also make rollover contributions from other qualified defined benefit or defined contribution plans.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions – The Company makes a safe harbor matching contribution of 100% of the participant's contribution on the first 3% of eligible compensation, plus 50% of each participant's deferrals in excess of 3% but not in excess of 5% of the participant's compensation to qualified employees. Additionally, the Company may make annual discretionary nonelective employer contributions to the Plan. The Company made discretionary profit sharing contributions amounting to \$184,600 for the year ended December 31, 2021. Collectively bargained employees are not eligible for employer contributions.

Participant Accounts – Each participant's account is credited with the participant's contributions, the related Company matching and discretionary nonelective employer contributions, and investment earnings thereon. Participant accounts are charged with investment losses and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions and safe harbor contributions plus actual earnings thereon. Vesting in the Company's discretionary employer contributions portion of their accounts is based on years of continuous service. Participants vest in the Company's discretionary employer contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 - 1	0%
1 - 2	25%
2 - 3	50%
3 - 4	75%
4 or more	100%

Investment Options – A participant may direct the investment of his or her account balance into various investments offered by the Plan. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options any time throughout the year via completing the change forms for investment options.

Notes Receivables from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements. The minimum loan amount is \$1,000 and the maximum loan amount is equal to the lesser of one-half of the participant's vested account balance or \$50,000. The term of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate published in the Wall Street Journal plus 2%. Principal and interest are paid ratably through weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivables from Participants (Continued) – Pursuant to the CARES Act, if a delay was granted, the participant's note was re-amortized and included any interest accrued during the period of delay.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may receive a lump-sum distribution, a direct rollover distribution, or a combination of cash and direct rollover distribution equal to the value of the participant's vested interest in his or her account. A participant may also be eligible for withdrawals due to financial hardship in certain circumstances. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum cash distribution. If a terminated participant's vested interest in his/her account is between \$1,000 and \$5,000 and no instructions have been received from such participant, the amount may be rolled over to an individual retirement account plan as designated by the plan administrator. The Plan allows for the automatic distribution of participant accounts balances that do not exceed \$1,000. Benefit payments to the participant generally must begin by the later of the year after the participant attains age 72 or the year in which the participant terminates employment.

Forfeited Accounts – The non-vested portion of a participant's balance is forfeited upon termination of employment. Forfeitures will be used to reduce employer contributions. As of December 31, 2021 and 2020, forfeited non-vested accounts amounted to approximately \$104 and \$5,779, respectively. During the year ended December 31, 2021, \$5,779 in forfeitures were used for employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

MATAGRANO, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments.

Concentrations – As of December 31, 2021 and 2020, five investments accounted for approximately 80% and 86%, respectively, of total investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MATAGRANO, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the NAV of units held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Investments valued using the practical expedient are reported outside of the fair value hierarchy. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank & Trust Company, the trustee of Plan assets, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the 2021 Statement of Net Assets Available for Benefits and in Note 3 and the supplemental Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment income and income earned on the notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the period from May 13, 2021 to December 31, 2021. American Trust Company, the former trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the Statement of Net Assets Available for Benefits and in Note 3 as of December 31, 2020, and investment income and income earned on notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2021 to May 12, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule

NOTE 5 – TAX STATUS

The Plan adopted the American Fund Distributors Defined Contribution Prototype Plan & Trust, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020 stating that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan has not filed for a separate determination letter from the IRS; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes is recorded on the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PLAN TERMINATION

The Company has established the Plan with the expressed intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as the interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are held and managed by American Funds, an affiliate of Capital Bank & Trust Company. Capital Bank & Trust Company serves as the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Capital Bank & Trust Company provides various services to the Plan, including trust and custody services. They also provide certain shareholder services to the investment funds utilized by the Plan. Capital Bank & Trust Company receives revenue from mutual fund service providers for these services. This revenue is used to offset certain amounts owed to Capital Bank & Trust Company for its administrative services to the Plan.

Prior to May 13, 2021, certain Plan assets were held and managed by American Trust Company, the former trustee of the Plan and therefore, these transactions qualify as party-in-interest transactions. American Trust Company provided various services to the Plan, including recordkeeping, trust and custody services. They also provided certain shareholder services to the investment funds utilized by the Plan. American Trust Company received revenue from mutual fund service providers for these services. This revenue was used to offset certain amounts owed to American Trust Company for its administrative services to the Plan.

NOTE 9 – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through October 6, 2022, the date the financial statements were available to be issued.
