Independent Auditors' Report

The Fiduciary Committee of NatureWorks, LLC
NatureWorks, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of NatureWorks, LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from

material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 24, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Fiduciary Committee of NatureWorks, LLC
NatureWorks, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of NatureWorks, LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from

material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 24, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NATUREWORKS, LLC 401 (k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) The Plan

(a) General

The NatureWorks, LLC 401(k) Plan (the Plan) was formed on January 1, 2001 and is a defined-contribution profit sharing plan with a 401(k) feature. The Plan is sponsored by NatureWorks, LLC (the Employer).

The following brief description of the Plan is provided for general information only. Participants should refer to the plan document for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

All regular full-time and regular part-time employees are eligible to participate in the Plan on their date of hire. Normal retirement is the date on which a participant attains age 65. All new employees are automatically enrolled in the plan at 6% unless the employee chooses to opt out.

(b) Contributions

The Plan provides for the following contributions:

Employer Profit Sharing Contributions – The Employer makes a discretionary fixed contribution for each eligible employee, regardless of whether that employee elects to participate, with the amount to be determined by the Employer from year to year. The Employer contributed 5.5% of eligible compensation to the Plan during the plan years ended December 31, 2021 and 2020.

Elective Deferrals – A participant may make an elective deferral of between 1% and 50% of compensation subject to IRS limitations of \$19,500 and \$19,500 for calendar years 2021 and 2020. Eligible participants are permitted to make elective deferrals on a pretax or Roth after-tax basis. Highly compensated employees making elective deferrals are limited in the percentage of their compensation that they defer based on the average percentage of compensation deferred by the non-highly compensated employees during either the current or prior plan year.

Rollover Contributions – Active participants who receive a distribution in a lump sum from a former employer's qualified retirement plan or from a conduit individual retirement account, subject to certain requirements, may transfer such distribution to the Plan.

Employer Matching Contribution – Per the plan agreement, the Employer matching contribution is discretionary, with the amount to be determined by the Employer from time to time. During the plan years ended December 31, 2021 and 2020, the Employer made a matching contribution of 50% on the first 6% of salary deferred on a pay-period basis.

Qualified Nonelective Contribution – The Employer may make a discretionary nonelective contribution (using a nonintegrated formula) to participants on a per pay-period basis. The Plan allocates any such contribution on a compensation-to-compensation basis, which means that a participant's proportionate share of the contribution is equal to the proportion that the participant's compensation for the year bears to the compensation of all participants for the year. Qualified nonelective contributions were \$0 for the years ended December 31, 2021 and 2020.

NATUREWORKS, LLC 401 (k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(c) Investment Allocation

Each participant in the Plan allocates his or her account balance in any combination of the investment funds. A participant may elect to change the withholding percentage of deferred compensation at any time. A participant may elect to change his or her fund allocation at any time.

(d) Vesting

A participant is immediately fully vested in elective deferrals, rollover contributions, and transfer contributions. A participant vests in employer matching contributions, employer profit sharing contributions, and qualified nonelective contributions according to the following schedule except in the events of reaching normal retirement age, plan termination, freezing of contributions to the Plan, death, disability, or early retirement, in which cases the participant vests fully in such contributions.

<u>Year(s) of service</u>	<u>Vested percentage</u>
1 Year	33%
2 Years	66%
3 Years	100%

Participants are held to the Elapsed Time method for vesting purposes. Employee will receive credit for all Periods of Service, fractional periods of a year will be expressed in terms of months and days. Forfeitures are applied to reduce future employer contributions. The total amount of forfeitures for the years ended December 31, 2021 and 2020 was \$23,887 and \$49,762, respectively. The total amount of forfeitures used to reduce employer contributions for the years ended December 31, 2021 and 2020 was \$47,500 and \$44,224, respectively. There was \$3,087 and \$26,700 available in forfeitures at December 31, 2021 and 2020, respectively.

(e) Voluntary Withdrawals of Employee Contributions

Voluntary withdrawals of participants' pretax contributions are allowed without penalty after attaining age 59½ or for reasons of financial hardship. Employees are not able to use funds from the employer profit sharing contributions when making hardship withdrawals.

(f) Payment of Benefits

A participant whose termination of employment occurs for any reason shall be entitled to benefits equal to 100% of the employee elective and rollover contribution accounts plus the vested portion of the Employer matching, profit sharing, and qualified nonelection contribution accounts. Distribution of a participant's benefits is made to the participant or his or her beneficiaries in a lump sum, or in installments based on the election made by the participant, within certain guidelines as defined in the Plan.

NATUREWORKS, LLC 401 (k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(g) Notes Receivable from Participants

A participant may receive a loan from the Plan for the lesser of 50% of the present value of the vested portion of the participant's account balance or \$50,000. The loans must be adequately secured and bear a reasonable interest rate. The minimum loan amount is \$1,000, and the maximum life of the loan is 180 months for loans obtained for the purchase of principal residence. All other loans must be paid off in 60 months.

A participant was able to receive a loan under the CARES Act pursuant to the legislation. The distribution could have been up to \$100,000 from qualified plans and IRAs by affected individuals. Distributions could have been made on or after January 1, 2020, and before December 31, 2020. There were no mandatory 20% federal tax withholding requirements, and the 10% early withdrawal penalty was waived for any Corona-virus Related Distribution (CRD). The taxes associated with the income attributable to CRDs could be paid pro-rata over a three-year period. A participant taking a CRD could repay the amount of the distribution as a rollover within three years.

(h) Administrative Expenses

Administrative expenses shall be paid out of the Plan unless paid directly by the Employer. Total administrative fees paid by the Plan for the years ended December 31, 2021 and 2020 were \$1,300 and \$625, respectively.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis in accordance with U.S. generally accepted accounting principles.

(b) Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

(c) Notes Receivable from Participants

Notes receivable from participants are valued at amortized cost. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

NATUREWORKS, LLC 401 (k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(d) *Payment of Benefits*

Benefits are recorded when paid.

(e) *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates. Vanguard Fiduciary Trust Company (Vanguard) utilizes various investment instruments, including mutual funds and a common collective trust fund offered by Vanguard. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

(f) *Risks and Uncertainties*

As COVID-19 and its impact are unprecedented and ever evolving, future events and effects related to the pandemic cannot be determined with precision and therefore the extent of any adverse impact on the Plan's investments cannot be predicted as this time.

At December 31, 2021, approximately 23% of the Plan's investments were invested in the Vanguard PRIMECAP Fund Investor Shares and 16% in the Vanguard 500 Index Fund Investor Shares. At December 31, 2020, approximately 25% of the Plan's investments were invested in the Vanguard PRIMECAP Fund Investor Shares and 13% in the Vanguard 500 Index Fund Investor Shares.

(3) Plan Termination

While the Employer has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time, subject to the provisions set forth in ERISA. Participants would become 100% vested upon Plan termination.

(4) Federal Income Tax Status

The Plan uses a prototype plan document with the non-standardized plan adoption agreement sponsored by Vanguard Fiduciary Trust Company (Vanguard). Vanguard received an opinion letter from the IRS, dated May 28, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (the IRC). The Plan itself has not received a determination letter from the IRS and has been amended from the original prototype document.

On May 28, 2014, the prototype basic plan document was amended to reflect the addition of the Roth Deferral option to the Plan. On November 21, 2009, the prototype basic plan document was amended for the Economic Growth and Tax Relief Reconciliation Act (EGTRRA), and plan adoption agreements were executed to comply with the final 415 Regulations and the Pension Protection Act of 2006. The Plan restatement effective January 1, 2021, summarized existing plan documents and any guidelines related to ERISA rules including EGTRRA and CARES. The Plan's management believes that the Plan is designed,

NATUREWORKS, LLC 401 (k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Employer has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Employer believes it is no longer subject to income tax examinations for years prior to 2016.

(5) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification Topic 820 Fair Value Measurements and Disclosures are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the validation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NATUREWORKS, LLC 401 (k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

- Mutual funds – Valued daily based on quoted prices from national exchanges and commonly used third-party pricing services. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common/collective trust fund – Valued utilizing the net asset value reporting by such trust, which represents readily determinable fair value and is reported at fair value. The fair value has been determined by the trustee sponsoring the trust by dividing the trusts' net assets at fair value by units outstanding at the valuation date. There are no restrictions as to redemption of the investment.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 81,915,408	—	—	81,915,408
Common/collective trust fund	—	2,346,538	—	2,346,538
Total assets at fair value	<u>\$ 81,915,408</u>	<u>2,346,538</u>	<u>—</u>	<u>84,261,946</u>

Assets at fair value as of December 31, 2020

Total assets at fair value	<u>\$ 70,226,687</u>	<u>1,678,108</u>	<u>—</u>	<u>71,904,795</u>

(6) Exempt Party-in-Interest Transactions

Plan investments are shares of mutual funds and a common/collective trust fund managed by Vanguard. Vanguard is the Trustee as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

(7) Information Certified by the Trustee

Vanguard, the Plan's Trustee, has provided the Plan Administrator with certifications as to the completeness and accuracy of the total investments of the Plan at fair value and participant loans managed by them at
