INDEPENDENT AUDITORS' REPORT

To the Administrator of
ELPX 401(K) Savings Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ELPX 401(K) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ELPX 401(K) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Information Required by ERISA

The supplemental information as of December 31, 2021 and for the year then ended is presented for purposes of additional analysis and is not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the

certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
ELPX 401(K) Savings Plan
Encinitas, California

Report on the Financial Statement

We were engaged to audit the statement of net assets available for benefits of ELPX 401(k) Savings Plan as of December 31, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2020 that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statements.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the ELPX 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan covers substantially all eligible employees of ELPX, LLC (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan's Sponsor and serves as the Plan Administrator. The Plan Administrator is responsible for oversight of the Plan as well as determining and reviewing the appropriateness of the Plan's investment offerings.

The Plan is a defined contribution plan established under the provision of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan became effective on January 1, 2016. The Company contracted with Reliance Trust Company (agent of ADP Retirement Services) to serve as the Custodian of the Plan assets as of January 1, 2021. Upon this same date, the Company entered into a contract with ADP Retirement Services to serve as the Plan's recordkeeper. John Hancock, the predecessor Custodian was contracted to service the plan prior to December 31, 2020. Plan compliance and administrative services are provided by a third-party administration firm. An officer of the Company is the Trustee of the Plan.

Eligibility

Generally, an employee is eligible to participate in the Plan upon attaining age 21 and completing one year of service in which they work at least 1,000 hours. Entry dates are the 1st day of January and July following the date eligibility requirements are met.

Participant Contributions

Participants may contribute up to 100% of their annual compensation, as defined in the Plan, into a pre-tax deferral account and/or an after-tax Roth account up to the maximum allowed by the Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants who are 50 years of age or older may make additional catch-up contributions.

Employer Contributions

The Company provides a non-discretionary Safe Harbor matching contribution of 100% of the first 3% of compensation plus 50% of the next 2% of compensation contributed by participants. Additionally, the Company may provide a discretionary profit sharing contribution. No discretionary profit sharing contribution was made or declared for the 2021 plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances,

**ELPX 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested account balances. Loans may not be made for less than \$1,000 and may not exceed the lesser of \$50,000, reduced by the highest outstanding loan balance in the previous 12 months, or 50% of a participant's vested account balance. The interest rate for loans is the prime rate plus 1%.

In April 2020, the Plan adopted Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provisions for loan relief to delay certain required loan repayments for one year. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020, subsequently extended to June 25, 2021 by the Consolidated Appropriations Act (CAA). Following the suspension period, these loans will be re-amortized over the remaining period of the loan plus the suspension period. Qualified participants are permitted to take a loan up to \$100,000, but no more than 100% of their vested account balance. There were no transactions under this provision during the year ended December 31, 2020.

The CAA, signed into law on December 27, 2020, temporarily replaced or extended some of the provisions of the CARES Act for loan relief, as noted above.

Investments

Participants direct the investment of all assets attributable to their account. Each participant designates the percentage of any one or more of their accounts that is to be invested in each of several authorized investment funds designated by the Plan's Administrator.

As of December 31, 2020, \$1,434,281 of the Plan's liquidating assets were held in a non-interest-bearing cash omnibus holding account pending transfer to the successor Custodian.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or paid as a direct rollover to an individual retirement account (IRA) or to another employer's tax qualified plan. Active participants may withdraw any part of their account in a single sum in the event of undue financial hardship or attainment of age 59 1/2. If a terminated participant's account is \$5,000 or less, the Plan may distribute the account balance to an IRA without prior approval of the participant.

In April 2020, the Plan implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have distribution taxed over a 3-year period, with the ability to recontribute up to the full amount of the distribution within 3 years and not be subject to Federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

**ELPX 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

The CAA, signed into law on December 27, 2020, temporarily replaced or extended some of the provisions of the CARES Act provisions for coronavirus-related distributions (CRD). It also included some new provisions affecting 401(k) plans that were not in the CARES Act. Although the CARES Act provisions regarding “coronavirus-related distributions” expired on December 30, 2021, the CAA added a similar provision permitting “qualified disaster distributions, that are effective through June 25, 2021.

Vesting

Participants are immediately 100% vested in their contributions and Safe Harbor contributions plus actual earnings thereon. Vesting in the Company’s discretionary profit sharing contributions is based on years of continuous service. A year of service is obtained upon completing 1,000 hours of service during a year. A participant is vested in Company’s profit sharing contributions based on the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

Generally, a participant’s unvested portion of the Company profit sharing contributions is forfeited upon termination of employment. Forfeitures are maintained in a separate account and can be used to reduce matching contributions or pay Plan expenses.

The Plan has no non-vested forfeited accounts as of December 31, 2021 and 2020.

Administrative Expenses

Fees related to the administration of loans and distributions are deducted from participant accounts and are included in administrative expenses. Other expenses of the Plan are deducted on a pro-rata basis from participant accounts and are included in these financial statements. Certain Plan expenses are paid by the Company and are excluded from these financial statements.

Certain investment management fees and other charges paid to the Custodian are offset against fund performance in the net appreciation section of the Statement of Changes in Net Assets Available for Benefits and are not, therefore, separately reflected as administrative expenses.

Plan Termination Provision

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become fully vested in their account balances.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and employer contributions are recognized in the period that contributions are due.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that may affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policy utilizing information provided by the Plan Custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits to Participants

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded.

Recent Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued ASU 2018-13, *Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 modifies the disclosure requirements on fair value measurements in *Topic 820*. The amendments in this update remove disclosures that are no longer considered cost beneficial, modify and/or clarify the specific requirements of certain disclosures and add disclosure requirements identified as relevant. ASU 2018-13 is effective for annual and interim periods beginning after December 15, 2019. The Plan adopted ASU 2018-13 on

**ELPX 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

January 1, 2020 which did not have a material impact on the accompanying financial statements.

NOTE 3 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used during the periods covered by the statements.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily closing price and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**ELPX 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

Common collective trust: Valued at the net asset value (NAV) of units of bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions therefore included in the fair value hierarchy table. Participant transactions (purchase and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
Investments:	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 1,869,932	\$ -	\$ -	\$ 1,869,932
Common/Collective Trusts	-	90,091	-	90,091
Total investments, at fair value	<u>\$ 1,869,932</u>	<u>\$ 90,091</u>	<u>\$ -</u>	<u>\$ 1,960,023</u>

There were no investments held at fair value as of December 31, 2020.

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends and interest income from notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

NOTE 5 -PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments and notes receivable from participants are managed by the Reliance Trust Company. The Reliance Trust Company (2021) and John Hancock (2020), the respective Custodians, each year, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative expenses paid by the Plan to the Custodians and other service providers qualify as party-in-interest transactions.

NOTE 6 - TAX STATUS

The IRS has informed the Plan sponsor by a letter dated March 31, 2014 for the prototype plan adopted by the Plan, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore believes that the Plan is qualified, and the related trust is tax-exempt.

**ELPX 401(K) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying financial statements.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events and transactions for potential recognition or disclosure through October 02, 2022, the date the financial statements were available to be issued and concluded that there were no events or transactions that needed to be disclosed.
