INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries of
The Brownstein Group Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Brownstein Group Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of The Brownstein Group Profit Sharing 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined-contribution plan covering all full-time employees of Brownstein Group, Inc. (the "Company"). Employees are eligible to participate in the Plan upon attaining age 21 for pre-tax and after-tax deferrals and matching contributions, and after completing at least one year of service and attaining age 21 for profit-sharing contributions. An employee will become eligible to enter the Plan on the first day of January or July of the Plan year after the date the participant meets the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Great-West Trust Company, LLC ("Great-West Trust") is the custodian of the Plan's registered investment companies investments, and the recordkeeper of the Plan is Great-West Life & Annuity Insurance Company ("Great-West Life"). The custodian of the participant-directed brokerage accounts totaling \$4,149,945 and \$3,791,790, on the statements of net assets available for benefits as of December 31, 2021 and 2020, respectively, is Charles Schwab.

[2] Contributions:

Participants of the Plan can authorize a payroll deduction of up to 100% of wages for an elective contribution into the Plan; however, total deferrals in any taxable year may not exceed the maximum amount permissible under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or contribution plans.

The Plan was amended January 1, 2021 whereby the Company will make a non-elective safe harbor contribution equal to 3% of eligible participant compensation, as defined. Total non-elective safe harbor contributions were \$210,726 for the year ended December 31, 2021.

The Company may make a discretionary profit-sharing contribution for each eligible participant to an amount determined by the Company. Participants must be employed on the last day of the Plan year to be eligible for this contribution. Total profit-sharing contributions were \$186,605 for the year ended December 31, 2021. Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

[3] Participant accounts:

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, if any, and (b) Plan earnings (losses), and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[4] Vesting:

Participants are vested immediately in their contributions, rollovers, and safe-harbor contributions plus earnings thereon. Participants are vested in the Company's profit-sharing contributions, plus earnings thereon, as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	None
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. A participant may borrow from his or her fund account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. Each loan is secured by the balance in the participant's account and bears interest at a rate of prime plus 1%, as defined. The interest rates on outstanding loan balances range from 4.25% to 5.75% as of December 31, 2021 and 2020. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as benefits paid to participants based upon the terms of the Plan document.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020 and provided certain loan provisions. Participants, who met specific conditions, were eligible to take a coronavirus ("COVID-19") related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period from March 27, 2020 to September 22, 2020. Loan repayments due between March 27, 2020 and December 31, 2020 could have been suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to one year.

[6] Payment of benefits:

Upon termination of service due to death, disability, retirement or other reasons, a participant or beneficiary may elect to receive his or her vested accrued benefits. If the vested account balance is \$5,000 or less, the participant will be paid in a lump-sum payment. If the vested account balance is greater than \$5,000, the participant may elect to receive his or her payment in a lump sum or if a benefit payment is a required minimum distribution, it may be distributed in installments.

Distribution of a terminated participant's vested account balance will occur as soon as administratively practicable after termination of employment.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[6] Payment of benefits: (continued)

The CARES Act was signed into law on March 27, 2020 and provided optional distribution as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2020. The Plan Sponsor implemented the following provisions of the CARES Act and the Plan will be formally amended prior to December 31, 2022, as required by the CARES Act.

Participants, who met specific conditions, were eligible to take a COVID-19-related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could have been taken from January 1, 2020 through December 31, 2020, and may be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise be required to receive an RMD in 2020. However, participants and beneficiaries had a choice between receiving and not receiving the RMD for 2020. In addition, individuals that received an RMD prior to the enactment of the Act had until August 31, 2020 to rollover the RMD to an eligible retirement plan.

[7] Forfeitures:

Forfeited nonvested accounts may be utilized to either pay administrative expenses or reduce future employer contributions to the Plan. During the Plan year ended December 31, 2021, no forfeitures were used to reduce employer contributions. As of December 31, 2021 and 2020, forfeited nonvested accounts available were \$75,213 and \$39,381, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The accompanying financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

[2] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements, and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[3] Investment valuation and income recognition:

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized/unrealized appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[4] Plan expenses:

Certain administrative expenses of the Plan are paid by the Company. Fees related to notes receivable from participants and benefit payments, along with other recordkeeping and investment charges, are paid by the Plan.

[5] Payment of benefits:

Benefits are recorded when paid.

[6] Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Great-West Trust Company, LLC, and Great-West Life & Annuity Insurance Company, have certified to the completeness and accuracy of certain investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2021. The certification excludes the participant-directed brokerage accounts and related activity on the statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021 and the supplemental schedule of assets (held at end of year) as of December 31, 2021 (see Note A[1]). Non-Section 103(a)(3)(c) audit procedures have been performed on the participant-directed brokerage accounts.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used as of December 31, 2021 or 2020.

Registered investment companies – Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The registered investment companies' funds held by the Plan are deemed to be actively traded.

Participant-directed brokerage accounts – Valued at the closing price reported on the active market on which the individual securities are traded. Accounts primarily consist of mutual funds, exchange-traded funds and, corporate bonds.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

Investment Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 6,736,492	\$ -	\$ -	\$ 6,736,492
Participant-directed brokerage accounts	<u>4,149,945</u>	<u>-</u>	<u>-</u>	<u>4,149,945</u>
Total investment assets at fair value	<u>\$ 10,886,437</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,886,437</u>

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Investment Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 5,844,726	\$ -	\$ -	\$ 5,844,726
Participant-directed brokerage accounts	3,791,790	-	-	3,791,790
Total investment assets at fair value	<u>\$ 9,636,516</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,636,516</u>

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - GUARANTEED INTEREST ACCOUNT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive guaranteed interest account contract with Great-West Life. Great-West Life maintains the contributions in a general account. The contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

As described in Note B, because the guaranteed interest account contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest account contract. Contract value, as reported to the Plan by Great-West Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. As of December 31, 2021 and 2020, total contract value on the guaranteed interest account was \$89,897 and \$77,891, respectively.

The traditional investment contract held by the Plan is a guaranteed interest account contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date unless 60 days' notice is given by either the Plan or Great-West Life.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code ("IRC"), failure of the trust to be tax-exempt under Section 501(a) of the IRC, contract discontinuance or Plan termination. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE F - TAX STATUS

The Plan has adopted a Volume Submitter 401(k)/Profit Sharing Plan sponsored by My Benefits LLC. On June 30, 2020, the Internal Revenue Service stated in an advisory letter that the Volume Submitter 401(k)/Profit Sharing Plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust was exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE G - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Great-West Trust, Great-West Life and Charles Schwab and transactions related to those investments qualify as party-in-interest transactions.

The Plan paid certain expenses related to the Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions. Fees paid by the Plan to these service providers were \$69,871 for the year ended December 31, 2021.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments as of December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the COVID-19 outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

THE BROWNSTEIN GROUP PROFIT SHARING 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE H - RISKS AND UNCERTAINTIES (CONTINUED)

COVID-19 poses risks to the Company as well, given that such public health epidemics, if sustained, could impact Company employees, and customers in affected regions. Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets, resulting in an economic downturn that may impact demand for the Company's products. Such impacts could adversely affect Company profitability, cash flows, financial results, and the ability to make discretionary Plan contributions. There has been no material impact of the coronavirus on the Company to date, but circumstances in the future that may impact the Company's financial results are currently uncertain.

NOTE I - REGISTERED INVESTMENT COMPANIES' FEES

Certain investments in registered investment companies are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE J - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the sponsor shall make no further contributions to the Plan and participants would become 100% vested in their employer profit-sharing contributions.

NOTE K - RECONCILIATION TO FORM 5500
