The Plan Administrator
Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan
Taunton, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan

The following brief description of the Dennis K. Burke, Inc. Profit Sharing and 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan was established on May 1, 1979 to provide the employees of Dennis K. Burke, Inc. (the Company) a tax effective opportunity to save for their retirement. The Plan is a defined contribution plan covering all employees of the Company who have completed 500 hours of service within a ninety (90) day period, and are age twenty (20) or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan includes a savings plan established under the provisions of the Internal Revenue Code Section 401(k). Under the Plan, a certain amount of employee wages, as defined in the Plan, can be deferred as an employee contribution to the Plan. The Plan document was restated on April 30, 2016. As a result of the restatement, effective May 1, 2016, certain bonus payments, fringe benefits and reimbursements are excluded from eligible compensation for employee deferrals and employer contributions. The Plan document was restated on January 1, 2021. As a result of the restatement, the Plan year changed to a calendar year end.

Fiscal Year Change - Effective May 1, 2020, the Plan changed from a fiscal year end of April 30 to December 31. An eight-month fiscal transition period from May 1, 2020 through December 31, 2020 precedes the start of the new plan cycle.

Contributions - Participant contributions are made on a pretax basis through salary deferral agreements with the Company. Participants may contribute up to the maximum percentage, as allowed by law, of annual compensation, as defined in the Plan. Effective May 1, 2016, the definition of eligible compensation was amended to exclude certain bonuses, fringe benefits and reimbursements. Participants may also make after-tax contributions (Roth) into the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified plans.

The employer contributes a safe harbor matching contribution for all eligible participants. The safe harbor matching contribution is equal to 100% of employee contributions that are not in excess of 3% of eligible compensation plus 50% of the amount of employee contributions that exceed 3% of eligible compensation but that do not exceed 5% of eligible compensation. For the year ended December 31, 2021, the Company made total safe harbor matching contributions amounting to \$397,054.

The Company may also make further matching contributions and profit sharing contributions, both of which are subject to a six-year vesting schedule. To be eligible for the further matching contributions and profit sharing contributions, the participant must have 1,000 hours of service in the plan year and be employed by the Company on the last day of the plan year. Forfeited employer matching and profit sharing contributions may be used to reduce employer contributions or for the payment of plan administrative expenses. There were no further matching or profit sharing contributions made to the Plan for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

DECEMBER 31, 2021 AND 2020

Note 1 - Description of the Plan (Continued)

Participant Accounts - Each participant's account is credited with their voluntary salary deferral contributions, employer safe harbor matching contributions, further employer matching contributions, if any, employer profit sharing contributions, if any, earnings and expenses. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral contributions and employer safe harbor matching contributions, plus actual earnings thereon. Further employer matching contributions and profit sharing contributions are subject to a six year vesting schedule.

Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions, employer safe harbor matching contributions, further employer matching contributions and profit sharing contributions among pooled separate accounts and mutual funds. Participants may reallocate their investments or redirect new contributions at any time.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the participant's vested interest in the Plan. Principal and interest are paid ratably through payroll deductions. Generally, notes are repaid within five years except for notes relating to the purchase of a primary residence which may exceed five years. The notes bear interest at a reasonable interest rate determined by the Plan Administrator. Participants may have only one note outstanding at a time under the Plan provisions.

Benefits and Withdrawals - Upon retirement, disability or death, participants or beneficiaries are entitled to a distribution equal to the total value of the participant's vested account. Upon termination of service, a participant may elect to receive the value of his or her account in a lump-sum cash payment, a rollover distribution to an eligible retirement account or if the balance is greater than \$5,000, elect to defer payment of benefits until a minimum distribution is required to be made. In service withdrawals are allowed upon attainment of age 59 1/2. Withdrawals due to serious financial hardship are allowed to the extent permitted by federal regulations.

Pursuant to the CARES Act, participants affected by the coronavirus, as defined in the Act, who withdrew funds from their accounts as a Coronavirus-Related-Distribution (CRD), may recontribute such CRD's to the Plan (up to the amount distributed) within three years and the amount recontributed is treated as a roll-in contribution.

Forfeited Accounts - Participants who leave the employment of the Company forfeit the non-vested portion of their employer accounts. Forfeitures are retained in the Plan and can be used to reduce future employer contributions or for the payment of Plan administrative expenses. There was no balance in the forfeiture account at December 31, 2021 and 2020.

Administrative Expenses - Participants are charged for processing fees on participant notes and distributions. Certain advisory and administrative expenses are paid by the Plan from participant accounts. All other administrative expenses are generally borne by the Company.

Note 1 - Description of the Plan (Continued)

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and the assets would be distributed to participants in accordance with the terms set forth in the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements have been prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles. Benefit payments are accounted for at the time of payment.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - All investments are recorded at fair value in these financial statements. Fair value is measured in accordance with U.S. generally accepted accounting principles as more fully described in Note 4. Purchases and sales of securities are recorded on a trade-date basis or if not materially different, the settlement date. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the accounts, but do have an interest therein represented by units which are valued daily. The account earns interest which is automatically reinvested in additional units. Generally contributions to and withdrawals from the pooled separate account are converted to units by dividing the amount of such transactions by the unit values as last determined and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events - The date to which events occurring after December 31, 2021 have been evaluated for possible adjustment to the financial statements or disclosure is the date of the Independent Auditor's Report which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

DECEMBER 31, 2021 AND 2020

Note 3 - Information Certified

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, at fair value held at December 31, 2021 and 2020, and all investment income for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (the custodian of the Plan) and Principal Life Insurance Company, a member of the Principal Financial Group.

Note 4 - Fair Value Measurements

Fair value is defined under U.S. generally accepted accounting principles as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value under U.S. generally accepted accounting principles must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. The fair value hierarchy is based on three levels of inputs as follows:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than those included in Level 1. For example, quoted prices for similar assets in active markets or quoted prices for identical assets in inactive markets.

Level 3 - Unobservable inputs reflecting management's own assumptions about the inputs used in estimating the value of the assets.

Following is a description of the Plan's valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

These investments are public investment vehicles valued using the Net Asset Value ("NAV") provided by the administrator of the fund and calculated at the close of business on the NYSE. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Investments in mutual funds are classified within Level 1 of the valuation hierarchy.

Pooled Separate Accounts

These investments are valued on a per unit market value basis as determined by the custodian, which reflects the fair value of the investments comprising the separate pooled fund. As of December 31, 2021 there were no unfunded commitments. Investments can be redeemed daily but limited to one redemption every 30 days. The funds' investment strategies were in accordance with each portfolio's investment objective. The practical expedient has been utilized to estimate fair value of these investments by using the reported net asset value.

Note 5 - Related Party Transactions

Certain plan investments including pooled separate accounts are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodian of the Plan. Accordingly, these transactions qualify as party in interest transactions. For the year ended December 31, 2021, maintenance fees and other administrative expenses totaling \$98,829 were charged to participant accounts and paid to the Plan's custodian. The Plan Sponsor elects to pay certain other administrative expenses of the Plan.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

DECEMBER 31, 2021 AND 2020

Note 6 - Income Tax Status

Effective January 1, 2021, the Plan operates under a non-standardized pre-approved profit sharing plan document of CCH Incorporated. This plan document received its latest determination letter on June 30, 2020, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. As of December 31, 2020, the Plan operated under the CCH Incorporated Volume Submitter Profit Sharing Plan. This plan document received its latest determination letter on March 31, 2014, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

In determining the recognition of uncertain tax positions, the Plan applies a more-likely-than-not recognition threshold and determines the measurement of uncertain tax positions considering the amounts and probabilities of the outcomes that could be realized upon ultimate settlement with taxing authorities. As of December 31, 2021, the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Plan is generally subject to potential examination by taxing jurisdictions for the prior three years. Currently, no audits for any tax periods are in progress.

Note 7 - Notes Receivable from Participants

As of December 31, 2021, notes receivable from participants bear interest at rates ranging from 4.25% to 6.50% with maturity dates ranging through October 2026. As of December 31, 2020, notes receivable from participants bear interest at rates ranging from 4.25% to 6.50% with maturity dates ranging through May 2026.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic related issues or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
