Independent Auditors' Report

The Plan Administrator EGA 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the EGA 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained a certification from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

The Plan Administrator
EGA 401(k) Profit Sharing Plan

Report on the Financial Statement

We were engaged to audit the accompanying statement of net assets available for benefits of EGA 401(k) Profit Sharing Plan (the "Plan"), as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great West Trust Company, LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

EGA 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following description of the EGA 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees, except for non-resident aliens, of Evergreen Shipping Agency (America) Corporation (the "Company") who have completed one year of service, are twenty-one years of age or older and are not covered by a collective bargaining agreement except those employees represented by Local 1964 ILA AFL-CIO. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute from 1% to 80% of their pre-tax annual compensation, as defined in the Plan, provided that such contributions do not exceed the maximum annual amount permitted under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers one common/collective trust and twenty-seven mutual funds as investment options for participants.

The Company provides a fixed matching contribution of 100% of a participant's elective deferral not to exceed 5% of base compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and earnings thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contributions plus actual earnings thereon is based on years of continuous service. Participants are vested in their account balances in accordance with a graded schedule and become 100% vested after completing six years of credited service.

1. Description of Plan (*continued*)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance, subject to certain limitations, as defined by the Plan. The loans are secured by the balance in the participant's account and bear interest at the prevailing rate for similar personal loan transactions used by commercial banks at the date of the loan request. Principal and interest are paid ratably through payroll deductions over the term of the loans, not to exceed 5 years for general purpose loans and 20 years for principal residence loans.

Payment of Benefits

Upon termination of service due to death, disability, termination or retirement, a participant or designated beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, installment payments or in annual installments over a specified period of time, not exceeding the participant's life expectancy or the joint life expectancy of the participant and his or her designated beneficiary.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$112 and \$623. In 2021, \$41,900 of forfeitures was used to reduce Company contributions.

Plan Holding Account

The Plan and Great West Trust Company, LLC (the "trustee") have entered into a revenue sharing arrangement whereby a portion of the revenue earned by the trustee from certain funds is credited quarterly to the Plan for payment of permitted Plan expenses. In order for the Plan to receive credits as a result of this revenue sharing agreement, and to use this credit to pay Plan expenses, the Company uses a Plan Holding Account. The Plan Holding Account is an asset account within the Plan, similar in design to forfeiture accounts, and is used to record the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The Plan Holding Account totaled \$49,977 and \$18,539 at December 31, 2021 and 2020. During 2021, no plan expenses were paid from this account.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Notes to Financial Statements

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

Investments are reported at fair value based on quoted market prices except for the investment in a common/collective trust which is reported at the NAV of units held by the Plan. Shares of mutual funds are reported at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end. The Putnam Stable Value Fund invests primarily in guaranteed and security-backed investment contracts with life insurance companies, banks, and other financial institutions. Underlying investments of the target date collective trust funds consist of fixed income and mixed-asset equities. The collective trust funds provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in interest and dividend income which is reinvested. Realized gains and losses on investments are recognized upon the sale of the related investments, and unrealized appreciation or depreciation is recognized at year end when the carrying values of the related investments are adjusted to their estimated fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payments of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in financial statements through the date that the financial statements were available to be issued, which date is September 29, 2022.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great West Trust Company, LLC, a qualified institution.

4. Investments

The following are the major categories of investments measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	2021		
		Other Investments Measured at NAV*	Total
	Level 1		
Mutual funds	\$ 157,505,911	\$ -	\$ 157,505,911

4. Investments (*continued*)

	2020		
	Level 1	Other Investments Measured at NAV*	Total
Mutual funds	\$135,329,352	\$ -	\$135,329,352
Common/collective trust	-	34,701,967	34,701,967
	<u>\$135,329,352</u>	<u>\$34,701,967</u>	<u>\$170,031,319</u>

As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trust

The Putnam Stable Value Fund (the "Fund") is a stable value fund that is a common/collective trust. The Fund may invest in fixed interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed income securities. The unit value of this Fund is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value.

The average yield at fair value and weighted average crediting rate for the Fund at December 31 are as follows:

	2021	2020
Average yield at fair value	2.16%	2.18%
Weighted average crediting rate	2.38%	2.73%

6. Related Party and Party-in-Interest Transactions

The Plan received a servicing credit of \$370,378 during the year ended December 31, 2021 as part of their revenue sharing agreement between the Company and the trustee of the Plan. This credit represents a return of fees that were above what the plan administrator and the record-keeper needed to cover Plan expenses. The Plan's administration expenses are funded by the revenue sharing agreement. These transactions are considered party-in-interest transactions. The Plan's financial consulting service provider, has received payments under this agreement totaling \$172,624 for 2021. These amounts are included in other income and administrative expenses in the statement of changes in net assets available for benefits.

EGA 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2021

6. Related Party and Party-in-Interest Transactions (*continued*)

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

8. Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by the taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the novel coronavirus (COVID-19) pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
