Independent Auditor's Report

To the Participants and Administrative Committee of the
Environmental Health & Engineering, Inc. 401(K) Plan
Newton, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Environmental Health & Engineering, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the trustee of the Plan, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Environmental Health & Engineering, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Environmental Health & Engineering, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Environmental Health & Engineering, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Environmental Health & Engineering, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at end of year December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Environmental Health & Engineering, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note A: PLAN DESCRIPTION

The following description of Environmental Health & Engineering, Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and trust agreements for a more complete description of the Plan's provisions.

General: The Plan originated in July, 1995, and is a defined contribution plan which incorporates the provision of Section 401(K) of the Internal Revenue Code. The Plan covers all employees who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Participants should refer to the Plan agreement for more complete information.

The Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law on March 27, 2020. In April 2020, the Plan adopted certain changes to participant distributions and loans as permitted by the CARES Act, discussed further in *Notes Receivable from Participants and Payment of Benefits*.

Contributions: Each year, participants may elect to contribute up to 100% of eligible annual compensation, as defined in the Plan up to the maximum allowed by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Company currently makes safe harbor contributions of 3% of the participant's eligible compensation. The 3% safe harbor contribution is provided for as a 2% of eligible compensation contribution to this Plan and 1% of eligible compensation to an employee stock ownership plan of the Plan sponsor. In addition, the Company may make discretionary matching and profit-sharing contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Automatic Enrollment: The Plan provides for automatic enrollment. Eligible employees become automatically enrolled in the plan at a pretax contribution rate of 5% of eligible compensation, unless they otherwise elect not to be enrolled. Participants can elect to change or stop deductions at any time following enrollment.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note A: PLAN DESCRIPTION – CONTINUED

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of a) the Company's contribution and b) the Plan's earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and the Company's safe harbor contribution plus actual earnings thereon. Participant vesting in the Company's matching and discretionary profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are 50% vested after one year of service and 100% after two years of service.

Investment Options: Upon enrollment in the Plan, a participant may direct employee contributions in any of the diversified investment options chosen by the Plan administrator. The investment options are listed in the financial statements.

Notes Receivable from Participants: Eligible participants are allowed to apply for loans against a portion of their vested interest in the Plan. Loans are limited to the lesser of \$50,000 or 50% of the participant's vested balance. Interest is charged to the participant's outstanding loan balance at the prime rate.

In accordance with the CARES Act, the Plan permitted qualifying participants to delay loan payments that were due between March 27, 2020 and December 31, 2020 and allow for participants to borrow up to the lesser of \$100,000 or 100% of their vested account balance between March 27, 2020 and September 23, 2020.

Payment of Benefits: Distributions for reasons other than death will be paid in a lump-sum amount equal to the participant's vested interest in their account. Distributions on account of death of the participant may be paid in the form of annuity over the life expectancy of the spouse, if so elected. In addition, hardship withdrawals are permitted if certain criteria are met that relate to an immediate and heavy financial need.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note A: PLAN DESCRIPTION – CONTINUED

In accordance with the CARES Act, the Plan permitted plan participants to request penalty-free distributions up to \$100,000 for qualifying Coronavirus related reasons. These reasons included adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced or being unable to work due to lack of childcare due to COVID-19.

Participant Investment Rollovers: Participants are allowed to transfer or rollover funds into the Plan from other qualified plans.

Plan Termination: The Company expects to continue the Plan indefinitely, but reserves the right to amend or terminate the Plan at any time. In the event of a partial or complete termination of the Plan, each participant's account becomes fully vested.

Forfeited Accounts: Forfeitures of terminated participants' nonvested accounts are all noted annually and can be used to restore previously forfeited balances, reduce Company contributions, reallocate as an additional Company contribution or pay Plan expenses. At December 31, 2021, the forfeiture balance totaled \$1,814.

Note B: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net Change in Fair Value of Investments: The Plan presents in the *statement of changes in net assets available for Plan benefits*, the net change in the fair value of the investments, which consists of the realized gains or losses and the net unrealized increase (decrease) on those investments.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note B: SUMMARY OF ACCOUNTING POLICIES – CONTINUED

New Accounting Pronouncements: The Plan has considered all new accounting pronouncements issued by the Financial Accounting Standards Board or other standard setting bodies that do not require adoption until a future date and concluded that such pronouncements are not expected to have a material impact on the Plan's financial statements.

Payment of Benefits: Benefits are recorded when paid.

Expenses of the Plan: Certain expenses of maintaining the Plan are paid directly from the Company and are excluded from these financial statements. Fees related to distributions, loans and contract administration fees are charged directly to the participant's account and are included in the administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value, except for the group annuity contract disclosed in Note E. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies and the common/collective trust are valued using methodology described in Note D.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note B: SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Investment Valuation and Income Recognition – continued

Purchases and sales of shares of mutual funds are recorded on the trade-date basis. The net appreciation (depreciation) in fair value of investment securities consists of the net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale of investments. The net change in unrealized appreciation (depreciation) and realized gains (losses) upon sale are determined using the fair values as of the beginning of the year or the purchase price, if acquired since that date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Risk and Uncertainties: The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

Reclassification: Certain amounts in the Plan year 2020 financial statements have been reclassified to conform to the Plan year 2021 presentation, with no effect on the net assets available for Plan benefits.

Subsequent Events: The Company evaluated subsequent events through September 7, 2022 the date the financial statements were available to be issued.

All investments are participant-directed.

The investment income reported in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021 was certified by the trustees.

In addition, the notes receivable from participants in the *statements of net assets available for plan benefits* at December 31, 2021 and 2020 were certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC.

During the year ended December 31, 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,216,033. Dividend and interest income derived from the Plan's investments totaled \$1,227,307 for the year ended December 31, 2021.

Note D: FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are based on quoted prices in markets that are not considered to be active for which all significant inputs are observable, either directly or indirectly. Level 3 valuations require inputs that are both significant and unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Note D: FAIR VALUE MEASUREMENTS – CONTINUED

Level 1 Fair Value Measurements:

The fair value of mutual funds at December 31, 2021 and 2020 are based on quoted net asset values of the shares held by the Plan at year end.

Level 2 and 3 Fair Value Measurements:

At December 31, 2021 and 2020, there were no investments valued using these methodologies.

Common/Collective Trusts:

Included in the common/collective trust investments is an investment in a stable value common/collective trust fund that is comprised primarily of fully benefit-responsive investment contracts that is valued at the net asset value of the issuer of the common/collective trust. The net asset value is used as the practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. At December 31, 2021, contract value of the Stable Value Fund approximates fair value.

The tables below set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been included in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for Plan benefits.

In accordance with guidance regarding the fair value measurements and disclosures for investments in certain entities that calculate net asset value per share (or its equivalent), the category, fair value, redemption frequency, and redemption notice period for those assets whose fair value is estimated using the NAV per share as of December 31, 2021 and 2020, respectively, are disclosed.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

Note D: FAIR VALUE MEASUREMENTS – CONTINUED

(a) The fund's objective is to preserve principal and achieve high current income through a diversified portfolio of high-quality guaranteed investment contracts and similar contracts issued by insurance companies, banks and other financial institutions.

Note E: GROUP ANNUITY CONTRACT

The Plan had entered into a traditional fully benefit-responsive group annuity contract, called Key Guaranteed Portfolio Fund, with Great-West Life & Annuity Insurance Company totaling \$77,752 for 2020. The insurance company maintained the contributions in a general account, which was credited with earnings and charged for participant withdrawals and administrative expenses.

The group annuity contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed by the Plan. The crediting rate was based on a formula established by the group annuity contract issuer and was reviewed on a quarterly basis for resetting. The average interest rate credited to participant accounts 2020 was 1.04%. The contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract met the fully benefit-responsive investment contract criteria and, therefore, was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note E: GROUP ANNUITY CONTRACT- CONTINUED

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events included Plan termination and certain other sponsor-initiated events. No events were probable of occurring that limited the ability of the Plan to transact at contract value with the contract issuers and that also would have limited the ability of the Plan to transact at contract value with the participants.

In addition, certain events allowed the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events included if the issuer or the Plan declared a contribution cessation date upon written request to the other. The contribution cessation date would be specified in the request and had to be at least 90 days from the date of the request. If a contribution cessation date was not specified in the request, the contribution cessation date was the next business day on or after the 90th day after the date of the request was received by the Plan. After a contribution cessation date was declared: (a) no further contributions could be made to the group annuity contract and (b) no new participant annuity accounts could be established. The participants' annuity account value was to be maintained until the payment commencement date. During 2021, The Plan terminated the contract.

Note F: ADMINISTRATIVE EXPENSES

Administrative expenses for the year ended December 31, 2021 is comprised of investment advisor fees, contract administration fees and recordkeeping fees. These expenses were incurred in connection with the administration of the Plan.

Note G: PARTY-IN-INTEREST TRANSACTIONS

The Plan sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. In addition, the Plan sponsor pays certain expenses in administering the Plan.

Several members of the board of trustees are currently participants in the Plan and an officer of the Company serves as the trustee and Plan administrator of this Plan.

ENVIRONMENTAL HEALTH & ENGINEERING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2021 AND 2020

Note G: PARTY-IN-INTEREST TRANSACTIONS - CONTINUED

Certain Plan investments are group annuity contracts and mutual funds with Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, trustees of the Plan; therefore, transactions involving these investments qualify as party-in-interest transactions.

Note H: INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The trustee is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by various regulatory authorities; however, there are currently no audits for any tax periods in progress.

Note I: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

On the Form 5500, other income of \$47,758 consist of Investment advisor fees of \$29,958 and plan expense adjustment adjustments of \$17,800. Also, on the form 5500, other administrative expenses of \$88,948 is comprised of investment advisor fees of \$29,958 and Plan audit and other fees of \$58,990.

In the financial statements, the investment advisor fees and the reimbursement of those fees have been shown net, so that the other income of \$21,367 represents the Plan expense adjustment and administrative expense of \$62,557 represents Plan audit fees, recordkeeping fees and investment advisory fees.
