HealthAlliance 403(b) Plan

Financial Statements

December 31, 2021

Independent Auditors' Report

The Plan Administrator of HealthAlliance 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the accompanying financial statements of the HealthAlliance 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Emphasis of Matter – Financial Condition of Plan Sponsor

As discussed in Note 10, the plan administrator has informed us that the management of HealthAlliance, Inc. has stated that substantial doubt exists about HealthAlliance, Inc.'s ability to continue as a going concern. HealthAlliance Hospital - Mary's Avenue Campus (the "Plan Sponsor") and Margaretville Hospital and its affiliate Margaretville Nursing Home, Inc. d/b/a Mountainside Residential Care Center are component units of HealthAlliance, Inc. The financial statements do not include any adjustments that might result from the outcome of the uncertainty. Our disclaimer of opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust Company, Transamerica Financial Life Insurance Company, Great-West Trust Company, LLC and Lincoln Life and Annuity Company of New York, the custodians of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of December 31, 2020, that the information provided to the plan administrator by the custodians is complete and accurate.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply sufficient auditing procedures to determine the extent to which the financial statement may have been affected by these conditions.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Emphasis of Matter – Financial Condition of Plan Sponsor

As discussed in Note 10, the plan administrator has informed us that the management of HealthAlliance, Inc. has stated that substantial doubt exists about HealthAlliance, Inc.'s ability to continue as a going concern. HealthAlliance Hospital - Mary's Avenue Campus (the "Plan Sponsor") and Margaretville Hospital and its affiliate Margaretville Nursing Home, Inc. d/b/a Mountainside Residential Care Center are component units of HealthAlliance, Inc. The financial statements do not include any adjustments that might result from the outcome of the uncertainty. Our disclaimer of opinion is not modified with respect to this matter.

HealthAlliance 403(b) Plan

Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following description of HealthAlliance 403(b) Plan (f/k/a Health Alliance Hospital Mary's Avenue Campus 403(b) Plan) (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

HealthAlliance, Inc. (the "Corporation") is a multi-campus health care system serving Ulster and Delaware Counties in New York's Hudson Valley region. The Corporation is party to an affiliation agreement with Westchester County Health Care Corporation ("WCHCC"), d/b/a Westchester Medical Center Health Network ("WMC") and WMC Health Network - Ulster, Inc. (a blended component unit/subsidiary of WMC). WMC Health Network - Ulster, Inc. was the sole corporate member of the Corporation through October 20, 2019. As of October 21, 2019, WCHCC became the sole corporate member of the Corporation. As a result, the Corporation is considered a blended component unit of WMC.

The Plan is a defined contribution plan covering all of the employees of HealthAlliance Hospital - Mary's Avenue Campus and Margaretville Hospital and its affiliate Margaretville Nursing Home, Inc. d/b/a Mountainside Residential Care Center (collectively the "Hospital"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

During the year ended December 31, 2019, the Margaretville Memorial Hospital and its Affiliate Mountainside Residential Care Center Tax Deferred Annuity Plan was merged into the former HealthAlliance Hospital - Mary's Avenue Campus 403(b) Plan thus forming the HealthAlliance 403(b) Plan.

Eligibility

Employees are eligible to participate in the Plan on the date their employment begins with the Hospital. Employees are also eligible for the employer match contributions and the employer non-elective contributions once they have met the one year service requirement as defined in the plan document.

Contributions

Each year, participants may contribute pretax annual compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Code (the "Code"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

For Mary's Avenue Campus employees the Hospital makes a matching contribution of 100% of the participant's deferral contribution up to a maximum of 2% of their eligible compensation on a bi-weekly basis.

For Margaretville Memorial Hospital and its Affiliate Mountainside Residential Care Center employees the Hospital makes a matching contribution of 100% of the participant's deferral contribution up to a maximum of \$20 per month.

1. Description of Plan *(continued)*

Contributions (continued)

The Hospital's non-elective contribution is based on two allocation groups. Group A: participants classified by the Employer as NYSNA represented registered nurse and Group B: All other participants. The formula used during the 2021 Plan year was 2% of eligible compensation and was only made for Group A participants.

Vesting

A participant is 100% vested in their contributions and the Hospital matching contributions including allocated earnings thereon at all times. Participants vest in the Hospital non-discretionary contributions based on the following table:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures

At December 31, 2021 and 2020, forfeited account balances were \$36,355 and \$34,535. These accounts may be used to reduce future Employer contributions or Plan expenses. During 2021, \$1,577 of forfeitures were used to reduce Employer contributions and \$1,859 of forfeitures were used to reduce Plan expenses.

Plan Expense Account

The Plan and Empower Retirement Services entered into a service based pricing arrangement whereby a portion of the revenue earned by certain Plan investments is passed through to the Plan for payment of permitted Plan expenses. The Plan Expense Account is a nonparticipant directed account within the Plan. At December 31, 2021 and 2020 the Plan Expense Account balance was \$3,456 and \$11,386. During 2021, \$38,492 from the Plan Expense Account was used to reduce Plan expenses.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Hospital's contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

1. Description of Plan (continued)

Payment of Benefits

Participants are eligible to receive benefit payments when they terminate service or reach age 59 ½. On termination of service, a participant may elect to receive a distribution in the amount equal to the participant's vested interest in their account. Benefit payments are also permitted for death, disability and hardship.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. The loans bear interest at 1% over the prime rate and are secured by the participant's account. Principal and interest are repaid through payroll deductions in equal payments over the term of the loan (up to five years). The Plan permits longer repayment terms for loans made for the purchase of a principal residence. A participant may have no more than two outstanding loans from the Plan at any time.

Expenses

Certain expenses related to maintaining the Plan are paid by the Hospital and are excluded from these financial statements. Any expenses not paid by the Hospital are paid by the Plan. Investment related expenses are included in net appreciation in value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of December 31, 2021 and 2020, all of the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

HealthAlliance 403(b) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the insurance company general accounts, which is stated at contract value since they are fully benefit-responsive. The mutual funds are valued at the daily closing price as reported by the funds. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. These funds are deemed to be actively traded. The insurance company general accounts are valued at contract value, which represents contributions plus credited interest less participant withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the plan year.

Notes Receivable from Participants

Participants loans are measured at their unpaid principal balance plus any accrued unpaid interest and are classified as notes receivable from participants. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded as a deemed distribution.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 10, 2022.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2021 and 2020, and the net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company, Transamerica Financial Life Insurance Company, Great-West Trust Company, LLC and Lincoln Life and Annuity Company of New York, qualified institutions.

4. Insurance Company General Accounts

TFLIC Insurance Company/General Account

The TFLIC Insurance Company/General Account (the "Account") consists of two fully benefit-responsive contracts with Transamerica, which are the Fixed Fund and the Stable Fund.

The TFLIC Fixed Fund ("Fixed Fund") provides participants with book value distributions at retirement and other events as described in the group annuity contract. Both principal and interest are guaranteed by TFLIC. The Fixed Fund is supported by TFLIC's general account. The general account of TFLIC invests in investment grade fixed income securities, including U.S. Government, Agency, and corporate issues; as well as individually underwritten mortgage loans, and private placements. Interest is declared quarterly for new deposits received during that quarter and are guaranteed for the balance of that calendar year. Renewal rates are declared annually on a calendar year basis for existing assets. No monies may be transferred by participants to fixed income funds (competing funds). Funds transferred to non-fixed income funds may not be transferred to fixed income funds or back to the Fixed Fund for 90 days. Monies transferred back to the Fixed Fund or withdrawn within the 90 day period are subject to a 5% charge. Monies withdrawn or transferred by the Employer and monies withdrawn by participants not due to benefit withdrawals, hardships and loans may be subject to a withdrawal charge.

The TFLIC Stable Fund ("Stable Fund") is provided under a group annuity contract issued by TFLIC. The Stable Fund seeks to provide maximum yield consistent with a guarantee of principal. The Stable Fund provides participants with book value distributions at retirement and other events as described in the group annuity contract. Both principal and interest are guaranteed by TFLIC. The Stable Fund is supported by TFLIC's general account. The general account of TFLIC invests in investment grade fixed income securities, including US Government, Agency, and corporate issues; as well as individually underwritten mortgage loans, and private placements. No monies may be transferred by participants to fixed income funds (competing funds) except at a segment maturity date. Monies transferred to non-fixed income funds may not be transferred to fixed income funds or back to the Stable Fund for three months. Monies withdrawn or transferred from the Stable Fund by the Employer at any time and/or by participants during the 6-month period preceding contract suspension may be subject to restriction and/or adjustment in accordance with contract provisions.

The credit risk of TFLIC was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best Company (A as of October 2021), Moody's Investors Service (A1 as of April 2022) and Standard and Poor's (A+ as of March 2021).

New York Life Guaranteed Interest Account

The New York Life Guaranteed Interest Account ("GIA") is a fully benefit-responsive general account group annuity contract that guarantees principal and accumulated interest. Guarantees are provided to participating retirement plans through a group annuity contract issued by New York Life Insurance Company ("New York Life"). Contributions are invested in a fixed income portfolio within New York Life's general account. The GIA crediting rate is subject to change every six months following the first contract year.

HealthAlliance 403(b) Plan

Notes to Financial Statements
December 31, 2021

4. Insurance Company General Accounts *(continued)*

New York Life Guaranteed Interest Account (continued)

The GIA group annuity contract provides that, subject to certain restrictions, withdrawals for benefit payments be made at contract value for events such as death, retirement, disability and termination of employment in the normal course of business. In-service withdrawals permitted by the Plan, such as loans, hardship and other eligible in-service withdrawals will also be paid at contract value. Payment for transfers to other non-competing investment options in the Plan's investment lineup will also be made at contract value, subject to certain restrictions for competing investment options.

The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best (A++ as of October 2021), Moody's (Aaa as of June 2022), Standard and Poor's (AA+ as of December 2019), and Fitch (AAA as of November 2021).

Lincoln Fixed Account

The Lincoln Fixed Account provides a guarantee of principal and interest. Assets in the Fixed Account are part of the general assets of the issuing company and are subject to the claims paying ability of that company.

Contributions allocated to the Lincoln Fixed Account are guaranteed to be credited with a minimum interest rate, as specified in the contract. Lincoln has an internal committee that reviews and sets interest rates quarterly based on a variety of proprietary factors. Lincoln's standard crediting methodology is to apply a portfolio interest rate to the Lincoln Fixed Account. That is, a single interest rate applies to the entire balance of the participant's Lincoln Fixed Account. The declared portfolio interest rate is published quarterly in advance of the quarter for which the rate will be effective. The rate of interest actually credited to the Fixed Account will be the greater of the declared rate of interest or the guaranteed minimum interest rate specified in the contract. The standard guaranteed minimum interest rate is 3.00%. A participant may transfer or withdraw all or a portion of his or her Fixed Account balance without limitation.

The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best (A+ as of March 2020), Moody's (A1 as of January 2018), Standard and Poor's (AA- as of December 2021), and Fitch (A+ as of March 2020).

5. Plan Termination

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

HealthAlliance 403(b) Plan

Notes to Financial Statements
December 31, 2021

6. Plan Records Management

In November 2007, the Department of Labor (“DOL”) issued amended regulations eliminating an exemption granted to 403(b) plans from the annual Form 5500 reporting and disclosure requirements under Part 1 of Subtitle B of Title I of ERISA. Prior to the amended regulations, the Plan was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Accordingly, various custodial accounting and recordkeeping reports related to the Plan’s 403(b) annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009 were not sufficiently maintained. Consequently, the financial statements and supplemental schedule have been prepared based on available records analyzed by Plan management. As certain records were not available from the inception of the Plan, the effect, if any, on the completeness or accuracy of the Plan’s financial statements cannot be determined.

7. Tax Status

The Plan was formed using a prototype plan which the Internal Revenue Service (“IRS”) has determined and informed the applicant by letter dated March 31, 2017 that the prototype plan and related trust are designed in accordance with applicable sections of the Code. Plan management believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Party-in-Interest Transactions

Certain Plan investments are managed by custodians of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statement of net assets available for benefits.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

HealthAlliance 403(b) Plan

Notes to Financial Statements
December 31, 2021

9. Risks and Uncertainties (*continued*)

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

10. Financial Position of Plan Sponsor

The Plan administrator has informed us that the Hospital has concluded that as of December 31, 2021 and for the year then ended, as a result of financial condition, there is substantial doubt about the Hospital's ability to continue as a going concern.
