Independent Auditor's Report

Trustees
Barilla America, Inc. 401(k) Plan
Northbrook, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Barilla America, Inc. 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Barilla America, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Barilla America, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Barilla America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Barilla America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Barilla America, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of Plan

The following description of Barilla America, Inc. 401(k) Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

The Plan was established to enable employees to save toward retirement through payroll deductions. The Plan allows employees to put money into the Plan on a before-tax basis. Income taxes are generally not incurred by employees until the employee receives money from the Plan. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

General

The Plan covers all employees of Barilla America, Inc. (Company) who have attained the age of 18 and are not covered by a collective bargaining agreement. Upon satisfying the Plan's eligibility requirements, employees are eligible to participate in the Plan as of the following month.

Contributions

Participants may contribute up to 100% of eligible compensation, not to exceed the amount allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company makes a matching contribution equal to a participant's eligible contribution, up to a maximum of 6% of base compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Unless specifically declined, eligible employees are automatically enrolled in the Plan at an amount equal to 6% of eligible compensation. Such percentage is increased by 1% as of the first day of the plan year, not to exceed 10%. The Plan also allows Roth contributions from participants as well to accept rollovers of designated Roth contributions from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeitures of nonvested Company contributions and earnings thereon are used to reduce future Company contributions and pay administrative expenses. At December 31, 2021 and 2020, there were \$187,679 and \$106,407, respectively, of unallocated forfeitures. In 2021 and 2020, \$53,715

Barilla America, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

and \$14,450, respectively, of forfeitures were applied to reduce plan expenses. Also, in 2021, \$412 of forfeitures were used to reduce Company contributions.

Vesting

Participants are fully vested in the value of their employee-directed contributions to the Plan and the earnings thereon. The Company's matching contributions vest according to the following schedule:

<u>Full Years of Service</u>	<u>Vested Percentage</u>
1	33%
2	66%
3	100%

In the event of death, disability or retirement, participants are fully vested in employer contributions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a money market fund, various registered investment companies and a common or collective trust as investment options for participants.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum amount of \$1,000 not to exceed 50% of their vested account balance. The maximum aggregate dollar amount of loans outstanding may not exceed \$50,000 per participant. The notes are secured by the balance in the participant's account and bear interest at 5.25% at December 31, 2021, which is commensurate with local prevailing rates at the time of the loans.

In 2020, the Company adopted the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

Notes to Financial Statements

December 31, 2021 and 2020

Payment of Benefits

Each participant is entitled to receive a distribution equal to his or her vested account balance upon his or her death, retirement, termination or disability. Participants may elect to receive benefits in a rollover, a lump-sum payment or a combination of the two. A participant may make withdrawals from his or her account derived from salary deferral contributions and vested matching Company contributions in the event of financial hardship as defined by the plan document.

In 2020, the Company implemented CARES Act provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD had the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses of administering and operating the Plan are paid by the Company. The Plan pays certain administrative expenses and transaction costs related to participant loans and investment fees. Investment fees are included in net appreciation in fair value of investments.

Barilla America, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Revenue Sharing

The Plan recognizes income from revenue sharing agreements when received. Amounts received are utilized to pay qualified plan expenses. Revenue sharing activity for the years ended December 31, 2021 and 2020, is as follows:

Revenue sharing account balance, January 1, 2020	\$ 83,291
Investment income	222
Revenue sharing	<u>28,750</u>
Balance, December 31, 2020	112,263
Investment income	13
Revenue sharing	<u>40,000</u>
Balance, December 31, 2021	<u><u>\$ 152,276</u></u>

No amounts were used to pay plan expenses in 2021 or 2020.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The Plan's investment in a money market fund is valued at cost, which approximates fair value. The Plan's investments in registered investment companies are valued at quoted market prices. The common or collective trust fund is valued at the net asset value (NAV) of the shares held at year-end. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There were no unfunded commitments at December 31, 2021 or 2020.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions.

Barilla America, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 3: Information Certified by the Plan's Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, a qualified institution, has certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment income components and interest income from notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds are carried at cost, which approximates fair value (Level 1 inputs).

Barilla America, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

The fair value of shares of registered investment companies is determined by obtaining quoted market prices on nationally recognized securities exchanges (Level 1 inputs).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements at Reporting Date Using			
	Fair Value	Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2021				
Money market fund (included in fair value hierarchy)	\$ 152,276	\$ 152,276	\$ -	\$ -
Registered investment companies (included in fair value hierarchy)	121,345,466	121,345,466	-	-
Investments measured at net asset value (A)	3,414,838	-	-	-
Total	<u>\$ 124,912,580</u>	<u>\$ 121,497,742</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2020				
Money market fund (included in fair value hierarchy)	\$ 112,263	\$ 112,263	\$ -	\$ -
Registered investment companies (included in fair value hierarchy)	104,252,987	104,252,987	-	-

Total	<u>\$ 107,562,080</u>	<u>\$ 104,365,250</u>	<u>\$ -</u>	<u>\$ -</u>

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation

Barilla America, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5: Income Tax Status

The Plan operates under a non-standardized pre-approved profit sharing plan sponsored by FMR LLC. This prototype plan document has been filed with the appropriate agency and the prototype sponsor has obtained an opinion letter dated June 30, 2020, from the Internal Revenue Service stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, each participant will be fully vested in the value of their account.

Note 7: Party-in-Interest Transactions

Certain plan investments are managed by Fidelity Management Trust Company, the trustee of the Plan, and therefore these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for legal, accounting and other professional services are primarily rendered by parties-in-interest and during 2021 and 2020 were \$57,845 and \$34,229, respectively. The Company provides certain administrative services at no cost to the Plan.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
