Independent Auditor's Report

To the Members of Management of
Alpena Supermarket, Inc. Employees'
401(k) Savings Plan and Trust
Alpena, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Alpena Supermarket, Inc.
Employees' 401(k) Savings Plan and Trust

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Alpena Supermarket, Inc. ("the Company") 401(k) Savings Plan and Trust ("the Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General. The Plan Sponsor established the Plan effective January 1, 1992. The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service, minimum 1,000 hours, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 (ERISA).

Employee Contributions. Each year, participants may contribute up to the maximum amount permitted by law of pretax annual compensation, as defined in the Plan (limited to \$19,500 in 2021 and in 2020). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers of eligible distributions from other tax qualified plans into the Plan. Participants that are permitted to make elective deferrals shall also be permitted to make Roth elective deferrals. Contributions are subject to certain IRS limitations.

Employer Contributions. Employer matching contributions are discretionary. The employer may contribute to the Plan a discretionary amount as determined by the employer's management. Employer matching contributions are allocated to participants who have made elective 401(k) contributions. There were no discretionary matching contributions made for the years ending December 31, 2021 or 2020.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions, rollover contributions, as well as Plan earnings and losses. Allocations are based on earnings or account balances, as defined. Fund investment expenses of the Plan are charged against the fund assets of the participant who is responsible for the expense. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan's investment options currently consist of twenty-two different mutual funds and a money market fund.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service for employer matching contributions.

Participant Loans. Participant loans are not permitted under the Plan.

Payment of Benefits. Upon termination of service due to retirement, disability, termination, or death, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Benefits are recorded when paid.

Alpena Supermarket, Inc.
Employees' 401(k) Savings Plan and Trust

Notes to Financial Statements

Note 1. Description of the Plan *(continued)*

Forfeited/Asset Holding Accounts. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$4,757 and \$3,569 respectively. These accounts will be used to reduce future employer contributions. Also, in 2021, administration fees were reduced by \$12,842 from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

Date of Management's Review. Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through the date of the accompanying independent auditor's report, which is the date the financial statements were readily available to be issued.

Basis of Accounting. The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America (generally accepted accounting principles).

Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded when earned.

Net appreciation or depreciation of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains and losses and unrealized appreciation or depreciation of these investments.

Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Note 4. Investments

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, as custodian, has certified the completeness and accuracy of the investment information reflected in (1) the accompanying statement of net assets available for benefits as of December 31, 2021, (2) the December 31, 2021 schedule of assets (held at end of year), and (3) the related investment activity reflected in the statements of changes in net assets available for benefits during 2021.

The following presents participant-directed investments that represent five percent or more of the Plan's net assets:

Investment	2021		2020	
	Units	Value	Units	Value
Mutual Funds:				
American Balanced Fund	-	\$ -	5,105	\$ 153,114

Investment Company of America	-	-	3,059	134,893
Smallcap World Fund	2,239	153,311	1,971	137,131
The Growth Fund of America	5,118	349,657	6,720	423,166

Note 5. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Note 5. Fair Value Measurements *(continued)*

Level 3: Input to the valuation methodology is unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan consists of mutual funds which the valuation methodology is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021		
	Level 1	Level 2	Level 3
Money market fund	\$ 37,921	\$ -	\$ -
Mutual funds	2,122,896	-	-
Total investments at fair value	<u>\$ 2,160,817</u>	<u>\$ -</u>	<u>\$ -</u>
	Assets at Fair Value as of December 31, 2020		
	Level 1	Level 2	Level 3
Money market fund	\$ 32,932	\$ -	\$ -
Mutual funds	2,349,619	-	-
Total investments at fair value	<u>\$ 2,382,551</u>	<u>\$ -</u>	<u>\$ -</u>

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Reconciliation of Financial Statements to Schedule H of Form 5500

A reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 Annual Return/Report of Employee Benefit Plan to be filed with the IRS ("Form 5500") is required when there is a difference between the financial statements and the Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements for the years ended December 31, 2021 and 2020, to Schedule H of Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per Schedule H of Form 5500	\$ 2,160,817	\$ 2,382,551
Excess contributions payable	<u>(1,448)</u>	<u>-</u>
Net assets available for benefits per the financial statements	<u>\$ 2,159,369</u>	<u>\$ 2,382,551</u>

Note 8. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants would become 100% vested in employer contributions allocated to their account.

Note 9. Tax Status

The IRS determined and informed the Plan Administrator, the master prototype sponsor of the Alpena Supermarket, Inc. Employees' 401(k) Savings Plan and Trust by a letter dated March 31, 2008, that it is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained by examination by the Department of Treasury Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 10. Plan Amendments

In April 2020, the Plan was amended for the Coronavirus Aid, Relief and Economic Security Act, (CARES Act) enacted into law on March 27, 2020. A summary of these amendments includes the following assistance to impacted participants:

- Participants are permitted to take up to \$100,000 in coronavirus-related distributions from retirement plans without being subject to the Sec.71(t) 10% additional tax for early distributions. Eligible distributions can be taken up to December 31, 2020. The act also permitted the distributions to be repaid at any time over a three-year period to an eligible retirement plan.
- Temporary suspension of the rules in Sec. 401 for 2020 that retirement plan account holders take required minimum distributions (RMDs) from their retirement accounts once they reach a certain age.
- A delay of the requirement for a plan sponsor to make its minimum required contributions to a single-employer plan until 2021.

There were no participants in 2020 that requested CARES Act assistance.

Note 11. Subsequent Events

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2021, the most recent statement of net assets available for benefits presented herein, through the date of the Independent Auditor's Report, the date these financial statements were available to be issued. No significant events or transactions were identified.

In March 2020, the World Health Organization declared the coronavirus outbreak (COVID-19) to be a global pandemic. The extent of the ultimate impact of the pandemic on the Plan's operational and financial performance will depend on various developments, including the duration of the spread of the outbreak and its impact on employees, vendors, and taxpayers, all of which cannot be reasonably predicted at this time. In addition, it may place additional demands on the Plan for providing emergency services to its employees. Currently, the related financial consequences and duration of the impact of COVID-19 on the financial net assets are highly uncertain.
