|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **Independent Auditors' Report**

To the Plan Administrative Committee  
Calico Brands, Inc. 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Calico Brands, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Calico Brands, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Calico Brands, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Calico Brands, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Calico Brands, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule H, line 4i - Schedule of Assets as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Auditor's Report on the 2020 Financial Statements***

The 2020 financial statements of Calico Brands, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 28, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Calico Brands, Inc. 401(k) Plan  
Notes to Financial Statements  
Year Ended December 31, 2021**

**Note 1 – Description of Plan**

The following description of the Calico Brands, Inc. 401(k) Plan (the “Plan”) provides only general information. Calico Brands, Inc. (the “Company”) is the plan sponsor. Reliance Trust Company (“Reliance Trust”) is the trustee of the Plan. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees who have completed three months of service and are age 21 or older. The Plan was established on January 1, 2001, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Contributions**

Each year, participants may contribute up to 70% of pretax annual compensation, as defined in the Plan agreement, subject to a maximum annual limit by the Internal Revenue Service. In 2021, pretax contributions are subject to a limitation of \$19,500, plus a catch-up contribution of \$6,500 for participants age 50 or older. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes matching contributions for 100% of a participant’s contribution up to 5% of a participant’s eligible compensation. Contributions are subject to certain statutory limitations.

**Participant accounts**

Individual accounts are maintained for each participant in the Plan. Each participant’s account is credited with the participant’s contributions and the Company’s matching contributions, if any, as well as allocations of Plan earnings and allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contribution plus actual earnings thereon is based on years of continuous

service. Company's contributions are 100% vested after six years of credited service, as specified by the Plan agreement.

### **Investment options**

The Plan offers various investment options which are managed by Reliance Trust. Upon enrollment in the Plan, participants may direct their contributions in any of the investment options offered at the time. Participants may change their investment options daily. Participants should refer to the investment literature provided by the Company for a complete description of the investment options and for the detailed composition of each investment fund.

### **Notes receivable from participants**

Participants may borrow from their accounts a minimum of \$500 up to the lesser of (1) 50 percent of their account balance or (2) \$50,000 reduced by their highest unpaid loan balance outstanding (principal and interest) during the preceding twelve-month period. The loans are secured by the balance in the participant's account. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence and are repayable ratably through payroll deductions. At December 31, 2021 and 2020, interest on notes receivable from participants ranged from 4.25% to 7.25% per annum, with maturities through 2035.

### **Payment of benefits**

Upon termination of service due to retirement, termination, disability, or death, the following benefit payment options are available to participants. If a participant leaves the Company and the value of their vested account balance (minus any rollover contribution account) is \$5,000 or less, the Company can distribute the participant's entire vested account balance out of the Plan. If a participant's account balance (excluding any rollover contribution account) is greater than \$5,000, in addition to either a lump sum or direct rollover, the participant may choose to receive installments, request a partial withdrawal, or defer receiving payments until age 70½. If the participant chooses to defer payments, their account will continue to be invested the way they direct and will be adjusted for any gains or losses which occur. In the event of a participant's death before termination of employment, the vested account balance will be payable in a single lump sum to a participant's beneficiary.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

### **Forfeited Accounts**

Forfeited balances of terminated participants' nonvested Company contributions are used to reduce future Company contributions and to pay administrative expenses of the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$1,779 and \$1,749, respectively. For the

year ended December 31, 2021, there were no forfeitures used to reduce Company contributions or to pay administrative expenses of the Plan.

## **Note 2 – Summary of Accounting Policies**

### **Basis of accounting**

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

### **Use of estimates**

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Significant estimates include the fair value of certain investments. Actual results could differ from those estimates.

### **Investment valuation and income recognition**

The Plan’s investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. At December 31, 2021 and 2020, there was no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants’ account balances.

### **Payment of benefits**

Benefits are recorded when paid in accordance with ERISA reporting requirements.

### **Administrative expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the

participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### **Note 3 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets and liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments held in the Plan primarily consist of mutual funds and a common/collective trust fund. These assets are recorded at fair value on a recurring basis. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported on the active market on which the individual funds are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds are held by the Plan are deemed to be actively traded.

*Common/Collective Trust Funds:* Valued at the net asset value ("NAV") of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value.

The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Member transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

During the year ended December 31, 2021, there were no transfers of assets between Levels 1, 2 and 3. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

The Plan’s independent auditors did not perform auditing procedures with respect to the information certified by Reliance Trust, except for obtaining and reading the certification from Reliance Trust, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

## **Note 5 – Related Party and Party-In-Interest Transaction**

The Company provides certain accounting and administrative services to the Plan for which no fees are charged. As the Company is the Plan sponsor, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA

#### **Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions, if any.

#### **Note 7 – Tax Status**

The Plan currently operates under a prototype plan offered by ADP, which received a favorable opinion letter from the Internal Revenue Service dated October 6, 2020.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8 – Risks and Uncertainties**

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan had one investment which exceeded 10% of total investments at December 31, 2021 and 2020, Galliard Stable Return Fund C - 12% and 14%, respectively.

#### **COVID-19**

The COVID-19 pandemic has had a significant effect on overall economic conditions in nearly all regions around the world, and has caused volatility in financial markets and may continue to affect the market price of the Plan's investments. Due to the uncertainty of the duration and the continued effects of this pandemic, the near- and long-term financial effects cannot be reasonably estimated at this time.

#### **Note 9 – Subsequent Events**

The Plan has evaluated subsequent events through October 7, 2022, the date the financial statements were available to be issued, noting no other items requiring disclosure.
