INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
of Crown Crafts, Inc. 401K Retirement Savings Plan
Gonzales, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **CROWN CRAFTS, INC. 401K RETIREMENT SAVINGS PLAN** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this responsibility includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the certified investment information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statement

We were engaged to audit the statement of net assets available for benefits for the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 9, 2021 indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CROWN CRAFTS, INC. 401K RETIREMENT SAVINGS PLAN

Gonzales, Louisiana

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Crown Crafts, Inc. 401K Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement savings plan with a cash or deferred arrangement covering substantially all employees of Crown Crafts, Inc. and subsidiaries (the Sponsor and Administrator) who have at least two months of service and are age eighteen years or older.

The Plan was established effective January 1, 1996 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2016, the Plan adopted safe harbor provisions that provide for a qualified automatic enrollment arrangement (QACA) which mandates automatic employee deferrals following two months of service equal to 6% of compensation (unless the employee elects otherwise) and a match equal to 100% of the first 2% and 50% of the next 3%. Additionally, vesting provisions converted from a five-year graded schedule to a two-year cliff. As a result, the discretionary match is no longer applicable, and the Plan is no longer subject to testing for the actual deferral percentage and the average contribution percentage.

Contributions

Each year, employees may elect to contribute a portion of their eligible compensation, as defined in the Plan, subject to maximum amounts and percentages as prescribed in the Internal Revenue Code (the Code). Employees may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees that have made contributions to the Plan are then considered participants of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan, which are described in Note 5.

During 2021, the Sponsor made its mandated safe harbor QACA match of 100% for the first 2% and 50% of the next 3%, of compensation. Matching contributions are limited to the maximum amount deductible under the applicable provisions of the Code.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's contribution, the Sponsor's matching contribution, and earnings thereon. Each participant has a fully vested, nonforfeitable right to all amounts credited to the portion of their account related to their elective contributions. Each participant's right to amounts credited to the portion of their account related to Sponsor matching contributions fully vest following two years of service. The benefit to which a participant is entitled is the benefit that can be provided from the vested portions of a participant's account.

Notes receivable from participants (participant loans)

Participants may borrow from the vested portion of their accounts. Participant loans are subject to a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as transfer to (from) the investment funds from (to) participant loans. Loan terms range up to 5 years, are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined by the Administrator (4.25% and 6.50% at December 31, 2021 and 2020, respectively). Principal and interest payments are made through payroll deductions.

Vesting

Participants are immediately vested in their contributions as well as earnings thereon. Vesting in the Sponsor's matching contribution portion of their account plus earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	0%
2	100%

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted for participants who have attained 59½ years of age and are 100 percent vested or prove hardship under specific circumstances.

Forfeitures

When the vested portion of the account of a participant that has separated from service prior to full vesting is distributed, the un-vested portion of the account is forfeited. These forfeitures are used to reduce Sponsor matching contributions. During 2021, forfeited amounts were used to reduce Sponsor matching contributions by \$4,639.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Hardship withdrawals

Participants may withdraw all or a portion of their account related to their elective contributions in the event of hardship as defined in the Plan agreement. Sponsor matching contributions are not allowed to be withdrawn in the event of hardship.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual method in accordance with accounting principles generally accepted in the United States (GAAP). The assets of the Plan are held by Transamerica Retirement Solutions (Transamerica) as of December 31, 2021 and 2020, and are participant directed.

As described in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962, *Plan Accounting – Defined Contribution Pension Plan*, investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Stable Value Core Account with Transamerica is considered fully benefit-responsive but is not a Guaranteed Interest Contract (GIC) as there is no stated minimum or maximum interest rate. Because the Stable Value Account is a depository liability with no formal underlying maturities, it is considered fairly valued at contract value and is presented as a level 2 investment within the fair value hierarchy.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are presented in the Statements of Net Assets Available for Benefits in accordance with FASB ASC 820, *Fair Value Measurements*, which establishes a framework for measuring fair value by providing a hierarchy of three levels that prioritizes the sourcing of pricing information (inputs) to valuation techniques used to measure fair value. The three levels of inputs are described as follows:

Level 1 – Inputs from unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Level 2 – Inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable and significant to the fair value measurement.

General and pooled accounts consist of mutual funds that are valued at the quoted net asset value of such investments held by the Plan at year end. Additionally, the Plan provides for investments in the Transamerica Stable Value Core Account (Stable Value Account). The fair value of the Stable Value Account is equal to the contract value because the Stable Value Account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan, as described in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis; dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in the fair value of investments

The Statement of Changes in Net Assets Available for Benefits present the net depreciation and/or appreciation in the fair value of the Plan's investments, which consists of realized gains and losses, and the unrealized appreciation and depreciation on those investments.

Notes receivable from participants (participant loans)

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits

Benefits are recorded when paid.

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain expenses incurred for maintaining the Plan such as audit fees are paid directly by the Company and are excluded from these financial statements. Fees related to distributions and loans are charged directly to the participant's account and are included in administrative expenses. Certain investment-related and recordkeeping expenses charged to participants are reflected as expenses and fees as opposed to the previous presentation as a component of the net appreciation (depreciation) in fair value of investments. See Note 7.

Subsequent events

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 5, 2022, which was the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator has elected that information certified by Transamerica Financial Life Insurance Company, the recordkeeper of the Plan acting as agent for Reliance Trust Company, the trustee, not be subjected to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedule.

Accordingly, the following data included in the accompanying financial statements and supplemental schedule has been certified as complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	<u>2021</u>	<u>2020</u>
Pooled separate accounts	\$ 15,483,453	\$ 13,734,576
Stable value funds	<u>1,108,034</u>	<u>739,302</u>
Net appreciation in fair value of investments	1,998,909	
Interest earned on notes receivable from participants	8,676	

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds an investment contract in the Stable Value Account of Transamerica, who maintains the contributions in pooled accounts and Transamerica's general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses by Transamerica.

Because the Stable Value Account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to each contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Because the Stable Value Account is a depository liability with no formal underlying maturities, it is considered fairly valued at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Stable Value Account is presented at fair value, which is equal to contract value, in the accompanying statement of net assets available for benefits.

The crediting interest rate of the Stable Value Account is based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the previous six-month period. There is no stated minimum or maximum interest rate for the Stable Value Account.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include amendments to the plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the plan Sponsor or other plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 - FAIR VALUE MEASURES

As of December 31, 2021, and 2020, the fair value hierarchy of the Plan's investments was as follows:

	December 31, 2021		
	Level 1	Level 2	Total
Pooled separate accounts	\$ 9,806,923	\$ 5,676,530	\$ 15,483,453
Stable Value Account	-	1,108,034	1,108,034
Total investments at fair value	<u>\$ 9,806,923</u>	<u>\$ 6,784,564</u>	<u>\$ 16,591,487</u>

(continued)

NOTE 5 - FAIR VALUE MEASURES (CONTINUED)

	December 31, 2020		
	Level 1	Level 2	Total
Pooled separate accounts	\$ 3,979,071	\$ 9,755,505	\$ 13,734,576
Stable Value Account	-	739,302	739,302
Total investments at fair value	<u>\$ 3,979,071</u>	<u>\$ 10,494,807</u>	<u>\$ 14,473,878</u>

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, each participant will become fully vested in their account.

NOTE 7 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Sponsor pays most of the administrative expenses incurred by the Plan, including the costs to audit the Plan. In 2021 the sponsor passed administrative expenses to plan participants in the amount of \$100,269.

Plan investments include shares of mutual funds managed by Transamerica, who is the custodian of assets of the Plan's trust as of December 31, 2021 and 2020, and, therefore, these transactions qualify as party-in-interest transactions.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE 8 - TAX STATUS

The plan document is a "prototype" plan and trust sponsored by the Sponsor's third-party administrator, and the Sponsor is relying on an Internal Revenue Service (IRS) determination letter, dated September 30, 2014, stating that the form of the Plan is a tax-exempt qualified plan, as defined by Section 401 of the Code. The Sponsor believes that the Plan is designed and operated in compliance with applicable Code sections and, therefore, maintains its tax-exempt status. The Plan's open audit periods are 2018 through 2021.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan's investments consist of a combination of investment securities which are subject to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of notes receivable from participants per the financial statements to the Form 5500 as of December 31, 2021:
