INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Melink Corporation 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Melink Corporation 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Melink Corporation 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Melink Corporation 401(k) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Melink Corporation 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Melink Corporation 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The

information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Melink Corporation 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MELINK CORPORATION 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of plan

The following brief description of the Melink Corporation 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established to provide voluntary retirement benefits and tax deferred savings opportunities to eligible employees of Melink Corporation (the “Company”). All current employees are eligible to participate in the Plan. Eligible employees may begin participating in the Plan when they are at least 21 years of age and have completed one month of eligible service with the Company.

Contributions

The Plan provides the opportunity for participants to elect to have up to 100% of their pre-tax or after-tax annual compensation contributed to the Plan under guidelines provided by the Internal Revenue Service regulations. In addition, employees may make rollover deposits to the Plan from other qualified plans or certain individual retirement accounts. Eligible employees who are at least 21 years of age are automatically enrolled to participate in the Plan immediately after becoming eligible to participate. The default contribution rate is 3% of eligible pre-tax compensation; however, employees may elect to voluntarily contribute any dollar amount or percentage of their eligible compensation subject to the limitations imposed by the IRC.

The Company may make discretionary matching and profit sharing contributions to each eligible participant’s account. For the years ended December 31, 2021 and 2020, the Company did not elect to make any matching or profit sharing contributions.

Participant accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contributions, Plan earnings and expenses. Allocations are based on the provisions of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes receivable from participants

Participants may borrow a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account. The loan interest rate, determined quarterly, is set at the prime rate plus 1%, as defined. Principal and interest is paid ratably through payroll deductions.

In March and April 2020, the plan was modified in response to provisions in the U.S. Coronavirus Aid, Relief, and Economic Security (CARES) Act. Effective April 21, 2020 and through December 31, 2020, participants who meet certain requirements related to coronavirus disease 2019 (COVID-19) may request a loan up to the lesser of \$100,000 or 100% of the participant’s vested balance, however, the \$100,000 maximum must be reduced by the difference between the highest balance of all loans a participant had outstanding during the 12-month period prior to the date the new loan is made. The CARES Act also allows participants who meet certain requirements related to COVID-19 may delay repayments on outstanding loans until January 1, 2021, at which time their loans will be adjusted to reflect the accrued interest during the deferment period and amortized over the remaining term of the loan plus the length of the deferment period.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of plan (continued)

Payment of benefits

Upon death, disability, retirement or termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in accordance with Plan provisions.

Participants who met certain requirements related to COVID-19 were able to take a distribution up to \$100,000 in the aggregate from all plans maintained by the Employer through December 31, 2020. These distributions were exempt from the ten percent excise tax generally imposed by the Internal Revenue Service were subject to federal income tax over an extended three-year period and may be repaid to an eligible retirement plan within three years.

Required minimum distributions from participants' accounts were waived for 2020, including those resulting from the attainment of age 70½ in 2019. Beginning in 2021, participants reaching age 72 will generally have required minimum distributions, in accordance with the IRC.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The vesting schedule for Company contributions and actual earnings thereon is based on years of credited service. The vesting schedule is as follows:

<u>Years of Credited Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	0%
2 but less than 3	50%
3 or more	100%

The Plan provides for 100% vesting of Company discretionary matching and profit sharing contributions and earnings thereon upon death, disability, or attainment of retirement age of 65.

Forfeited accounts

Forfeitures are retained in the Plan and will be used to reduce future employer contributions payable or to pay administrative expenses of the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$8,497 and \$8,381, respectively. For the years ended December 31, 2021 and 2020, there were no significant forfeitures used to pay administrative expenses of the Plan or to reduce Employer contributions.

Plan expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Basis of accounting

The accompanying financial statements and supplemental schedule have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

2. Summary of significant accounting policies

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Gains or losses on sales of securities are based on average cost. Interest income is recorded on the accrual basis. Dividend income includes capital gains and is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent events

Subsequent events have been evaluated through October 6, 2022, which is the date the financial statements were available to be issued and there are no subsequent events requiring disclosure.

3. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a. Quoted prices for similar assets or liabilities in active markets
- b. Quoted prices for identical or similar assets or liabilities in inactive markets
- c. Inputs other than quoted prices that are observable for the asset or liability

MELINK CORPORATION 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

3. Fair value measurements (continued)

- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust: Valued at the NAV of the units held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The investment objective of the underlying investments is to simulate the performance of a guaranteed investment contract through the guarantee of a specific interest rate and a portfolio of financial instruments. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Company's assets and liabilities that are measured and recognized at fair value on a recurring basis classified under the appropriate level of the fair value hierarchy as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,159,511	\$ -	\$ -	\$ 5,159,511
Investments measured at net asset value ⁽¹⁾				156,337
Total investments at fair value				\$ 5,315,848

3. Fair value measurements (continued)

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,668,200	\$ -	\$ -	\$ 4,668,200
Investments measured at net asset value ⁽¹⁾				155,472
Total investments at fair value				\$ 4,823,672

(1) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments measured using the net asset value per share practical expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable value collective trust fund	\$ 156,337	n/a	Daily	12 months

4. Information certified by the Plan's Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. All investment and notes receivable from participants information disclosed in the accompanying financial statements and schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation (depreciation) in fair value of investments, interest and dividends and interest income on notes receivables from participants for the years ended December 31, 2021 and 2020, were obtained or derived from information supplied

MELINK CORPORATION 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

4. Information certified by the Plan's Trustee (continued)

to the Plan administrator and certified as complete and accurate by Reliance Trust Company ("Reliance"), the trustee, as of and for the years ended December 31, 2021 and 2020. As elected by the Plan administrator, no auditing procedures have been performed on this information except to compare such information to the information included in the accompanying financial statements.

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Tax status

The Plan uses a prototype non-standardized pre-approved profit sharing/money purchase/CODA plan which received an opinion letter from the IRS dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The plan administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan minimizes these risks.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

8. Party-in-interest

During the years ended December 31, 2021 and 2020, Reliance served as trustee of the Plan, as defined in the Plan document, and therefore, any fees paid by the Plan to Reliance qualify as party-in-interest transactions. ADP also served as the Plan's recordkeeper, and therefore, ADP is also a party-in-interest to the Plan. Aggregate fees paid by the Plan to parties-in interest during the year ended December 31, 2021 and 2020 were \$1,119 and \$1,295, respectively. Additionally, certain investment related fees incurred by the Plan have been included in net appreciation/depreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment.

9. COVID-19

The spread of COVID-19 has caused significant volatility in U.S. markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19, as well as its impact on the U.S. economy. The extent of the impact of COVID-19 on the Plan's financial performance is uncertain and cannot be determined at this time.
