Mrs. Laura Parvin
E.W. Grobbel Sons, Inc.
401(k) Profit Sharing Plan
2500 Orleans
Detroit, MI 48207

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

An internal control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Mrs. Laura Parvin
E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan

Page 2

A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis. We believe the following deficiency constitutes a material weakness under auditing standards generally accepted in the United States of America:

As is common in many plans, the Plan has chosen to not utilize personnel with the qualifications and training needed to prepare its financial statements, complete with notes, in accordance with accounting principles generally accepted in the United States of America. Accordingly, the Plan is unable to, and has not established internal controls over the financial reporting process.

In addition to the foregoing information, professional standards require that we provide you with the following information related to our audit.

We have audited the financial statements of E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan, and employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended 2021, and we will issue our report thereon dated OPEN. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 14, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter of May 6, 2022.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. No new accounting policies were used by E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part in the financial statements, and are based on your knowledge and experience about past and future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statement and because of the possibility that future events affecting them may differ from those expected. Certain financial statement disclosures are particularly sensitive to financial statements users. The most sensitive disclosure affecting the financial statements was the disclosure about the Plan's measurements relating to fair value of investments in Notes B and C to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and Plan's financial statement. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management and in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are pleased to report that no material misstatements arose during the course of our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 14, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. There were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule of Assets Held for Investment Purposes, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE A - Description of the Plan

The E.W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan (the Plan) was formed January 1, 1995 and is a defined contribution profit sharing and 401(k) plan covering employees of E.W. Grobbel Sons, Inc. The Plan assets, together with the income thereon, are administered by the Plan administrator, E.W. Grobbel Sons, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Summarized below are certain Plan provisions:

Eligibility

Essentially all full-time employees not subject to a collective bargaining agreement who have reached age 21 and have completed one year of eligibility service are eligible to participate.

Contributions

Employee Elective Deferrals - Participants who have met the eligibility requirements of the Plan may elect to defer their annual compensation up to the maximum amount allowed under the law. Federal law requires that amounts contributed on the participant's behalf for a given year may not exceed the lesser of \$58,000 or one hundred per cent of the participant's annual compensation. Federal law further limits the annual total compensation which may be deferred from salary during 2021 to \$19,500 for participants under the age of 50 and \$26,000 for participants age 50 and above. Under the Plan, elective deferrals may not exceed eighty-six per cent of participant's compensation.

Employer's Non-Elective Contributions - The Plan Sponsor may make a non-elective contribution under provisions of the Plan for eligible employees. The employer did not make a non-elective contribution for the year ended December 31, 2021.

Employer's Safe Harbor Contributions - The Plan Sponsor will make a safe harbor match contribution equal to one hundred per cent of salary deferrals up to the first three per cent of Plan compensation plus fifty per cent of salary deferrals up to the next two per cent of Plan compensation. The contribution for the year ended December 31, 2021, amounted to \$331,355.

NOTES TO FINANCIAL STATEMENTS
(continued)
December 31, 2021 and 2020

NOTE A - Description of the Plan (continued)

Investments

The Plan is entirely participant directed. All contributions made on the participant's behalf are invested in one of several registered investment companies or one of several common/collective trust accounts held by trustee Reliance Trust Company, at the participant's direction. Registered investment companies or common/collective trust account options are selected by the Trustee. Participants may change investment allocations daily.

Vesting

Employee elective contributions and employee rollover contributions are immediately fully vested.

Employer non-elective contributions are immediately fully vested.

Employer safe harbor match contributions are immediately fully vested.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's contributions, Plan earnings (losses), allocated administrative expenses and forfeitures. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that may be provided from the participant's account.

Upon termination of employment, a participant or the participant's designated beneficiary may receive a lump sum payment or an annuity payment equal to the value of his or her account after applying the appropriate vesting percentage.

Forfeitures

The allocation of forfeitures, if any, is based on the same criteria used to allocate employer non-elective contributions. Forfeitures held by the Plan as of December 31, 2021 and 2020 were \$621 and \$617, respectively. No forfeitures were reallocated during the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS
(continued)
December 31, 2021 and 2020

NOTE A - Description of the Plan (continued)

Termination and Amendment of the Plan

Although it has not expressed any intent to do so, the Plan may be terminated or amended at the discretion of the Plan Sponsor. In the event of termination, any unvested participants' accounts would become 100% vested. The Plan was amended and restated March 1, 2015, effective March 1, 2015. The amendment and restatement had no significant effect on benefits or net assets available for benefits.

Administrative Fees

Certain administrative costs of the Plan and the Plan audit fee are paid by the Plan Sponsor at the Plan Sponsor's discretion. Certain account fees are charged to the individual participant's accounts as incurred.

NOTE B - Summary of Significant Accounting Policies

Basis of Accounting

The Plan is managed in accordance with the E. W. Grobbel Sons, Inc. 401(k) Profit Sharing Plan dated January 1, 1995, as amended. The accounting records are maintained on the accrual basis.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustee, Reliance Trust Company, establishes values for Plan assets in common/collective trust accounts and utilizes quoted market prices for registered investment companies shares. See Note C for discussion of fair value measurements.

The accounts increase or decrease with actual earnings or losses and decrease from Plan withdrawals or administrative expenses.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)
December 31, 2021 and 2020

NOTE B - Summary of Significant Accounting Policies (continued)

Tax Status

The Plan has adopted a prototype plan. The prototype plan has received a determination from the Internal Revenue Service that the prototype plan as designed met the requirements of certain portions of the Internal Revenue Code. Accordingly, no provision for income taxes has been made at December 31, 2021.

Payment of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

NOTE C - Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE C - Fair Value Measurements (continued)

Level 1 Fair Value Measurements

The fair value of registered investment companies (mutual funds) is based on quoted net asset values of the shares as reported by the fund. The registered investment companies held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at the price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

	<u>Assets at fair value as of December 31, 2021</u>	
	<u>Level 1</u>	<u>Total</u>
Registered investment companies	<u>\$6,003,962</u>	<u>\$6,003,962</u>
Total assets in the fair value hierarchy	6,003,962	6,003,962
Investments measured at net asset value		<u>893,221</u>

NOTE C - Fair Value Measurements (continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation or depreciation in fair value investments.

The Plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

<u>December 31, 2021</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Common/Collective Trust Accounts	\$211,379	N/A	Daily	1 day
Common/Collective Trust Account - Stable Value Fund	<u>681,842</u>	N/A	Daily	1 day
Total	<u>\$893,221</u>			
<u>December 31, 2020</u>	<u>Fair value</u>	<u>Unfunded commitments</u>	<u>Redemption frequency (if currently eligible)</u>	<u>Redemption notice period</u>
Common/Collective Trust Accounts	\$137,241	N/A	Daily	1 day
Common/Collective Trust Account - Stable Value Fund	<u>630,398</u>	N/A	Daily	1 day

NOTE C - Fair Value Measurements (continued)

1. Common/collective trust accounts (CCT) invest in a variety of mutual funds. The fair value of the common/collective trust is not publicly quoted pricing units. The fair value of mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the net asset value (NAV) of the CCT, which is not publicly quoted. ASC 820 allows NAV per share to serve as a practical expedient to estimate the fair value of a CCT.
2. The stable value common/collective trust net asset value (NAV) is based upon the contract value as the fund is primarily composed of fully benefit-responsive investment contracts. This is because contract value is the amount the participant would receive if they were to initiate permitted transactions under the terms of the underlying Plan. ASC 820 allows NAV per share to serve as a practical expedient to estimate fair value of this common/collective trust.

NOTE D - Risks and Uncertainties

The Plan invests in various registered investment companies and common/collective trust accounts with underlying investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE E - Subsequent Events

Management has evaluated subsequent events through September 14, 2022, the date which the financial statements were available for issue. Management has determined that no material subsequent events are required to be disclosed.

NOTE F - Tax Status

The Internal Revenue Service has determined the Prototype Plan document and related trust utilized by the Plan are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations prior to 2018.

NOTE G - Information Certified by Trustee

The trustee of the Plan, Reliance Trust Company, holds the Plan's investment assets and executes all investment transactions. The related financial information included in the accompanying financial statements and supplemental schedules have been certified by the trustee as complete and accurate.

NOTE H - Related Party and Party-In-Interest Transactions

All Plan investments held in registered investment companies and common/collective trusts have indirect compensation paid to them on a formula basis as disclosed on Form 5500 Schedule C for 2021 and 2020. These transactions qualify as party-in-interest transactions.

ADP Retirement Services, third party administrator, is a record keeper for the Plan and qualifies as a party-in-interest. Direct compensation paid as disclosed on Form 5500, Schedule C for 2021 and 2020 were \$1,815 and \$2,030, respectively.

The Plan sponsor pays the Plan audit fees, as necessary. This qualifies as a party-in-interest transaction. The amounts paid for the fees during the years ended December 31, 2021 and 2020 were \$13,500 and \$13,500, respectively.

These party-in-interest transactions are exempt from prohibited transaction rules of ERISA.
