INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Operation HOPE 401(k) Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Operation HOPE 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Operation HOPE 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Operation HOPE 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Operation HOPE 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Operation HOPE 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Operation HOPE 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental

schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Operation HOPE 401(k) Plan
Atlanta, Georgia

We were engaged to audit the accompanying financial statements of Operation HOPE 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, custodian of the Plan, except for comparing the such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

OPERATION HOPE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1: Description of the Plan

The following description of the Operation HOPE 401(k) Plan (“Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) plan covering substantially all employees including leased employees of Operation HOPE, Inc. (the “Employer”) who are at least 21 years of age and have completed three months of service. After completing one year of service, employees become eligible for the profit sharing contributions.

The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC). Additionally, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 90% of their pretax annual compensation, as defined in the Plan. Total participant contributions are subject to annual limits under the IRC. The maximum participant deferral limit was \$19,500 for the years ended December 31, 2021 and 2020, respectively. Catch-up contributions of \$6,500 were available to participants who had attained age 50 or older by December 31, 2021 and 2020, respectively, and had not exceeded the contribution limit for the Plan year. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Plan includes a match provision, whereby the Employer matches 50% on the elective deferrals up to 6% of such deferrals, excluding catch up contributions.

The Employer may make annual discretionary profit sharing contributions to the Plan, which are to be allocated to participants employed on the last day of the Plan year, on the basis of their relative compensation to the total compensation of all eligible participants. The Employer did not make any discretionary profit sharing contribution to the Plan for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, and earnings or losses resulting from the participant's investments, and is charged for specific participant transactions. Participants direct the investment of their accounts into the investment options offered by the Plan.

OPERATION HOPE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 1: Description of the Plan - continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's matching contributions and discretionary profit sharing contributions is based on years of continuous service. A participant is 20% vested after two years of service and continues to vest 20% per year thereafter. Participants are fully vested after six years of service. Notwithstanding the above, if a participant (1) attains the age of 65, (2) dies or (3) terminates employment by reason of permanent disability, the Employer discretionary profit sharing contributions, and match, amounts becomes 100% vested without regard to years of service.

Benefit Payments

Distributions of a participant's account can be made upon termination of service, death, disability or retirement. Distributions are made in either a lump-sum payment or in annual installments paid over a period not to exceed the participant's estimated life expectancy at the time of distribution. If a participant's vested account is greater than \$1,000 but less than \$5,000, and the participant does not elect to have the amount rolled over into another retirement account or to receive a distribution directly, such account will be rolled over to an Individual Retirement Account. An in-service distribution can also be made to participants who have attained the age of 59 ½, upon disability or when experiencing financial hardship.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Employer. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net investment gains of investments.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested balance. One loan may be outstanding at any time for each participant. The notes are secured by the vested balance in the participant's account and bear interest at prime plus one percent. Principal and interest are paid ratably through payroll deductions or participant's own personal funds over a term not to exceed 4.5 years or extend beyond the participant's normal retirement, except notes receivable used to purchase the participant's primary residence, which generally have a repayment term of up to 10 years.

Forfeitures

Forfeitures of terminated participants' unvested Employer contributions may be used to reduce future Employer contributions or administrative expenses. Forfeitures applied to reduce Company contributions during the year ended December 31, 2021 and 2020 were \$23,944 and \$8,650, respectively. Forfeitures available at December 31, 2021 and 2020 for future use were approximately \$10 and \$10, respectively.

OPERATION HOPE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 1: Description of the Plan - continued

CARES Act

Effective April 8, 2020, the Plan adopted the withdrawals and distributions and loan provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan’s participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Some Plan participants have received distributions under the amendment. The loan deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan payments due during the balance of 2020 to defer such repayments for up to one year.

NOTE 2: Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

Management of the Plan has made certain estimates and assumptions relating to the reporting of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities to prepare the financial statements in conformity with generally accepted accounting principles. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See NOTE 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net investment gains includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recognized when paid, generally monthly. Delinquent participant loans are recorded as distributions based upon the terms of the plans.

Benefit Payments

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through October 10, 2022, which is the date the financial statements were available to be issued.

OPERATION HOPE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 3: Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4: Information Certified by Custodian

The trustee has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company as of December 31, 2021 and 2020, except for comparing such information certified by Reliance Trust Company to information included in the Plan's financial statements and supplemental schedule of assets held for investment purposes.

Statement of net assets available for benefits:	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 3,026,586	\$ 2,011,521
Stable value fund	684,985	686,313
Statements of changes net assets available for benefits:		
Dividends and interest	\$ 128,145	\$ 61,141
Net investment gain	257,192	223,232

NOTE 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefit.

As of September 30, 2022, equity markets had declined from December 31, 2021 levels. For example, the S&P 500 Index had declined approximately 24%.

NOTE 6: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

• Changes in Net Assets Available for Benefits	<u>2021</u>	<u>2020</u>

Change in net assets, as reported in the accompanying financial statements	<u>\$ 1,041,622</u>	<u>\$ 619,662</u>

NOTE 7: Fair Value Measurement

The Plan has adopted the provisions of Accounting Standards Codifications 820 (“ASC 820”), Fair Value Measurements, for financial assets and liabilities. Under ASC 820, fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, ASC 820 establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels. These levels, in order of highest priority to lowest priority, are described as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Unobservable prices that are based on inputs not quoted on active markets, but corroborated by market data.

Level 3: Inputs are unobservable inputs for the asset that are supported by little or no market activity and that are significant to the fair value of the underlying asset.

Following is a description of the valuation methodologies used for assets measured at fair value:

OPERATION HOPE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS – Continued

NOTE 7: Fair Value Measurement - continued

Mutual funds: Mutual funds are registered investments with various investment managers. The fair value of these investments is determined by reference to the fund's underlying assets, which are principally marketable equities and fixed income securities. Shares held in mutual funds are valued at their net asset value.

The Plan's mutual funds measured at fair value on a recurring basis in accordance with ASC 820 as of December 31, 2021 and 2020, are deemed as Level 1.

Stable value fund: The stable value fund invests in fully benefit-responsive guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts, as well as synthetic GICs and other financial instruments. The stable value fund trades daily at the net asset value (NAV) which is based on the contract value of the underlying GICs and the fair values of other investments (Level 1).

The Plan's stable value fund is measured at fair value on a recurring basis in accordance with ASC 820 as of December 31, 2021 and 2020, are deemed as Level 1.

Investments are exposed to various risks, such as interest rate, currency, market, and credit risks.

NOTE 8: Income Tax Status

The Internal Revenue Service has determined, and communicated in the letter dated April 10, 2014, that the prototype non-standardized profit sharing plan, as adopted by the Employer, is acceptable under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The plan administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2021, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2018. However, the Plan could be open indefinitely to a Department of Labor ("DOL") audit.
