To the Board of Trustees and Plan Administrator
M.H. Eby, Inc. Employees' Profit Sharing Trust
Blue Ball, Pennsylvania

This letter is to inform the Board of Trustees of M.H. Eby, Inc. Employees' Profit Sharing Trust (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2021, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit, as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibility under GAAS has been described to you in our arrangement letter dated August 25, 2022. The audit of the financial statements does not relieve management, or those charged with governance, of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication, dated August 25, 2022, regarding the planned scope and timing of our audit and identified significant risks.

Significant Accounting Practices, Including Policies, Estimates, and Disclosures

We discussed our views about the qualitative aspects of the Plan's significant accounting practices, including accounting policies, accounting estimates, and financial statement disclosures. The following is a list of the matters, including the significant estimates, which you may wish to monitor for your oversight responsibilities of the financial reporting process:

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. No matters have come to our attention that would require us, under professional standards, to inform you about (a) the methods used to account for significant unusual transactions and (b) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events, and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is determining the fair value of financial instruments with no readily determinable market. Management believes, and we concur, that this estimate is reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

The disclosures in the financial statements are neutral, consistent, and clear. Certain plan financial statement disclosures are particularly sensitive because of their significance to the financial statement users. The most sensitive disclosures affecting the financial statements are plan investment disclosures and the ERISA Section 103(a)(3)(C) audit exemption disclosures.

Audit Adjustments and Uncorrected Misstatements

There were no significant audit adjustments made to the original financial information presented to us to begin the audit.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to, or derived from, the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgements on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed, or Subject to, Correspondence with Management

It was discovered during our participant contribution testing that two participants did not have the proper deferrals or match remitted to their accounts. We recommend that you discuss with your payroll provider and third-party administrator to determine if any corrections are needed for the year ended December 31, 2021.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

This representation letter is provided in connection with your audits of the financial statements of M.H. Eby Inc. Employees' Profit Sharing (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2021 and 2020; the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency (qualified institution), that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

To the Board of Trustees and Plan Administrator
M.H. Eby, Inc. Employees' Profit Sharing Trust
Blue Ball, Pennsylvania

This letter is to inform the Board of Trustees of M.H. Eby, Inc. Employees' Profit Sharing Trust (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2021, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit, as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibility under GAAS has been described to you in our arrangement letter dated August 25, 2022. The audit of the financial statements does not relieve management, or those charged with governance, of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication, dated August 25, 2022, regarding the planned scope and timing of our audit and identified significant risks.

Significant Accounting Practices, Including Policies, Estimates, and Disclosures

We discussed our views about the qualitative aspects of the Plan's significant accounting practices, including accounting policies, accounting estimates, and financial statement disclosures. The following is a list of the matters, including the significant estimates, which you may wish to monitor for your oversight responsibilities of the financial reporting process:

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. No matters have come to our attention that would require us, under professional standards, to inform you about (a) the methods used to account for significant unusual transactions and (b) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events, and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements is determining the fair value of financial instruments with no readily determinable market. Management believes, and we concur, that this estimate is reasonable in relation to the financial statements taken as a whole.

Financial Statement Disclosures

The disclosures in the financial statements are neutral, consistent, and clear. Certain plan financial statement disclosures are particularly sensitive because of their significance to the financial statement users. The most sensitive disclosures affecting the financial statements are plan investment disclosures and the ERISA Section 103(a)(3)(C) audit exemption disclosures.

Audit Adjustments and Uncorrected Misstatements

There were no significant audit adjustments made to the original financial information presented to us to begin the audit.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to, or derived from, the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgements on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed, or Subject to, Correspondence with Management

It was discovered during our participant contribution testing that two participants did not have the proper deferrals or match remitted to their accounts. We recommend that you discuss with your payroll provider and third-party administrator to determine if any corrections are needed for the year ended December 31, 2021.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Management Representations

Attached is a copy of the management representation letter.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to M.H. Eby, Inc. Employees' Profit Sharing Trust.
