Independent Auditor's Report

Plan Administrator and Participants
Stauffers of Kissel Hill Employee Savings and Retirement Plan
Lancaster, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Stauffers of Kissel Hill Employee Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STAUFFERS OF KISSEL HILL EMPLOYEE SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies:

The following description of the Stauffers of Kissel Hill (the Employer) Employee Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of the Employer who have one year of service completing 1,000 or more hours and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2021 and 2020, the 2019 novel coronavirus (COVID-19) pandemic sparked a global health and economic crisis. The impact resulting from the COVID-19 pandemic on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions were effective and operationalized appropriately, prior to amending the Plan. Written amendments to the Plan are pending and will be executed within the time frame required by law.

Contributions:

Each year, participants may contribute up to 95% of pretax annual compensation, as defined by the Plan. Eligible participants will have an automatic salary deferral of 3% unless the participant makes a contrary salary reduction election. The automatic deferral percentage will increase by 1% on April 1 of each plan year up to a maximum rate of 10% unless the participant elects differently.

Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a stable value fund as investment options for participants.

The Employer may also make a discretionary matching contribution. The contribution is determined each year, and for 2021, the matching contribution was 5% of the first 6% of compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Employer's board of directors. There was no additional profit sharing contribution for 2021. Contributions are subject to certain limitations.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings (losses) and charged with an allocation of investment expenses. The method of allocation for Employer contributions is defined further in the Plan. Participants are credited with investment earnings and charged investment expenses based on their investment elections. Additionally, participants are charged for specific participant directed transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts plus actual earnings is as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator at the time the loan is made. Principal and interest are paid ratably through weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. Description of the Plan and summary of significant accounting policies (continued):

Payment of benefits:

Upon termination of service, death, disability or retirement, a participant may elect to receive the value of the vested interest in his or her account as a lump sum distribution. Additionally, the Plan allows for in-service withdrawals where a participant may elect to receive an amount equal to his or her deferral amount. And under certain circumstance of financial hardship, the participant is allowed to withdraw funds from the Plan. Account balances that are under \$1,000 at termination may be automatically paid out at the discretion of the Employer.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability.

Forfeitures:

Amounts that are forfeited due to a participant's termination of employment prior to vesting in Employer contributions are used to reduce the Employer matching contributions in subsequent periods or are used to reduce Plan expenses. At December 31, 2021 and 2020, the forfeited non-vested account totaled \$3,658 and \$3,834, respectively. During the year ended December 31, 2021, forfeitures of \$4,644 were used to reduce Employer matching contributions.

Basis of accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment valuation and income recognition:

Mutual fund valuations are based on quoted market prices which are available on the active market.

The Plan invests in the Putnam Stable Value Fund (Putnam), a common collective trust (CCT), which primarily holds guaranteed investment contracts, synthetic investment contracts and short-term investments that are valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of mutual funds includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

1. Description of the Plan and summary of significant accounting policies (continued):

Payment of benefits:

Benefit payments to participants are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Recordkeeping expenses are included in net appreciation in fair value of mutual funds. Investment advisory fees are paid through a revenue sharing arrangement. The portion of the investment fees received by the Plan which are then utilized to pay investment advisory fees are reported as other income. The actual fees paid to the investment advisor are reported in administrative expenses.

Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes receivable, participant loans:

Participant loans described as notes receivable are measured at the unpaid principal balance, plus unpaid accrued interest. The Plan classifies all participant loans with no payments received for six months as in default. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits.

2. Tax status:

The Plan was restated effective March 2, 2021 with the adoption of the Great-West Trust Company (Great-West) Defined Contribution Pre-Approved Plan. Both Great-West and Putnam received an opinion letter for the respective prototype plan documents on June 30, 2020 in which the IRS stated that the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

3. Fair value measurements:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

- Level 1 – Quoted prices in active markets for identical investment. The Plan's investments in mutual funds are considered Level 1 investments.
- Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.
- Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

The fair values of assets measured on a recurring basis at December 31, 2021 and 2020 are as follows:

		Fair value measurements using Level 1
<u>2021</u>	<u>Fair value</u>	
Mutual funds	\$ 25,234,080	\$ 25,234,080
Total	<u>\$ 25,234,080</u>	<u>\$ 25,234,080</u>
<u>2020</u>		
Mutual funds	<u>\$ 21,578,725</u>	<u>\$ 21,578,725</u>
Total	<u>\$ 21,578,725</u>	<u>\$ 21,578,725</u>

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

3. Fair value measurements (continued):

Fair value measurements of investments in certain investments that calculate NAV per share as of December 31, 2021 and 2020 were as follows:

Category	2021 Fair value	2020 Fair value	Unfunded commitments	Redemption term	Redemption value
Common/collective trust	\$ 810,178	\$ 777,839	N/A	Immediate	NAV*

* As of the measurement date.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

4. Information certified by trustee:

The Plan's investments are held by Great-West Trust Company, LLC (the trustee of the Plan). Investment information disclosed in the accompanying financial statements and schedule of assets held at end of year, specifically investments held at December 31, 2021 and 2020, net appreciation in fair value of mutual funds, income from the common collective trust and investment interest and dividends for the year ended December 31, 2021 were obtained or derived from the information supplied to the Plan Administrator and certified as complete and accurate by the trustee.

5. Plan termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

6. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

7. Related party transactions:

Certain Plan investments are managed by the trustee and recordkeeping services are provided by Empower Retirement as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of mutual funds.

8. Concentrations:

An investment concentration exists when 10% or more of total plan investments are invested in any particular fund. Two investments accounted for approximately 31% and two investments accounted for approximately 32% of total investments at December 31, 2021 and 2020, respectively.

9. Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 26,230,504	\$ 22,390,572
Excess contributions payable	<u>-</u>	<u>65,661</u>
Net assets available for benefits per the Form 5500	<u><u>\$ 26,230,504</u></u>	<u><u>\$ 22,456,233</u></u>

The excess contributions thereon are included in benefits paid to participants in the financial statements. Allocable earnings will be calculated and distributed when the corrective distributions are processed.

10. Subsequent events:

The Plan has evaluated subsequent events through September 29, 2022, the date which the financial statements were available to be issued.
