Independent Auditors' Report

Board of Trustees
Buona Beef Profit Sharing & 401(k) Plan and Trust
Berwyn, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Buona Beef Profit Sharing & 401(k) Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to

(Continued)

our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule (Schedule H, line 4i – Schedule of Assets Held for Investment) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A. DESCRIPTION OF PLAN

The following brief description of the Buona Beef Profit Sharing & 401(k) Plan and Trust (the Plan) is provided for general information purposes only. Interested parties should refer to the Plan agreement for more complete information.

1. *General.* The Plan is a defined contribution plan covering eligible employees of Buona Beef, LLC, Buona Catering, LLC, the Buona Companies, LLC, Mile High Beef, LLC, Buona Montgomery, LLC, Black Tie Party Services, Inc., Brett Favre Pass 1004, LLC, and Authentic Brands of Chicago, LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. *Plan Administration.* The Plan is administered by the Board of Trustees (the Administrator), which is appointed by the Board of Directors of the Company. Reliance Trust Company (the Trustee) is responsible for the custody and management of the Plan's assets.
3. *Eligibility.* To be eligible to participate in salary reduction, an employee must attain the age of twenty-one (21) and may then enter in the next calendar quarter following employment.
4. *Contributions.* The Company can elect to contribute a discretionary amount at year-end annually to all employees eligible to participate in the Plan. The total amount may be no larger than the maximum amounts deductible under the Internal Revenue Code.

Participants may elect to make contributions to the Plan in amounts which do not exceed the lesser of 90% of base pay or \$19,500. The \$19,500 amount may be adjusted by government regulations in subsequent years to take into account cost of living adjustments.

If an employee is age 50 or older, the employee can elect to make "catch-up contribution" to the Plan. The maximum amount of catch-up contributions that an employee can make is \$6,500. Employee contributions elections may be changed at any time during the year.

Plan earnings and losses are allocated based on participant account balances, as defined in the plan agreement.

5. *Notes Receivable from Participants.* A participant may borrow from his or her account up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms are up to 260 weeks, unless used to buy a principal residence. The loans are secured by the balance in the participant's account and bear interest rate at the prime rate (3.25% at December 31, 2021) plus 1%. Principal and interest are paid through payroll deductions.

BUONA BEEF PROFIT SHARING & 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN (CONTINUED):

6. *Vesting and Forfeitures.* Participants are immediately vested in their voluntary contributions. Vesting in employer matching contributions, nonelective and minimum contributions, plus any earnings they generate are based on the years of continuous service. There were no forfeitures for the years ended December 31, 2021 and 2020. The amount would be used to reduce employer contributions. A participant vests according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

7. *Payments of Benefits.* Payment of benefits to terminated participants (or their beneficiary) is made by the trustees in accordance with terms described in the Plan.
8. *In-Service Withdrawals.* Participants may be eligible for financial hardship withdrawals to pay medical expenses, the purchase of a residence, expenses of post-secondary higher education or other eligible expenses. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal. The amount withdrawn cannot exceed the amount of hardship. Beginning January 1, 2019, the plan was amended to comply with IRS changes. The Plan removed the suspension of participant contributions for those with a hardship withdrawal or those obtaining a hardship withdrawal. Prior to January 1, 2019, participant contributions to the Plan were suspended for at least six months after obtaining a hardship withdrawal. Participants may also withdraw any or all of the participant's vested account if the participant is at least 59 ½ and has not yet terminated employment with the company.
9. *Safe Harbor.* Individuals are vested immediately in safe harbor contributions received. From January 1, 2020 to April 27, 2020, the policy for the Safe Harbor Matching was dollar for dollar for first 3% of salary deferral, then ½ for the next 2% salary deferrals. Therefore, if an employee deferred 5%, the safe harbor contribution would equal 4%. As of April 27, 2020, the Safe Harbor Matching contributions were suspended under the CARES Act. The Plan was reinstated as a Safe Harbor Plan as of January 1, 2021.

**BUONA BEEF PROFIT SHARING & 401(K) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

A. DESCRIPTION OF PLAN (CONTINUED):

10. *2020 Plan Amendments.* Effective April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief and Economic Security ("CARES") Act that was signed into law in March 2020. A "CARES" distribution allows for a withdrawal up to \$100,000 from the Plan for certain eligible participants impacted by COVID before December 31, 2020.

In addition, effective April 2020, the Plan adopted the temporary loan repayment deferral provisions of the CARES Act. The loan repayment deferral provision allows qualified Plan participants who have participant loans to defer such repayments until December 31, 2020.

Required Minimum Distributions (RMD) were not required, from the Plan, during the 2020 Plan year.

B. SUMMARY OF ACCOUNTING POLICIES

1. *Basis of Accounting.* The Plan's financial statements are prepared on the modified accrual basis of accounting, whereby employer contributions and investment income are recorded as additions to net assets in the year to which they pertain. The Plan has not accounted for end of year liabilities relating to terminated plan members.
2. *Investments.* Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date of the financial statements. See Note E for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. *Notes Receivable from Participants.* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.
4. *Payment of Benefits.* Benefits are recorded when paid.
5. *Administrative Expenses.* Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefit as net appreciation (depreciation) in fair value of investments.

B. SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

6. *Income Taxes.* The Plan has received a favorable determination letter from the Internal Revenue Service and is qualified for exemption from federal income taxes under Section 401(a) of the Internal Revenue Code.

The Plan obtained its last determination letter on July 16, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

7. *Use of Estimates.* The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. CONTRIBUTIONS

Amounts due from employer consist of the Company contributions.

The Company's contributions are paid to the Plan each year no later than the due date of the Company's federal income tax returns, including extensions thereon. Participant contributions collected by the Company are remitted as soon as separated and identifiable but no later than the 15th of the following month.

D. SPECIAL RULE FOR CERTAIN PARTICIPANT - DIRECTED TRANSACTIONS

The investment of transactions is directed by the participants; therefore, those transactions are no longer required to include the cost computation of the investments as reported on the schedule of assets (held at end of year).

E. PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company is the Trustee, as defined by the Plan, and qualifies as a party-in-interest. Fees paid by the Plan for the custodial and recordkeeping services totaled \$17,099 and \$17,507 for 2021 and 2020, respectively.

Participants covered under the Plan are considered to be parties-in-interest. Participant loans in the amount of \$199,065 and \$202,927 at December 31, 2021 and December 31, 2020, respectively, are considered to be party-in-interest investments.

F. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive • inputs other than quoted prices that are observable for the asset or • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair market value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Registered Investment Companies (Mutual Funds):* Registered investment companies are valued at quoted market prices that represent the net asset value of shares on a market exchange at the end of the trading day. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The registered investment companies are classified in Level 1 in the fair value hierarchy.
- *Common/Collective Trust Funds:* This investment represents participation units of a collective investment trust for which the net asset value is based on the market value of the underlying investments. The common collective trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The common collective trust fund is classified in Level 1 in the fair value hierarchy.

F. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

G. TAX STATUS

The Plan has received a favorable determination letter from the Internal Revenue Service and is qualified for exemption from federal income taxes under Section 401(a) of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the applicable tax authority. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

H. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reporting in the statement of net assets available for benefits.

The COVID-19 outbreak, which was declared a pandemic by the World Health Organization in March 2020, has negatively impacted the world economy and common stock share prices for most companies. The Plan's investments are stated at fair value based on the closing prices at December 31, 2021. The impact of COVID-19 on companies continues to evolve and its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain.

J. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.
