## INDEPENDENT AUDITORS' REPORT

To the Participants and Trustees of  
CSSS.NET 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of CSSS.NET 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of CSSS.NET 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompany 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CSSS.NET 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CSSS.NET 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CSSS.NET 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CSSS.NET 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedules of Assets (Held at End of Year) and Nonexempt Transactions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of CSSS.NET 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## CSSS.NET 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

#### NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation – The accompanying financial statements of CSSS.NET 401(k) Plan (the Plan) are prepared under the accrual method of accounting. The Plan Sponsor did change its corporate name to Constellation West (the Company), but the name of the plan remains the same.

General – The Plan was originated in February 2011.

Administration of the Plan – The Plan, sponsored by the Company, is a defined contribution retirement plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Plan Sponsor believes it is in compliance with ERISA. Some administrative expenses related to the Plan are paid by the Company. The Company has no reversionary interest in the Plan.

Investment Valuation and Income Recognition – The Company entered into a Group Annuity Contract with the Trustee. The employees direct their contributions to be invested in investment options that consist of mutual funds offered by the Trustee. The Plan's investments are stated at fair value. The Plan's investment accounts are mutual funds offered by the Trustee. Each mutual fund investment is valued at fair value by the Trustee at the close of each business day.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measures at the unpaid principal balance plus any accrued buy unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

#### NOTE B – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

Eligibility – Under the terms of the Plan, an employee will be eligible to participate in the plan immediately upon hire if they attained age eighteen and met all other eligibility requirements.

NOTE B – DESCRIPTION OF PLAN – Continued

Contributions and Participant Accounts - 401(k) Provision – Each participant may elect to make salary reduction 401(k) contributions of not less than 1% up to 100% of their compensation, as defined, subject to federal deferral limits. Each participant may also elect to make Roth contributions of not less than 1% up to 100% of their compensation, as defined, subject to federal deferral limits. Employees over the age of 50, may make “catch-up” contributions subject to federal annual limits. The Company makes safe harbor matching 401(k) contributions equal to 100% of the participant's deferral up to 1% plus 50% of the participant's deferral from 1% up to 6% of compensation. Participant and Company 401(k) contributions are allocated within each participant's account to investment options based upon the participant's current investment allocation elections. Annual 401(k) contributions are subject to limitations set by the Internal Revenue Service.

The Plan also offers automatic enrollment as a feature of the plan and all eligible employees are automatically enrolled at 3% of salary. The percentage of salary for automatic deferrals gradually increases to 6% based on the plan year of application to the participant. Employees are given the option to elect out of participation if they choose to do so.

Each participant's account is credited with the participant's elective deferral 401(k) contributions, employer safe harbor matching 401(k) contributions, an allocation of the Plan earnings and forfeitures of terminated participant's non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant account balances as defined.

Forfeitures – Forfeitures are amounts that come from terminated employees (participants) share of employer matching 401(k) contributions that are not vested. Forfeitures can be used to offset 401(k) plan expenses and employer matching contributions. The forfeiture balance was \$849 and \$2,959 as of December 31, 2021 and 2020, respectively. For the years ended December 31, 2021 and 2020, forfeited amounts total approximately \$16,375 and \$11,530, respectively.

Vesting – Active participating employees become 100% vested in employer safe harbor matching 401(k) contributions after two years of service. Participants are immediately vested in all employee 401(k) contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Benefits – Upon the participant's retirement or termination of service, the Company shall value and distribute the participant's account in accordance with the Plan document and the Internal Revenue Code. Separate provisions apply in the event of death or disability of the participant. Payments are to be made in a lump sum. Withdrawals prior to termination of employment or retirement are prohibited unless elected by the participant under the following conditions: attaining age 59 ½, establishing permanent and total disability, demonstrating financial hardship, or otherwise allowed by the applicable laws and regulations.

NOTE D – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification No. 820 (ASC 820) *Fair Value Measurements and Disclosures* (formerly Statement No. 157, *Fair Value Measurement*), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the closing price reported in the active market in which the individual funds are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – RELATED PARTY TRANSACTIONS

A party-in-interest, as defined by Section 3(14) of ERISA, includes, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, loans to participants are considered party-in-interest transactions. Fees incurred by the Plan to the trustee for investment and trust services amounted to \$48,938 and \$38,300 for the years ended December 31, 2021 and 2020, respectively. There were no fees payable at December 31, 2021 and 2020, respectively.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company retains the right under the Plan to discontinue its matching contributions at any time or to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the assets will be distributed as determined by the Plan.

NOTE G – TAX STATUS

The Prototype Plan Sponsor has obtained from the IRS an Opinion Letter dated March 31, 2008 specifying the form of the adoption agreement and the basic plan document satisfy the applicable requirements of the Internal Revenue Code. The Company may rely on the Prototype Sponsor's IRS Opinion Letter only to the extent provided in Rev. Proc. 2005-16. The Company may not rely on the IRS Opinion Letter in certain other circumstances or with respect to certain qualification requirements, which are specified in the Opinion Letter and in Rev. Proc. 2005-16, Section 19.02 and 19.03.

GAAP requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2016.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization characterized the COVID-19 outbreak as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has negatively impacted the world economy and generated volatility in the financial markets. These economic and market conditions and other effects of the COVID-19 pandemic may continue to adversely affect the Plan. The extent to which the COVID-19 pandemic will ultimately impact the Plan's participants' account balances and the amounts reported in the 2020 Statement of Net Assets Available for Benefits cannot be predicted at this time. In response to the COVID-19 pandemic, Congress passed the CARES Act to provide financial aid for individuals and companies impacted by the coronavirus. In addition, the CARES Act includes special provisions allowing access to retirement savings and suspension of required minimum distributions (RMDs) to aid participants impacted by the pandemic.

## INDEPENDENT AUDITORS' REPORT

To the Participants and Trustees of  
CSSS.NET 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of CSSS.NET 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of CSSS.NET 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompany 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CSSS.NET 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CSSS.NET 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CSSS.NET 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CSSS.NET 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedules of Assets (Held at End of Year) and Nonexempt Transactions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of CSSS.NET 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## CSSS.NET 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

#### NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation – The accompanying financial statements of CSSS.NET 401(k) Plan (the Plan) are prepared under the accrual method of accounting. The Plan Sponsor did change its corporate name to Constellation West (the Company), but the name of the plan remains the same.

General – The Plan was originated in February 2011.

Administration of the Plan – The Plan, sponsored by the Company, is a defined contribution retirement plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Plan Sponsor believes it is in compliance with ERISA. Some administrative expenses related to the Plan are paid by the Company. The Company has no reversionary interest in the Plan.

Investment Valuation and Income Recognition – The Company entered into a Group Annuity Contract with the Trustee. The employees direct their contributions to be invested in investment options that consist of mutual funds offered by the Trustee. The Plan's investments are stated at fair value. The Plan's investment accounts are mutual funds offered by the Trustee. Each mutual fund investment is valued at fair value by the Trustee at the close of each business day.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measures at the unpaid principal balance plus any accrued buy unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

#### NOTE B – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

Eligibility – Under the terms of the Plan, an employee will be eligible to participate in the plan immediately upon hire if they attained age eighteen and met all other eligibility requirements.

NOTE B – DESCRIPTION OF PLAN – Continued

Contributions and Participant Accounts - 401(k) Provision – Each participant may elect to make salary reduction 401(k) contributions of not less than 1% up to 100% of their compensation, as defined, subject to federal deferral limits. Each participant may also elect to make Roth contributions of not less than 1% up to 100% of their compensation, as defined, subject to federal deferral limits. Employees over the age of 50, may make “catch-up” contributions subject to federal annual limits. The Company makes safe harbor matching 401(k) contributions equal to 100% of the participant's deferral up to 1% plus 50% of the participant's deferral from 1% up to 6% of compensation. Participant and Company 401(k) contributions are allocated within each participant's account to investment options based upon the participant's current investment allocation elections. Annual 401(k) contributions are subject to limitations set by the Internal Revenue Service.

The Plan also offers automatic enrollment as a feature of the plan and all eligible employees are automatically enrolled at 3% of salary. The percentage of salary for automatic deferrals gradually increases to 6% based on the plan year of application to the participant. Employees are given the option to elect out of participation if they choose to do so.

Each participant's account is credited with the participant's elective deferral 401(k) contributions, employer safe harbor matching 401(k) contributions, an allocation of the Plan earnings and forfeitures of terminated participant's non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant account balances as defined.

Forfeitures – Forfeitures are amounts that come from terminated employees (participants) share of employer matching 401(k) contributions that are not vested. Forfeitures can be used to offset 401(k) plan expenses and employer matching contributions. The forfeiture balance was \$849 and \$2,959 as of December 31, 2021 and 2020, respectively. For the years ended December 31, 2021 and 2020, forfeited amounts total approximately \$16,375 and \$11,530, respectively.

Vesting – Active participating employees become 100% vested in employer safe harbor matching 401(k) contributions after two years of service. Participants are immediately vested in all employee 401(k) contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Benefits – Upon the participant's retirement or termination of service, the Company shall value and distribute the participant's account in accordance with the Plan document and the Internal Revenue Code. Separate provisions apply in the event of death or disability of the participant. Payments are to be made in a lump sum. Withdrawals prior to termination of employment or retirement are prohibited unless elected by the participant under the following conditions: attaining age 59 ½, establishing permanent and total disability, demonstrating financial hardship, or otherwise allowed by the applicable laws and regulations.

NOTE D – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification No. 820 (ASC 820) *Fair Value Measurements and Disclosures* (formerly Statement No. 157, *Fair Value Measurement*), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques that are used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the closing price reported in the active market in which the individual funds are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E – RELATED PARTY TRANSACTIONS

A party-in-interest, as defined by Section 3(14) of ERISA, includes, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, loans to participants are considered party-in-interest transactions. Fees incurred by the Plan to the trustee for investment and trust services amounted to \$48,938 and \$38,300 for the years ended December 31, 2021 and 2020, respectively. There were no fees payable at December 31, 2021 and 2020, respectively.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company retains the right under the Plan to discontinue its matching contributions at any time or to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the assets will be distributed as determined by the Plan.

NOTE G – TAX STATUS

The Prototype Plan Sponsor has obtained from the IRS an Opinion Letter dated March 31, 2008 specifying the form of the adoption agreement and the basic plan document satisfy the applicable requirements of the Internal Revenue Code. The Company may rely on the Prototype Sponsor's IRS Opinion Letter only to the extent provided in Rev. Proc. 2005-16. The Company may not rely on the IRS Opinion Letter in certain other circumstances or with respect to certain qualification requirements, which are specified in the Opinion Letter and in Rev. Proc. 2005-16, Section 19.02 and 19.03.

GAAP requires plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income examination for years prior to 2016.

NOTES TO FINANCIAL STATEMENTS - Continued

For the Years Ended December 31, 2021 and 2020

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization characterized the COVID-19 outbreak as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has negatively impacted the world economy and generated volatility in the financial markets. These economic and market conditions and other effects of the COVID-19 pandemic may continue to adversely affect the Plan. The extent to which the COVID-19 pandemic will ultimately impact the Plan's participants' account balances and the amounts reported in the 2020 Statement of Net Assets Available for Benefits cannot be predicted at this time. In response to the COVID-19 pandemic, Congress passed the CARES Act to provide financial aid for individuals and companies impacted by the coronavirus. In addition, the CARES Act includes special provisions allowing access to retirement savings and suspension of required minimum distributions (RMDs) to aid participants impacted by the pandemic.

NOTE I – SUBSEQUENT EVENTS

Subsequent events were evaluated through September 23, 2022, which is the date the financial statements were available to be issued.
