REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Administrator and Participants of the
Blinds To Go 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Blinds To Go 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US

GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION

The following brief description of the Blinds To Go 401k Plan (the "Plan") is provided for general information purpose only. Participants should refer to the Plan document for more complete information.

General

The Plan was adopted effective June 6, 2003, by its sponsor, Blinds To Go US Inc. (the "Company").

The Plan is a defined contribution plan covering all full time employees of the Company. Employees must be at least 21 years of age and must have completed 1,000 hours of service to be eligible for participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA").

The Plan is administered by a designated employee of the Company who is responsible to, and serves at the discretion of, the Company. The designated employee is responsible for providing information to participants and also has the primary authority for filing various reports, forms and returns with the U.S. Department of Labor and Internal Revenue Service ("IRS"). The Director of Human Resources has been designated by the Company to serve as administrator for the Plan for the periods under audit.

The Plan administrator has delegated the record-keeping function of the Plan to Automatic Data Processing Inc. ("ADP").

Participant Accounts

An account is established for each participant to record contributions, which are credited directly to each account, and any income, expenses, gains or losses thereon. The Plan is intended to be a defined contribution plan, which provides for a retirement benefit based on a participant's account balance. The Plan permits participants to exercise control over the assets in their account and to choose from a range of investment funds.

Participant Contributions

Each participant may elect, on a pre-tax basis, to defer and contribute from 1% to 75% of his/her eligible earnings to the Plan each year, up to a statutory limit of his/her compensation, not to exceed \$19,500 in 2021. For participants over the age of 50, they may contribute an additional amount, up to \$6,500 in 2021. For Plan purposes, the participant's base compensation is W-2 compensation.

The Company has an automatic enrolment feature under the Plan for eligible employees, whereby a payroll deduction of 3% of the employee's compensation will be treated as an elective deferral in accordance with the terms of the Plan. Employees can decline automatic enrollment, opt out at a later date or change their contribution rate at any time.

Employer Contributions

The Company will contribute a portion of the compensation each participant contributes to the Plan through salary deferral without exceeding 1.5% of the participant's pre-tax compensation.

Participant Loans

As permitted under the Plan agreement, the Plan administrator may elect, upon receipt of a written application from a Plan participant, to direct the Plan trustee to make certain loans to a participant against such participant's account balance. Such loans shall be limited to the lesser of: (a) \$50,000, reduced by the

Blinds To Go 401k Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

excess of the highest outstanding balance of any loans made to the participant for a one-year period prior to the date of application over the balance of such loans at the date of application; or (b) one-half of the value of the participant's account balance. A participant may not request a loan for less than \$500, nor may a participant have more than one loan outstanding at any given time.

Loans are provided at a fixed interest rate of 2% above the prime interest rate. The term of any such loan may not exceed five years unless the proceeds are to be used to acquire a dwelling unit to be used as primary residence of the participant. As of December 31, 2021, participant loans have maturities through 2026 at interest rates between 5.25% and 7.50%.

Vesting and Forfeitures

Employer contributions are vested based on years of service shown in the table below:

<u>Years of service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

Participants' contributions are 100% vested plus actual earnings thereon, regardless of the number of years of service. A participant's contributions cannot be forfeited. Forfeited balances of terminated employees' non-vested accounts may be used to reduce administrative expenses that would otherwise be paid by the Company or to reduce future employer contributions.

The forfeited balances for the years ended December 31, 2021 and 2020 were \$22,921 and \$47,333, respectively. These forfeitures were used to offset employer contributions.

Payment of Benefits

Benefits under the Plan become distributable upon retirement, termination, disability or death. Participants may elect to receive the value of their accounts as a lump-sum distribution or they may elect a direct rollover distribution. Upon the death of a participant, benefit payments will be made to a surviving spouse or other designated beneficiary, as appropriate.

Funds can be accessed prior to the date they become distributable by way of a hardship withdrawal. Hardship withdrawals can be made for any event that constitutes an "immediate and severe financial need" as prescribed by current IRS guidelines.

Rollovers

Participants can rollover any distribution received from another plan or Individual Retirement Account to this plan if all legal requirements on such rollovers have been satisfied.

Termination and Plan Amendments

The Company has the right to amend or discontinue its contributions, or terminate the Plan at any time without the consent of any other party. However, an amendment to the Plan (other than an amendment required to obtain or retain approval of the Plan under the Internal Revenue Code ("IRC") or other statute or any regulation or ruling thereunder) cannot retroactively deprive participants of their accrued benefit or interests. If the Plan is terminated, each participant's account becomes 100% vested.

Coronavirus Aid, Relief and Economic Stability (CARES) Act

The Plan adopted the provisions of the Coronavirus Aid, Relief and Economic Stability ("CARES") Act in April 2020 which includes special withdrawal provisions from retirement accounts, increased loan maximums; loan repayment delay for up to one year and waiver of the 2020 Required Minimum Distributions. The CARES Act waived the additional 10% penalty tax on early withdrawals up to \$100,000; and for 401(k) loans adjusted loan limits from \$50,000 up to \$100,000 or 100% of a participant's account balance that is vested, whichever is lower. Further, participants were allowed to delay current and new loan payments until January 1, 2021. The provisions of the CARES Act was in effect until September 23, 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments in mutual funds are stated at their fair market value, as determined by Reliance Trust Company (the "Trustee"), based on quoted prices as of the last business day of the year. Changes in the investment market value during the year are reflected in the net appreciation in fair value of investments in the statement of changes in net assets available for benefits. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

The Plan invests in mutual funds, which invest in various securities including corporate debt instruments and corporate stocks. Investment securities, in general, are exposed to various risks such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the value of the participant's account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of a new strain of coronavirus, COVID-19, which began in December 2019, has continued to spread globally. The Center for Disease Control and World Health Organization have recognized this outbreak as a pandemic, which has caused shutdowns to businesses and cities worldwide. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

Blinds To Go 401k Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Included in investments as of December 31, 2021 are units of Allspring Asset Alloc Inst of \$3,356,922. This investment represents 44% of total investments, at fair value as of December 31, 2021. As of December 31, 2020, the Plan held an investment in WFA Asset Alloc Fund Inst of \$2,704,595, which represented 45% of total investments, at fair value. A significant decline in the market value of the Allspring Asset Alloc inst units would significantly affect the net assets available for benefits.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions. These estimates and assumptions, which may differ from actual results, will affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments

Benefit payments are recorded when paid.

Excess Contribution Payable

The Plan is required to return contributions received during the year in excess of the IRC limit. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were \$6,528 and \$15,145 excess contributions payable at December 31, 2021 and 2020.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants' loans are recorded as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

NOTE 3 - FEDERAL INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by ADP. ADP received an opinion letter from the IRS, dated July 8, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Blinds To Go 401k Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or pay to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date. In determining fair value, the Plan used a three-level hierarchy in measuring fair value as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodology at December 31, 2021 and 2020.

Mutual Funds - Valued at the closing price reported on the market on which the individual units are traded. The Plan's investments are in units of participation in open-ended mutual funds that are registered with the Securities and Exchange Commission. The market on which mutual funds are traded is active.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

		Investments at Fair Value as of December 31, 2021			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 7,673,992	\$ -	\$ -	\$ 7,673,992

Total investments at fair value		\$ 5,820,328	\$ -	\$ -	\$ 5,820,328

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the Plan's trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Company has been designated as the Plan administrator. Certain employees of the Company provide administrative services to the Plan. Most administrative expenses, including audit and legal fees, were paid by the Plan administrator in 2021 and 2020. These transactions qualify as party-in-interest transactions.

The Plan also holds notes receivable from participants. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.
