INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
AIM 401(k) Smart Plan

Scope and Nature of the ERISA Section 104(a)(3)(c) Audit

We have performed an audit of the accompanying financial statements of AIM 401(k) Smart Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) [ERISA Section 103(a)(3)(c) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of AIM 401(k) Smart Plan's 2021 financial statements performed in accordance with ERISA Section 103(s)(3)(c) pursuant to 26 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the 2021 financial statements , other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of AIM 401(k) Smart Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AIM 401(k) Smart Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2021 financial statements, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AIM 401(k) Smart Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AIM 401(k) Smart Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at the end of the year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of AIM 401(k) Smart Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of the AIM 401(k) Smart Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a single-employer, defined contribution plan under section 401(k) of the Internal Revenue Code, established in 2011. The Plan is sponsored by American Internet Mortgage, Inc. (the “Company”). For participant contributions and employer matching contributions employees are eligible to participate and enroll in the Plan if they are at least 18 years of age and have completed six consecutive full months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2020, the Plan enacted several provisions from the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), specifically allowing CARES Act distributions and loan deferments throughout the remainder of 2020. The CARES Act allows eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permits increasing the limit for plan loans, permits suspension of loan payments for up to one year, and permits individuals to stop receiving 2020 required minimum distributions.

CONTRIBUTIONS

Contributions to the plan are made as follows:

- 1) Participants may contribute up to 100% of their eligible compensation to the Plan, up to the Internal Revenue Service annual maximum limit of \$19,500 (\$25,500 for participants age 50 or older) for 2021 and 2020. These contributions may be in the form of pre-tax 401(k) deferrals or after tax Roth 401(k) elective deferrals. Participants may rollover or transfer amounts from other plans.
- 2) The Company makes safe harbor matching contributions equal to 100% of the deferral contributions up to 6% of the participant’s total compensation, determined each payroll period.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions and an allocation of the Company’s profit sharing contribution (subject to vesting), if any, and the Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

INVESTMENT OPTIONS

Upon enrollment into the Plan, participants may direct their participant accounts to any or all of the investment options offered by the Plan. Subsequently, participants may change their allocations and

NOTES TO THE FINANCIAL STATEMENTS

Page 9

transfer account balances among the investment options offered by the Plan. All earnings and losses on the directed investments are credited directly to the participants' accounts.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the Company's matching contribution portion as received. A participant becomes fully vested in the event of death, disability or upon reaching normal retirement (age 65).

PAYMENT OF BENEFITS

The current value of a participant's account(s) may be withdrawn to provide benefits in accordance with the terms of the Plan document. The withdrawal may be taken as a lump-sum payment or an alternate form of payment, if permitted under the Plan, at the time of distribution.

For purposes of determining whether or not a withdrawal is being used to provide benefits in accordance with the Plan document, the term "benefits" is limited to amounts becoming payable to the participant due to:

- (A) Termination of employment
- (B) Retirement
- (C) Disability
- (D) Death
- (E) In service distributions after 59.5 years of age

As defined in the Plan document.

Withdrawals for reasons other than those listed above are allowed but may be subject to certain charges and adjustments.

In the event of a mandatory distribution greater than \$1,000, but no more than \$5,000, in accordance with the payment provisions of the Plan, if the participant does not elect to have such distributions paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly under any form of payment allowed under the Plan, then the distribution will be paid in a direct rollover to an individual retirement plan designated by the plan administrator. Mandatory distributions of \$1,000 or less will be paid in cash as directed by the plan administrator, unless the participant elects a direct rollover or elects to receive the distribution under another form permitted by the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Plan loans to participants who have an account under the Plan are available. The loans are secured by the participant's vested account balance in the Plan and may not exceed 50% of the vested account balance or \$50,000, whichever is less. The smallest amount available for withdrawal is \$1,000.

Participant loans bear interest at the prime lending rate for general purpose loans and prime plus 2% for principal residence loans. No more than two loans may be outstanding at any time, including no more

than one general purpose loan and one principal residence loan. Principal and interest on loans are paid regularly through payroll deductions. Outstanding loans become due and payable upon a participant's termination of employment with the Company.

FORFEITED ACCOUNTS

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0. In the event that nonvested accounts are forfeited, such accounts are used to reduce future employer contributions or administrative fees paid by the employer. During 2021 and 2020, \$0 and \$9,447, respectively, of forfeitures was used to pay administrative fees. During 2021 and 2020, \$0 of forfeitures was used to pay employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of estimates - The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value measurement - The Plan follows accounting standards consistent with the Financial Accounting Standards Board (FASB) codification which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements for all financial assets and liabilities.

Investment valuation and income recognition - Investments are maintained in mutual funds and a money market account and are stated at fair value as certified by the institution that holds the Plan's assets an investment manager and are under the custody of the Plan's trustee. Quoted market prices are used to value investments at fair value. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest accrues according to the loan agreements throughout the term of the loans. Related fees are recorded as administrative expenses, charged to participant accounts and expensed when paid.

Benefits - Benefits are recorded when paid.

Income taxes - The Plan is tax exempt under the Internal Revenue Code Section 401(A) and consequently pays not income tax.

The Company has adopted a prototype plan that relies upon the prototype plan's opinion letter from the Internal Revenue Service, dated March 2010, which stated that the Plan and related trust are in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel

Page 11

believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan follows accounting standards for uncertainty in income taxes recognized in the Plan's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. As of December 31, 2021 and 2020, the Plan has not accrued interest or penalties related to uncertain tax positions. The Plan files a tax return in the U.S. Federal jurisdiction.

NOTE 3 PLAN ADMINISTRATIVE FEES

Substantially all of the administrative expenses of the Plan are paid by the Company. These expenses include, but are not limited to, custodian, trustee, legal and accounting expenses. Participants are responsible for all loan-related and distribution-related expenses. Asset-based fees (e.g., management fees and other operating expenses) are used to cover the expenses related to running an investment fund, and are generally deducted directly from a participant's investment returns. Amounts totaling \$28,988 and \$17,572 were paid directly by the Plan for benefits paid to participants and participant loan fees for the years ended December 31, 2021 and 2020, respectively.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time with respect to all participants by the adoption of an appropriate resolution by its owners. In the event of a complete termination of the Plan, the rights of all participants in their account balances accrued to the date of the termination are fully vested and not subject to forfeiture.

NOTE 5 INFORMATION PERPARED AND CERTIFIED BY PLAN TRUSTEE

The Company has obtained certification from LT Trust Company ("LT") that all of the information provided to the Company by LT is complete and accurate for the years ended December 31, 2021 and 2020. The LT certifications apply to substantially all of the Plan's investment assets, transactions and supplemental schedules. LT reports such information primarily on the cash basis while the accompanying financial statements and supplemental schedules are presented on the accrual basis. Therefore, certain amounts reflected in the financial statements and supplemental schedules may differ from the information certified by LT.

The December 31, 2021 and 2020 statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the accompanying notes to the financial statements were prepared in part of entirely from information certified by LT in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 6 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to level 1 inputs.

Level 2: Observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to level 3 inputs.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Page 13

The fair value of the mutual funds are based on the closing price reported in the active market, where the individual securities are traded, when available and are classified as level 1 investments.

The Plan uses appropriate valuation techniques based on the available inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when level 1 or level 2 inputs are not available.

Financial assets carried at fair value at December 31, 2021 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets:				
Mutual funds	<u>\$ 7,752,612</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,752,612</u>

Financial assets carried at fair value at December 31, 2020 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 8 RELATED PARTIES

Administrative fees incurred by the Plan to LT Trust Company totaled \$28,988 and \$17,572 for the years ended December 31, 2021 and 2020, respectively. The Company provides administrative services to the Plan at no cost to the Plan. Substantially all of the Plan's operating expenses are paid by the Company. These transactions qualify as party-in-interest transactions and are covered by an exemption from the prohibited transaction provisions of ERISA and the IRC.
