Independent Auditor's Report

The Plan Administrator
Tecta America Corp. Profit Sharing and 401(k) Plan
Rosemont, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Tecta America Corp. Profit Sharing and 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and Supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agrees to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Tecta America Corp. Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Tecta America Corp. and subsidiaries (the Employer or Company), as defined in the Plan document. Employees are eligible to participate in the Plan upon completion of 30 days of service and attainment of age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by the Tecta America Corp. Profit Sharing and 401(k) Plan Administrative Committee (Committee) that is responsible for the general administration and oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Administration

As of April 16, 2021 recordkeeping and trustee services transferred from Wells Fargo Bank, N.A. to Principal Trust Company.

Contributions

Each year, participants may contribute up to 50% of pre-tax annual compensation, subject to Internal Revenue Code (IRC) limitations, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers). The Plan also allows participants to designate all or a portion of their deferrals as Roth contributions to the Plan on an after-tax basis and allows rollovers of designated Roth contributions into the Plan.

The Plan provides for Company matching contributions for participants who have completed at least 1,000 hours within a 12-month period. Company matching contributions are equal to 50% of the first 6% of compensation that a participant contributes to the Plan.

Additional discretionary Company profit-sharing contributions may be contributed at the option of the Company to participants who have completed 1,000 hours of service within a 12-month period and are employed on the last day of the Plan year. The Company did not elect to make any such additional discretionary Company profit-sharing contributions to the Plan for the years ended December 31, 2021 and 2020. In the instance where the Company should elect to make an additional discretionary profit-sharing contribution, the participants would vest at a graded schedule becoming 20% vested after two years and fully vested after six years.

Contributions are subject to certain IRC limitations.

Participants may direct the investment of all their contributions among one or more funds offered in the Plan. Changes in allocations of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of (a) any discretionary Company profit-sharing contributions, and (b) Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balance, or specific-participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate at the time the loan is requested. Interest rates on outstanding loans range from 3.25% - 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions over a term not exceeding five years.

Payment of Benefits

On separation of service due to death, disability, termination of service, attainment of age 59½, or retirement, a participant may elect to receive their benefits in an amount equal to the value of the participant's vested interest in his or her account, as a lump-sum amount, in the form of installments over a specified period, or as a rollover to another entity. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan.

Vesting

Participants, except for participants from merged in plans, are immediately vested in their contributions and Company matching contributions, plus actual earnings thereon. Participants from merged in plans become vested under the scheduled timing of their prior plan.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested amounts were \$249 and \$33,279, respectively. Forfeitures are generally used first to restore former participant accounts for participants with less than a five-year break-in-service, then can be used to pay administrative expenses of the Plan and to reduce Company contributions. In 2021, forfeitures were used to reduce administrative expenses by \$65,236.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable and requested distributions from participants are charged directly to the participant's account and are included in administrative expenses. Also included in administrative expenses are investment advisory fees, record-keeping fees, and trustee fees.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 11, 2022, which is the date the financial statements were available to be issued. No subsequent events have occurred through that date that required recognition or disclosure in the financial statements.

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

3. Fair Value Measurements

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements and Disclosures* establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - These assets are valued at the daily closing price, as reported by the fund. Registered investment companies held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The shares of registered investment companies held by the Plan are deemed to be actively traded.

Collective Investment Trusts (CITs) - These assets are valued using the NAV provided by the administrator of the fund, which is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets held by the fund, less its liabilities, and then divided by the number of shares outstanding. The NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments that are traded on an active market.

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments:

December 31, 2021

	Investments, at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 135,465,329	\$ -	\$ -	\$ 135,465,329
Collective investment trusts, at NAV*	-	-	-	19,243,702
Total Investments, at fair value	\$ 135,465,329	\$ -	\$ -	\$ 154,709,031

December 31, 2020

	Investments, at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 117,014,712	\$ -	\$ -	\$ 117,014,712
Collective investment trusts, at NAV*	-	-	-	17,328,741
Total Investments, at fair value	\$ 117,014,712	\$ -	\$ -	\$ 134,343,453

* The CITs, which are measured at fair value using the NAV per share (or its equivalent) as a practical expedient, have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits. There were no unfunded commitments related to these investments.

Investments in the CITs can be redeemed immediately at the participant level. The Plan is required to provide advance notice to the fund in order to terminate their entire investment interest at the current NAV per share based on the fair value of the underlying assets. If the Plan offers a "competing fund," participants are required to invest in a "noncompeting fund" for at least 90 days before transferring into the "competing fund" option.

4. Information Certified by the Trustees

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee, Wells Fargo Bank, N.A. for the year ended December 31, 2020 through April 15, 2021, and Principal Trust Company beginning April 16, 2021 through December 31, 2021, have certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

- Investment income, other income and interest income on notes receivable from participants, as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- The Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information provided by the trustee to the related information included in the financial statements and supplemental schedules.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the discretionary Company profit-sharing contribution portion of their accounts.

6. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by Wells Fargo, the prior trustee of the Plan, therefore, these transactions qualify as party-in-interest transactions. Certain employees of the Company provide administrative services to the Plan. Employees are not paid by the Plan for their services.

Wells Fargo and Principal provides certain administrative services to the Plan pursuant to a service agreement between the Company and Wells Fargo and Principal. Wells Fargo and Principal receive revenue from mutual fund service providers for services Wells Fargo and Principal provides to the funds. This revenue is used to offset certain amounts owed to Wells Fargo and Principal for their administrative services to the Plan. If revenue received by Wells Fargo and Principal from such mutual fund service providers exceeds the amounts owed under this agreement, Wells Fargo and Principal remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses. Any excess amounts are included in other income in the statement of changes in net assets available for benefits.

7. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS), dated October 24, 2017, stating that the Plan document, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since the date of the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and that the related trust is tax-exempt. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability or asset if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon the examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Tecta America Corp. Profit Sharing and 401(k) Plan

Notes to Financial Statements

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Prohibited Transactions

During 2021, 2020 and 2019, the Company failed to remit to the Plan's trustee certain participant contributions totaling \$68,684, \$571, and \$6,076, respectively, within the period prescribed by the DOL's regulations. Delays in remitting contributions to the trustee were due to administrative errors and constitute prohibited transactions. During 2021, the Company remitted lost earnings related to the 2020 and 2019 late remittances noted above. The Company is in process of calculating and remitting lost earnings to the trust in 2022 for the 2021 late remittances.
