INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
FDM Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of FDM Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

2021 Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FDM GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Note 1 Description of Plan

The following description of FDM Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on August 1, 2016 to provide eligible employees of FDM Group, Inc. (the “Company”) with retirement benefits in accordance with Sections 401(a) and 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (“ERISA”). During the year ended December 31, 2020, effective February 12, 2020 the Plan changed trustees from Principal Life Insurance Company (“Principal”) to Reliance Trust Company (“Reliance”). In conjunction with the change, on February 1, 2020, the Plan was amended and restated under an Automatic Data Processing non-standardized prototype plan. The Plan has been further amended and restated effective August 1, 2022 to bring the Plan into compliance with the legislative and regulatory changes set forth in the 6-year pre-approved plan restatement cycle.

Eligibility

All Company employees hired prior to February 11, 2020, other than nonresident aliens, are eligible to participate in the Plan after completing 14 days of service. All Company employees hired after February 11, 2020, other than nonresident aliens, are eligible to participate in the Plan after completing one month of service.

Employees of the Company who were employed on or before August 1, 2016 were immediately eligible to participate in the plan.

Participant contributions

Effective February 1, 2020, eligible participants may make voluntary pre-tax contributions through salary reductions from 1% to 90% of eligible compensation, as defined by the Plan, limited to the maximum amount allowable under the provisions of the IRC (\$19,500 in 2021). Further, participants who are 50 years of age or older as of December 31, 2021 may contribute an additional “catch up” contribution (\$6,500 in 2021). The Plan also allows for participants to defer funds into a “Roth 401(k).” These deferrals are subject to federal and state income taxes, and the maximum allowable participant contribution is \$19,500 combined between both the Roth and pre-tax deferral. Effective February 1, 2020, the Plan added provisions for an automatic deferral arrangement. All participants who become eligible on or after February 1, 2020 will be automatically enrolled at 5% of eligible compensation, as defined. Additionally, the Plan provides for an automatic escalation, to be effective on the first day of each plan year, of 1% per year up to a maximum of 10%.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a stable value fund as investment options for participants.

FDM GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 Description of Plan (continued)

Employer contributions

The Company may make a discretionary matching contribution as determined each year by the Company. For the year ended December 31, 2021, the Company made discretionary contributions totaling \$407,549.

Participant accounts

Each participant's account is credited with their respective contribution and its allocation of (a) employer contributions and (b) investment earnings or losses.

Vesting

Participants' voluntary contributions and any earnings thereon vest immediately. Participants become fully vested in Company contributions after completing two years of service.

Payment of benefits

From January 1, 2020 through January 31, 2020, upon termination of employment, retirement, death, or disability, the participant or the participant's beneficiary is entitled to receive the vested portion of the participant's account in a single lump-sum, installments and various single life annuity options, as defined in the Plan document. Effective February 1, 2020 distributions are available in a single lump sum, substantially equal installments and partial withdrawals, annuity payments are no longer offered. Further, withdrawals from the Plan before leaving the Company are available for special "hardship" reasons or after attaining the age of 59½. Distributions to participants are recorded when paid.

During the year ended December 31, 2020, the Plan adopted the distribution provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. A CARES act distribution allows certain eligible participants to take a coronavirus related distribution up to \$100,000 from the Plan retroactive to January 1, 2020 and through December 30, 2020. The Plan has not been formally amended to reflect these provisions. Plan amendments related to coronavirus related distributions must be adopted by December 31, 2025.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Effective February 1, 2020, the Plan began to permit participant loans. Participants may borrow up to 50% of their vested account balance up to a maximum of \$50,000. The minimum loan amount is \$500. Participant loans are subject to approval by the plan administrator at interest rates set periodically. Loan terms range from one to five years. However, the term may be extended up to 30 years if the loan was made for the purpose of acquiring the primary residence of the participant.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 Description of Plan (continued)

Notes receivable from participants (continued)

Loans are secured by the balance in the participant's account. Principal and interest is paid ratably through payroll deductions.

During the year ended December 31, 2020, the Plan adopted the loan provisions of the CARES Act, effective for qualified participant loans initiated on or after March 27, 2020 and before September 23, 2020. The CARES Act provided Plan participants with the option to borrow up to 100% of their vested account balance up to a maximum of \$100,000. Participants may also have the option of suspending loan payments due between March 27, 2020 and December 31, 2020 for up to one year, however, originally scheduled payments must resume beginning on January 1, 2021. The Plan has not been formally amended to reflect these provisions, Plan amendments related to participant loans taken under the CARES Act must be adopted by December 31, 2025.

Forfeitures

The Plan provides that forfeitures, the unvested portion of employer contributions for terminated participants, may be used to pay administrative expenses or to reduce employer contributions. Forfeitures amounting to \$43,943 were used to reduce employer contributions during 2021. The outstanding balance in the forfeiture account for the years ended December 31, 2021 and 2020 was \$4,602 and \$24, respectively.

Note 2 Summary of significant accounting policies

The following is a summary of significant accounting policies followed by the Plan.

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's Sponsor determines the Plan's valuation policies utilizing information provided by the trustee. See Note 7 for a discussion of fair value measurements.

Realized gains and losses on investments sold and the unrealized appreciation and depreciation of investments held are reported on an average current cost basis, based on fair market value of the investments at the beginning of the Plan year or at the time of the purchase during the Plan year.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

FDM GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 2 Summary of significant accounting policies (continued)

Use of estimates

The preparation of the financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Administrative expenses

Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document.

Fair value

Accounting standards provide a common definition of fair value and establish a framework to make the measurement of fair value in GAAP more consistent and comparable. Accounting standards also require expanded disclosures to provide information about the extent to which fair value is used to measure certain financial and non-financial assets and liabilities, the methods and assumptions used to measure fair value, and the effect of fair value measures on earnings. The Plan's financial assets reflected in the financial statements at fair value include its investments (see Note 7).

Subsequent events

The Company has evaluated subsequent events through October 11, 2022, which is the date the financial statements were available to be issued.

Note 3 Information certified by the Plan's trustees

The Company, acting in its capacity as the plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The investment assets, cash, investment transactions and investment income presented in the Plan's financial statements and supplemental schedule were prepared by or derived from information prepared by Reliance Trust Company ("Reliance"), the trustee, and furnished to the Company. The plan administrator has obtained a certification from the trustee as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate. The employee contribution receivable and employer contribution receivable as of December 31, 2020 totaling \$59,987 and \$18,205, respectively, are not certified. There are no employee or employer contributions receivable as of December 31, 2021.

Note 4 Tax status

The Plan operates under a prototype plan. The plan administrator believes and represents that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

FDM GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 4 Tax status (continued)

The Financial Accounting Standards Board has issued a standard regarding the accounting and recognition of income tax positions taken or expected to be taken by the Plan. The plan administrator assesses the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 Risks and uncertainties

The Plan provides for various investment options in accounts which invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 6 Plan termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time by resolution of the Board of Directors, subject to the provisions of ERISA. In the event that the Plan and the related trust fund terminate, participants will be 100% vested in their accounts. All accounts will be valued as of the termination date and account balances will be distributed in full to participants.

Note 7 Fair value measurements

Accounting standards require that financial assets and liabilities, recognized or disclosed in financial statements on a recurring basis (at least annually), be measured at fair value. These standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset and liability in an orderly transaction between market participants on the measurement date.

These standards also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. These standards describe three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.

FDM GROUP, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 7 Fair value measurements (continued)

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities.

Level 3 - Unobservable inputs for the asset or liability that are significant to the fair value measurement. These inputs reflect the Plan's assumptions about the assumptions a market participant would use in pricing the asset or liability.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when higher level inputs are not available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued based on the underlying unit value of the assets held. The underlying funds invest in mutual funds, equity securities, debt securities, group annuity contracts, and synthetic wrap contracts. The NAV of the units of the accounts is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.
