REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Administrative and Investment Committee and Participants and their Beneficiaries
Aon Pooled Employer Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed an audit of the financial statements of Aon Pooled Employer Plan (the "PEP"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the PEP's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the PEP and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the PEP's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the PEP's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the PEP's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter

Supplemental schedules required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2021 and of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements

themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Aon Pooled Employer Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Aon Pooled Employer Plan (the PEP) provides only general information. Participants should refer to the PEP basic plan document, and the applicable adoption agreement for the participant's employer which has chosen to participate in the PEP (Participating Employer), for a more complete description of the PEP's provisions.

General

The PEP is a pooled employer plan established and administered by Aon Consulting, Inc., the Pooled Plan Provider (PPP). The PEP was established under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) on January 1, 2021. The PEP is a defined contribution profit sharing plan covering eligible employees of the Participating Employers, and is intended to qualify under Internal Revenue Code of 1986, as amended (IRC or Code), sections 401(a) and 501(a). The PEP is intended to constitute a multiple employer plan, as described under Code sections 410(a), 411, 413, and 415. Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants, and payments of benefits. The PEP is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Eligibility

Only those employees of any particular Participating Employer who are designated by the Participating Employer in its adoption agreement as eligible employees shall be eligible to participate in the PEP. Participating Employers may define eligibility requirements based on factors such as age, service, or employee type. Eligible employees shall be eligible to make participant contributions and receive allocations of employer contributions if and to the extent specified in the applicable adoption agreement or otherwise provided by the PEP.

Contributions

Each year eligible participants may make pre-tax, Roth, and/or after-tax contributions of their eligible compensation, as defined by the PEP and Participating Employer adoption agreement, subject to applicable limits established by law. Participating Employers may elect safe harbor or non-safe harbor contribution provisions as well as compensation definitions. Under certain circumstances, eligible employees may make rollover contributions to the PEP. Participants who have attained age 50 before the end of the PEP year are eligible to make catch-up contributions. Participants direct their contributions into various investment options offered by the PEP.

The Participating Employers in the PEP may elect automatic enrollment and escalation features. Accordingly, the Participating Employer will automatically withhold a defined percentage of an eligible participant's compensation based on the Participating Employer's adoption agreement, unless the participant affirmatively opts out.

Under the terms of the Participating Employer adoption agreements, the Participating Employers may elect to make matching contributions, nonelective contributions, prevailing wage contributions, qualified nonelective contributions (QNECs) or qualified matching contributions (QMACs) to the PEP. Participating Employers may also elect to make true-up matching contributions. As of December 31, 2021, true-up matching contributions of \$1,172,775 are included as a contribution receivable on the statement of net assets available for benefits.

Participant Accounts

Participant accounts are credited with the participant contributions, the Participating Employer's contributions, if any, and investment earnings and/or losses and charged with the participant's benefit payments and applicable transactions charges, which are considered administrative expenses. Participants may direct their account balance into various investment options offered by the PEP which include collective trust funds and a self-directed brokerage account option. Participants may allocate up to 90% of their contributions to the self-directed brokerage account. Through the self-directed brokerage account, participants may invest in various marketable securities. Within the self-directed brokerage, restrictions apply to certain investment types as defined by the PEP. Allocations are based on the earnings and losses of the participant's investments or participant account balances, as defined. Income is allocated daily based on the number of shares or units in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from the vested portion of their account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms are fixed up to five years, except in the case of a loan used to acquire a principal residence, in which case the loan term may be extended up to a maximum of 15 years. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate at the time of the loan, generally 1% above the prime rate. Principal and interest are paid ratably through payroll deductions. A participant can only have one loan currently outstanding from the PEP, unless as a result of a conversion from a prior plan, the participant has loans that were transferred to the PEP, in which case up to five such grandfathered loans may also be outstanding for a possible maximum total of six loans outstanding.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Participating Employer contribution portion of their accounts, plus actual earnings thereon, is based on years of service ranging from immediate to five years graded or cliff vesting, as elected by each Participating Employer.

Forfeitures

Forfeitures in any year from the accounts of participants whose employment with a Participating Employer has terminated shall be used in the following year by the applicable Participating Employer as follows: First, to restore any previously forfeited accounts, second, to make corrective allocations to the accounts of participants and for similar corrective measures, if any, third, to reduce Participating Employer contributions, fourth to pay administrative expenses, and fifth to allocate to participants as an additional nonelective contribution. At December 31, 2021, forfeited non-vested accounts totaled \$371,521. During 2021, \$91,638 of forfeited nonvested accounts were used by the Participating Employers to pay administrative expenses.

Payment of Benefits

Upon separation of employment due to termination of employment, death, disability or retirement, participants may, at their election, withdraw their benefits or maintain their vested balance in the Plan. Payments of benefits can be made in a lump sum, partial distribution, periodic fixed installments, periodic calculated installments, or periodic required minimum distributions based on the Participant Employer's adoption agreement.

Aon Pooled Employer Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

If the value of a separated participant's vested balance is less than \$1,000, vested portions will be distributed to the participant in a lump sum payment. Participants are permitted certain in-service withdrawals from their accounts for financial hardships, attaining age 59½ or are disabled. Participants, at any time, may also withdraw amounts attributable to their after-tax contributions, rollover contributions and/or any portion of their transferred balance that is available under a grandfathered withdrawal option.

PEP Termination

Although it has not expressed any intent to do so, the PPP reserves the right to terminate the PEP subject to the provisions of ERISA. In the event of PEP termination, participants will become 100% vested in their accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and were prepared using the accrual basis of accounting.

Risks and Uncertainties

The PEP invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

For the year ended December 31, 2021, six Participating Employers individually comprised 5% or more of total contributions, and in the aggregate, these Participating Employers comprised 90% of total contributions. For the year ended December 31, 2021, five Participating Employers individually comprised 5% or more of transfers in from other qualified plans and in the aggregate, these Participating Employers comprised 83% of transfers in from other qualified plans.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the PEP administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and change therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The PEP's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Aon Pooled Employer Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the PEP basic plan document and participant loan program. No allowance for credit losses has been recorded as of December 31, 2021.

Transfers in Pending Merger

Transfers in pending merger relate to mergers into the PEP that will be effective after December 31, 2021. Certain assets related to these plans have transferred into the PEP trust as of December 31, 2021 and are not yet available to pay PEP benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Reasonable expenses of the PEP, including, trustee, attorneys, advisors, fiduciaries, and service providers are paid by the PEP, unless otherwise paid by the PPP or the Participating Employers. Expenses that are paid by the PPP or the Participating Employers are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 3 - TRANSFER OF FUNDS

Upon termination or new entrance of a Participating Employer, funds may be transferred to or from other qualified plans. During the year ended December 31, 2021, transfers into the PEP from other qualified plans totaled \$280,422,821.

NOTE 4 - CERTIFIED INFORMATION

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, the PEP's trustee, Voya Institutional Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statement of net assets available for benefits as of December 31, 2021;
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2021; and
- Schedule H, line 4(i) - schedule of assets (held at end of year) as of December 31, 2021.

Aon Pooled Employer Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the PEP has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the assets measured at fair value.

Collective Trust Funds - Valued at the net asset value (NAV) of units held, based upon the fair value of the underlying investments less liabilities. NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Self-Directed Brokerage Accounts - Consists of publicly traded common stock and mutual funds valued at the closing price reported on the active market on which the individual securities are traded.

Aon Pooled Employer Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

The following table sets forth by level, within the fair value hierarchy, the PEP's assets carried at fair value as of December 31, 2021:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 2,391,222	\$ -	\$ -	\$ 2,391,222
Total assets in the fair value hierarchy	\$ 2,391,222	\$ -	\$ -	2,391,222
Collective trust funds, at NAV as a practical expedient ⁽¹⁾				302,981,071
Investments, at fair value				\$305,372,293

⁽¹⁾ In accordance with ASC 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The following table sets forth additional disclosures for the fair value measurement of investments in entities that calculate NAV per share (or its equivalent) as of December 31, 2021:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemptions Notice Period
Aon collective trusts	\$ 17,228,800	\$ -	Daily	15 days
Stable value collective trust	4,341,125	-	Daily	None
Target date and index collective trusts	281,411,146	-	Daily	None
	\$ 302,981,071			

NOTE 6 - INCOME TAX STATUS

The PEP is intended to qualify under Code Section 401(a) and 501(a). The PEP administrator intends to apply for a determination letter on the PEP once the Internal Revenue Service (IRS) opens such a program for pooled employer plans. The PEP is required to operate in conformity with the relevant IRC sections to maintain the tax-exempt status of the PEP. The PEP administrator believes that the PEP is currently designed and operating in accordance with the applicable requirements of the IRC, and, therefore, believes that the PEP is qualified and the related accounts are tax exempt. Therefore, no provision for income taxes has been included in the PEP's financial statements.

U.S. GAAP requires PEP management to evaluate tax positions taken by the PEP and recognize a tax liability (or asset) if the PEP has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The PEP administrator has analyzed the tax positions taken by the PEP, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The PEP is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021

NOTE 7 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain PEP investments are managed by Aon Investments, USA Inc., an affiliate of the PPP, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

NOTE 8 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, certain Participating Employers failed to timely remit certain participant contributions and loan repayments to the PEP. Through December 31, 2021, the Participating Employers have corrected \$166,404 of these contributions and loan repayments and restored the participant accounts within the PEP for any lost earnings related to these untimely remittances. As of December 31, 2021, \$20,077 in participant contributions and loan repayments remain to be corrected by the Participating Employers.

NOTE 9 - SUBSEQUENT EVENTS

The PEP has evaluated the financial statements for subsequent events through October 7, 2022, the date the financial statements were available to be issued.

Subsequent to year end, fifteen Participating Employers have joined the PEP. Related transfers into the PEP from other qualified plans totaled approximately \$337,585,000.
