INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
MG Properties Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the accompanying financial statements of MG Properties Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of MG Properties Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of MG Properties Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MG Properties Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MG Properties Retirement Plans internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MG Properties Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of MG Properties Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of MG Properties Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

MG Properties Retirement Plan is a single-employer, defined contribution plan covering all employees of Gleiberman Properties Inc. dba MG Properties (the "Company") who have completed at least six months of service with a minimum of 500 hours of service and are at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan began on January 1, 1999 and was amended on October 14, 2011.

CONTRIBUTIONS

Contributions to the Plan are as follows:

- 1) Participants may contribute any amount of their gross wages to the Plan, up to the Internal Revenue Service annual maximum limit of \$19,500 (\$26,000 for participants age 50 or older) for 2021 and 2020. Participants may rollover or transfer from other plans. There is an automatic deferral option for all eligible participants set at 3% of gross wages.
- 2) The employer may make a uniform matching contribution equal to a discretionary percent, to be determined by the employer, of the participant's elective deferrals. For the years ended December 31, 2021 and 2020, the discretionary match is 50% of elective deferrals up to 4% of compensation (on a per payroll basis), not to exceed 2% of gross wages.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, and an allocation of the Company's contributions and the Plan earnings. Allocations are based on participant earnings, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Page 9

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Company's discretionary contributions and any related earnings or losses as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
1	0%
2	20%
3	40%
4	70%
5	100%

INVESTMENT OPTIONS

Upon enrollment into the Plan, participants may direct their participant accounts to any or all of the investment options offered by the Plan. Subsequently, participants may change their allocations and transfer account balances among the investment options offered by the Plan. All earnings and losses on the directed investments are credited directly to the participants' accounts.

PAYMENT OF BENEFITS

Vested benefits are payable in one lump-sum distribution of the entire account balance or in a single sum payment of a portion of the account balance.

For purposes of determining whether or not a withdrawal is being used to provide benefits in accordance with the Plan document, the term "benefits" is limited to amounts becoming payable to the participant due to:

- (A) termination of employment
- (B) retirement
- (C) disability
- (D) death
- (E) in-service distributions on attainment of age 59-1/2
- (F) hardship

As defined in the Plan document.

Withdrawals for reasons other than those listed above are allowed but may be subject to certain charges and adjustments.

In the event of a mandatory distribution greater than \$1,000, but no more than \$5,000, in accordance with the payment provisions of the Plan, if the participant does not elect to have such distributions paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly under any form of payment allowed under the Plan, then the distribution will be paid in a direct rollover to an individual retirement plan designated by the Plan administrator. Mandatory distributions of \$1,000 or less will be paid in cash as directed by the Plan administrator, unless the participant elects a direct rollover or elects to receive the distribution under another form permitted by the Plan.

Under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), effective March 27, 2020 to December 31, 2020, distribution provisions were temporarily adopted which include provisions to allow certain eligible plan participants to receive coronavirus-related distributions and suspending required minimum distributions.

NOTES RECEIVABLE FROM PARTICIPANTS

The participants may borrow money from the Plan provided it is adequately secured. They may use up to one-half of their vested account balance as security for the loan. All loans bear interest at a rate of 1% in excess of the prime lending rate. The amount of the loan may not exceed 50% of the vested account balance or \$50,000, whichever is less. The smallest amount available for withdrawal is \$1,000. Principal and interest on loans are paid regularly through payroll deductions. Outstanding loans become due and payable upon a participant's termination of employment with the Company.

Under the CARES Act, effective March 27, 2020 to December 31, 2020, participant loan provisions were temporarily adopted which include provisions to delaying participant loan repayments and increase the maximum amount of new participant loans.

FORFEITED ACCOUNTS

At December 31, 2021 and 2020, forfeited vested accounts totaled \$2,737 and \$605, respectively and are held in mutual funds and cash, respectively on the statements of net assets available for benefits. In the event that non-vested accounts are forfeited, such accounts are used to reduce current year employer contributions and administrative fees. Forfeitures reallocated towards administrative fees totaled \$0 and \$8,378, respectively, for the years ended December 31, 2021 and 2020. Forfeitures used to reduce employer contributions during 2021 and 2020 totaled \$89,246 and \$79,106, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared using the accrual method in conformity with generally accepted accounting principles (GAAP) in the United States of America.

Use of estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investments valuation and income recognition – Investments are stated at fair value as certified by the institution that holds the Plan's assets as an investment manager and are under the custody of the Plan's trustee. Pooled separate accounts, common/collective trusts, and mutual funds are valued at quoted market prices in an exchange and active markets, which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurement - The Plan follows accounting standards consistent with the Financial Accounting Standards Board ("FASB") Codification which defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements for all financial assets and liabilities.

Classification and measurement of financial instruments - The Plan follows Accounting Standards Update (ASU) 2016-01 "Recognition and Measurement of Financial Assets and Financial Liabilities." This ASU amends certain aspects of current guidance on the recognition, measurement and disclosure of financial instruments. This ASU requires most equity investments to be measured at fair value and eliminates the requirement to disclose the method and significant assumptions used to estimate the fair value for instruments not recognized at fair value in the Plan's financial statements.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest accrues according to the loan agreements throughout the terms of the loans. Related fees are recorded as administrative expenses, charged to participant accounts and expensed when paid.

Benefits - Benefits are recorded when paid.

Income taxes - The pension Plan is tax exempt under the Internal Revenue Code Section 401(a) and consequently pays no income tax.

**MG PROPERTIES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Page 12

The Plan obtained its latest determination letter on July 16, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan follows accounting standards for uncertainty in income taxes recognized in the Plan's financial statements and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. It also provides guidance on derecognition and measurement of a tax position taken or to be taken in a tax return. As of December 31, 2021 and 2020, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 3 ADMINISTRATION FEES

Substantially all of the administrative expenses of the Plan were paid through the Plan for the years ended December 31, 2021 and 2020. These expenses include, but are not limited to, custodian, trustee, legal and accounting expenses. A participant's account balance will be charged with certain fees and expenses which are usually loan-related and distribution-related. Certain investment related expenses are included as a reduction of investment return and are not separately reflected. Amounts totaling \$101,522 and \$61,457 were paid directly by the Plan for distribution, trustee, custodian and accounting expenses in 2021 and 2020, respectively.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of all employees to account balances accrued to the date of the termination are fully vested and non-forfeitable.

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the years) changed in value by \$877,447 and \$1,083,626, respectively.

NOTE 6 FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

**MG PROPERTIES RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Page 14

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

The fair value of the interest in the mutual funds is based on the closing price reported in the active market where the individual securities are traded, when available and is classified as Level 1 investments.

Common/collective trust: The Common collective trust is valued at quoted market prices in an exchange and active market, which represents the net asset value of shares held by the Plan at year end and is classified as Level 1 investments. The Plan does not have any common collective trusts with unfunded commitments or with any redemption restrictions. There is no redemption notice period for the individual participants within the Plan.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Financial assets carried at fair value at December 31, 2021 are classified below in one of the three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis:

	Level 1	Level 2	Level 3	Total
Assets				
Mutual funds	\$ 13,086,856	\$ -	\$ -	\$ 13,086,856

NOTE 7 SELF-CORRECTION OF OPERATIONAL FAILURES

The Company identified an operational failure relating to the Company miscalculating a matching contribution for multiple participants in 2021 and one participant in 2020, resulting in an employee receivable of \$742 and \$9 as of December 31, 2021 and 2020, which has been reported in the statements of net assets available for benefits. The Company and the plan administrator are in the process of correcting these issues under the IRS Employee Plans Compliance Resolution System's Self-Correction Program ("EPCRS").

Based on such actions, Plan management and the Company believe the operational failures will not cause the Plan to be disqualified by the IRS and that the self-corrective actions allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

NOTE 8 EXCESS CONTRIBUTIONS PAYABLE

Contributions received from participants for 2021 and 2020 are net of payments of \$39,802 and \$31,824 made in March 2022 and 2021, respectively, to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Reliance Trust Company, the trustee, effective May 30, 2021 with ADP Retirement Services as the plan administrator and Axa Advisors as the consultants (previously John Hancock Retirement Plan Services as the trustee and Coastal Pension Services as the plan administrator). These transactions qualify as party-in-interest transactions. Recordkeeping service fees

The Company also pays certain administrative fees of the Plan, which are not reimbursed. In addition the Company provides administrative services to the Plan at no cost to the Plan.
