December 31, 2021

Independent Auditors' Report

The Board of Trustees of WMCHHealth Network Affiliated Employers 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of WMCHHealth Network Affiliated Employers 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**The Board of Trustees of
WMCHealth Network Affiliated Employers 401(k) Plan**
Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

WMCHHealth Network Affiliated Employers 401(k) Plan

Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following description of WMCHHealth Network Affiliated Employers 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Westchester Medical Center Advanced Physician Services, P.C., NorthEast Provider Solutions, Inc., Mid-Hudson Valley Staffco, LLC and WMC-New York, Inc. (collectively the "Employers"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Eligible employees are eligible to participate in the Plan upon their date of hire.

Contributions

Each year, eligible employees may elect to have a percentage or specified dollar amount deducted from their eligible compensation, as defined by the Plan. Participant's contributions may be deducted on a pre-tax or Roth basis. Participants who attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Employers. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC").

The Plan provides for an employer safe harbor matching contribution equal to 100% of a participant's elective deferrals not to exceed 4% of the participant's eligible compensation.

Effective January 1, 2020, the Plan was amended to include an automatic enrollment feature whereby employees whose employment commenced on or after this date would be automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 4% of their eligible compensation. The amount will be deducted on a pre-tax basis.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Employers' contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. All investments are participant directed.

Vesting

Participants are fully vested in their accounts at all times.

Notes to Financial Statements

1. Description of the Plan (*continued*)

Plan Expense Account

The Plan and Empower Retirement entered into a service based pricing arrangement whereby a portion of the revenue earned by certain Plan investments is passed through to the Plan for payment of permitted Plan expenses. The Plan Expense Account is a nonparticipant directed account within the Plan. The Plan Expense Account balance was \$73,038 and \$92,979 at December 31, 2021 and 2020. During 2021, \$113,711 was used from the Plan Expense Account to reduce Plan expenses.

Payment of Benefits

Upon termination of service due to death, disability, retirement or separation from service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Withdrawals from the Plan may also be granted based upon circumstances of financial hardship or after attaining age 59 1/2, in accordance with provisions specified in the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the participant's vested account balance and bear interest at the prime rate plus 2%. A participant may only have one loan outstanding at any given time. Loan repayments must be made through payroll deductions over a term not to exceed 5 years unless the proceeds of the loan are used to purchase the participant's principal residence, in which case the term is not to exceed 15 years.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements

The Plan follows U.S. GAAP guidance on fair value measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2021 and 2020, all of the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the group annuity contract, which is stated at contract value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. These funds are deemed actively traded. The group annuity contract is valued at contract value, which represents contributions plus credited interest less participant withdrawals and fees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses for maintaining the Plan are paid by the companies and are excluded from these financial statements. Administrative fees for transaction charges are paid by the Plan. Investment related expenses are included in net appreciation in value of investments on the statement of changes in net assets available for benefits.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 10, 2022.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2021 and 2020, and the net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Trust Company, LLC, a qualified institution.

4. Group Annuity Contract

The New York Life Guaranteed Interest Account (“GIA”) is a general account group annuity contract that guarantees principal and accumulated interest. Guarantees are provided to participating retirement plans through a group annuity contract issued by New York Life Insurance Company (“New York Life”). Contributions are invested in a fixed income portfolio within New York Life’s general account. The GIA crediting rate is subject to change every six months following the first contract year.

The GIA group annuity contract provides that, subject to certain restrictions, withdrawals for benefit payments be made at contract value for events such as death, retirement, disability and termination of employment in the normal course of business. In-service withdrawals permitted by the Plan, such as loans, hardship and other eligible in-service withdrawals will also be paid at contract value. Payment for transfers to other non-competing investment options in the Plan’s investment lineup will also be made at contract value, subject to certain restrictions for competing investment options.

The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: A.M. Best (A++ as of October 2021), Moody’s (Aaa as of June 2022), Standard and Poor’s (AA+ as of December 2019), and Fitch (AAA as of November 2021).

5. Party-in-Interest Transactions

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

6. Plan Termination

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

WMCHHealth Network Affiliated Employers 401(k) Plan

Notes to Financial Statements
December 31, 2021

7. Tax Status

The Plan was formed using a prototype plan which the Internal Revenue Service ("IRS") has determined and informed the applicant by letter dated June 30, 2020 that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Plan management believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
