Plan Administrator  
Pappas Restaurants 401(k) Plan  
Houston, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of the Pappas Restaurants 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions and maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### *Supplemental Schedule Required by ERISA*

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**PAPPAS RESTAURANTS 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**Note 1 - Plan Description**

The following brief description of the Pappas Restaurants 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the plan document for more complete information.

**General**

The Plan is a defined contribution plan covering eligible employees of Pappas Restaurants, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan includes a savings feature designed to permit the employee and the Company to contribute to the Plan, as allowable under Section 401(k) of the Internal Revenue Code (IRC). The Plan was adopted by the Company on January 1, 1995. The Company is named as the plan administrator in the plan document. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal) serves as the trustee of the Plan. Prior to June 18, 2021, Wells Fargo Bank, N.A. (WFB) was the trustee of the Plan.

**Eligibility**

The Plan is provided for all salaried employees who are not leased employees or highly compensated employees. Participation is available for eligible employees on the first day of each month coinciding with or following the month in which they commence employment.

**Contributions**

Upon meeting the eligibility requirements, employee contributions are automatically withheld at 3% of the employee's compensation, as defined, unless a different percentage (including zero) is elected by the employee. Eligible participants who have attained age 50 before the close of the plan year are eligible to make catch-up contributions subject to limitations of the IRC. The Plan also accepts participant rollover contributions from other plans and certain individual retirement accounts.

The Company may elect to make matching contributions. For the year ended December 31, 2021, the Company made matching contributions in an amount equal to 25% of the employee's contribution if the average deferral percentage of eligible wages was equal to or less than 4%. If the average deferral percentage was greater than 4%, the matching contribution was capped at 1% of the employee's eligible wages. The Company may also contribute an amount on a discretionary profit-sharing basis. A discretionary profit-sharing contribution was not made for the year ended December 31, 2021. A participant must be employed at the end of the plan year and have completed 1,000 hours of service to receive either of the employer contributions.

**Vesting**

Participants are 100% vested in their contributions, the employer contributions, and accumulated earnings thereon.

**PAPPAS RESTAURANTS 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2021 and 2020**

**Participant Accounts**

Upon enrollment in the Plan, a participant may direct the trustee with regard to the investment of his or her account balance. Participants may change their investment options daily. Each participant's account is credited with the participant's contribution, the Company's matching contribution, an allocation of any employer discretionary profit-sharing contribution, as applicable, plan earnings and losses, and charged with certain transactional fees.

**Notes Receivable from Participants**

Notes receivable from participants are loans to participants secured by their equity interests as allowed in the plan document. Participants may borrow from their accounts a minimum of \$2,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. A participant may not have more than one loan outstanding at any time. Interest rates are based on the prime rate plus 1% at the date of issuance. Principal and interest are repaid ratably through payroll deductions. Participants are required to wait a minimum of 18 months after paying off a loan to enter into another one. Loan terms are limited to five years unless for the purchase of a principal residence, in which case the term may be extended to fifteen years.

**Benefit Payments**

Distributions may be made to participants upon termination of employment, retirement, disability or death. In-service distributions are allowed for participants who have reached the age of 59½. Additionally, hardship withdrawals may be made to active participants who have demonstrated financial need, subject to the provisions of the Plan. Upon termination, participants with an account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan. For participants who terminate with an account balance of more than \$1,000 but less than \$5,000, the plan administrator shall make a direct rollover into an individual retirement account. Withdrawals from the Plan may be subject to income taxes on contributions and income earned.

**Note 2 - Summary of Significant Accounting Policies**

**Basis of Accounting and Presentation**

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Investment Valuation and Income Recognition**

Investments of the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**PAPPAS RESTAURANTS 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2021 and 2020**

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold during the year as well as unrealized gains and losses on the investments held at the end of the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020, as the notes are collateralized by the participant's respective account balances. In general, notes receivable from participants are considered to be in default in the calendar quarter following the quarter in which no payment is made and are accounted for as distributions based upon the terms of the plan document when a distributable event has occurred.

**Benefit Payments**

Benefits paid to participants or beneficiaries are recorded when paid.

**Administrative Expenses**

Loans fees and certain other transactional fees are paid by the participant. All other administrative costs are paid by the Plan, unless paid by the Company at its discretion. Investment related expenses are included in the net appreciation or depreciation in the fair value of investments.

**Risks and Uncertainties**

The Plan provides for investment in mutual funds and common/collective trust funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and may impact participants' account balances and the amounts reported in the financial statements.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and the disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Subsequent Events**

The plan administrator evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 30, 2022, which is the date the financial statements were available to be issued.

See independent auditor's report.

**Note 3 - Information Certified by the Plan's Trustees**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Principal as of December 31, 2021, and for the period from June 18, 2021 through December 31, 2021, and from WFB as of December 31, 2020 and for the period from January 1, 2021 through June 30, 2021, stating that all of the information provided is complete and accurate. Information included in the accompanying financial statements, the notes to the financial statements and the supplemental schedule regarding investments, notes receivable from participants, investment income and interest income on notes receivable from participants is presented solely in reliance upon this certification.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements, the accompanying notes and the supplemental schedule of assets (held at end of year).

**Note 4 - Fair Value Measurements**

GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

See independent auditor's report.

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2021 and 2020**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds:* These funds are valued daily based on their quoted market prices.

*Common/Collective Trust Funds:* These funds are valued at their net asset value (NAV) as determined by the issuer, based on the value of each of the underlying investments, less applicable fees charged by the issuer. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

**PAPPAS RESTAURANTS 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2021 and 2020**

**Note 5 - Federal Income Tax**

The Company adopted a volume submitter plan offered by WFB. The volume submitter plan obtained its latest advisory letter dated March 31, 2014, in which the Internal Revenue Service (IRS) stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the volume submitter plan had been amended since receiving the advisory letter, the plan administrator believes that the Plan was designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Effective July 31, 2022, the Plan was amended and restated. The pre-approved plan adopted by the Plan, received an opinion letter from the IRS dated June 30, 2020, stating that it was in compliance with the applicable requirements of the IRC. The pre-approved plan has since been amended; however, the plan administrator, through its adoption of the pre-approved plan document, believes that the Plan continues to be designed and operated in compliance with the applicable requirements of the IRC.

**Note 6 - Party-In-Interest Transactions**

Certain plan investments are shares of common/collective trust funds managed by WFB and Principal, parties-in-interest with respect to the Plan. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.

**Note 7 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**Note 8 - Reconciliation of the Financial Statements to the Form 5500**

The following is a reconciliation of the net assets available for benefits per the financial statements to the net assets per the Form 5500 as of December 31, 2021 and 2020:

|                                                                | <b>December 31,</b>         |                             |

| Fair value adjustment on the Wells Fargo Stable Return Fund    | <b>68,845</b>               | 159,465                     |
| Accumulated deemed distributions                               | <u>-</u>                    | <u>(15,245)</u>             |
| Net assets per the Form 5500                                   | <b><u>\$ 43,552,703</u></b> | <b><u>\$ 40,313,777</u></b> |

The Wells Fargo Stable Return Fund is reported on the 5500 at the fair market value, but as mentioned in Note 4, all common/collective trust funds are reported at the net asset value on the financial statements in accordance with the practical expedient.

A deemed distribution is defined as a participant loan defaulted for income tax purposes, but not for financial statement presentation until the participant experiences a distributable event under the plan document.

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2021:

|                                                                                |                            |

PLAN NUMBER 001  
PLAN YEAR 01/01/2021 TO 12/31/2021

[illegible]

October 3, 2022

To the Plan Administrative Committee and Plan Management  
Pappas Restaurants 401(k) Plan  
Houston, Texas

We have audited the financial statements of the Pappas Restaurants 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2021 and have issued our report thereon dated September 30, 2022.

As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Wells Fargo Bank, N.A. which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America (GAAS), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 1, 2022, and planned timing previously communicated to you. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant Audit Matters

##### *Consideration of Internal Control and Reportable Findings*

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2021, except as noted above and in accordance with GAAS, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, there can be no assurance that all such deficiencies have been identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.

A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.

Appendix A summarizes our findings.

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period. The financial statement disclosures are neutral, consistent, and clear.

#### *Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

*Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

*Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Appendix B summarizes misstatements detected as a result of audit procedures, which were corrected by management. There were no uncorrected misstatements detected as a result of audit procedures.

*Disagreements with Management*

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

*Management Representations*

We have requested certain representations from management that are included in the management representation letter dated September 30, 2022.

*Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

*Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Other Matters*

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrative Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

**APPENDIX A**  
**PAPPAS RESTAURANTS 401(k) PLAN**  
**FINDINGS**

We consider the following deficiency in the Plan's internal control to be a significant deficiency and a reportable finding:

**Definition of Eligible Compensation for Employer Contribution Calculations**

It was noted during our audit procedures that there was inconsistency in the application of the terms in the Plan document relating to the definition of eligible compensation for the purposes of calculating the employer's contribution. Participants in our sample received employer matching contributions based on compensation including bonuses and fringe benefits, although bonuses and fringe benefits are not included in the definition of compensation in the Plan document. We noted this error existed on all participants receiving their employer matching based on 1% of their compensation. The Plan Sponsor is issuing an amendment for the 2021 Plan year to include these components in eligible compensation. We recommend that the Plan Sponsor implement a review process to ensure that only eligible compensation is utilized in the employer match contribution calculation in order to ensure consistency with the Plan document.

During the audit, we became aware of deficiencies in the Plan's internal control that were not considered to be significant deficiencies or material weaknesses, but were considered to be reportable findings.

**Noncompliance with Auto-Enrollment**

During the course of our audit, we noted that the Plan Sponsor identified an auto-enrollment issue when a former employee who had worked for the Company since 2012 notified the Company that they were looking for a distribution related to their auto-enrollment in the Plan. This instance resulted in Wells Fargo performing an audit to investigate the magnitude of the issue and identified 31 people who should have been auto-enrolled in the Plan due to ineligibility, but the system failed to auto-enroll them upon becoming eligible. Wells Fargo issued a Qualified Non-Elective Contribution (QNEC) of \$87,292 which includes lost earnings and the Plan Sponsor retroactively applied the match for each employee and amended the plan document to allow for existing employees to be auto enrolled upon meeting the eligibility requirements. Although this noncompliance was due to a failure of the trustee to maintain the auto-enrollment requirements of the Plan, it is the Plan Sponsor's responsibility to ensure compliance with the plan document and participant instructions in the administration of the Plan.
