REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Trustees of the
Gentek Building Products, Inc. Woodbridge Hourly Pension Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Gentek Building Products, Inc. Woodbridge Hourly Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and reportable transactions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Gentek Building Products, Inc. Woodbridge Hourly Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Participation

The Plan is a noncontributory, defined benefit plan. The Plan includes all full-time hourly persons employed by Gentek Building Products, Inc. (the "Company" or the "Plan Sponsor"), a subsidiary of Associated Materials LLC, at its Woodbridge, New Jersey plant who are governed by the provisions of the collective bargaining agreement in effect with Teamsters Union Local No. 11, who are not accruing benefits as participants of another plan maintained jointly or individually by the Company and/or a collective bargaining unit. Effective March 1, 2006, the Plan has been frozen to new employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions and Funding

Annual contributions are based on the recommendations of the Plan's actuary in amounts not less than the minimum required under the applicable sections of ERISA and in accordance with the Internal Revenue Code (the "IRC"). The minimum funding requirement was \$0 and \$143,880 for 2021 and 2020, respectively. The Company did not fund any contributions in relation to the 2021 funding requirement. In relation to the 2020 funding requirement, the Company funded a total of \$151,000, of which \$7,120 represented an excess contribution.

Benefits and Vesting

Participants are entitled to a normal retirement benefit on attaining the age of 65. The normal monthly retirement benefits are calculated based on a participant's years of credited service (not to exceed 40 years) multiplied by a monthly benefit level as provided in the Plan. Participant's years of service include credited years of service. The monthly benefit level in effect at both December 31, 2021 and 2020 was \$36. The normal form of benefit is a single life annuity. The Plan also offers a 50% joint and survivor annuity option. The Plan also provides for early retirement, disability retirement and pre-retirement spouse benefits for any participant who meets certain requirements. Participants become fully cliff vested on completion of five years of continuous service.

Termination Provisions

The Company anticipates that the Plan will continue without interruption, but reserves the right to terminate the Plan or to discontinue contributions to the Plan. In the event the Plan is terminated, the Plan provides for the allocation of net assets up to the present value of accumulated plan benefits among the participants and pensioners. To the extent unfunded vested benefits exist, such benefits would be payable by the Pension Benefit Guaranty Corporation ("PBGC"), up to specified limitations, as described in ERISA, specifically in the order of (1) Benefits attributable to employee contributions, (2) Annuity benefits that former employees or beneficiaries have been receiving for at least three years, (3) Other vested benefits insured by PBGC, (4) All other vested benefits, and (5) All non-vested benefits.

Benefits under the Plan are insured by the PBGC. Generally, the PBGC guarantees most vested normal retirement benefits, early retirement benefits, and certain disability and survivor benefits. However, the PBGC does not guarantee all types of benefits under covered plans, and the amount of benefit protection is subject to certain limitations. The PBGC guarantees vested benefits at the level in effect on the date of plan termination. However, if benefits have been increased within the five years before plan termination,

**Gentek Building Products, Inc.
Woodbridge Hourly Pension Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

the benefit increase may not be guaranteed. In addition, there is a ceiling on the amount of monthly benefit that the PBGC guarantees which is adjusted periodically.

Administrative Expenses

Trustee and investment fees are paid by the Plan. All other direct and indirect administrative expenses of the Plan are paid by the Company.

Death and Disability Benefits

A participant that has been married for at least one year and dies while actively employed or dies while inactive with a vested benefit prior to commencement of benefits is entitled for a death benefit to be payable to the spouse. The amount of the payment to be made is based on the participant's age at death, years of vesting service and beneficiaries age, in accordance with the Plan document. Non-married participants are not entitled to death benefits. A participant who has attained at least 10 years of service and who has become permanently and totally disabled while employed by the Company shall be eligible for a disability retirement benefit. Participants that meet the eligibility requirements of a disability retirement will receive a regular pension benefit as defined by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments, including lump sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits payable under all circumstances such as retirement, death, disability, and termination of employment are included, to the extent they are considered attributable to employee service rendered to the valuation date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

**Gentek Building Products, Inc.
Woodbridge Hourly Pension Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements, and changes therein. Actual results could differ from those estimates.

NOTE 3 - ACCUMULATED PLAN BENEFITS

Consulting actuaries from Hewitt Associates LLC (operating as Aon Hewitt) estimate the actuarial present value of accumulated plan benefits, which is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits earned by the participants to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The accumulated plan benefit information as of December 31, 2020 is as follows:

Actuarial present value of accumulated plan benefits:

Vested benefits:

Participants currently receiving payments	\$ 6,685,079
Other participants	4,748,678
	<u>11,433,757</u>

Non-vested benefits	<u>95,998</u>
---------------------	---------------

Total actuarial present value of accumulated plan benefits	<u>\$ 11,529,755</u>
--	----------------------

Changes in accumulated plan benefits for the year ended December 31, 2020 are as follows:

Actuarial present value of accumulated plan benefits at December 31, 2019	\$ 11,255,605
Increase (decrease) during the year attributed to:	
Benefit payments	(672,977)
Interest accumulation	654,348
Change in actuarial assumptions	510,669
Actuarial gains	<u>(217,890)</u>
Net increase	<u>274,150</u>
Actuarial present value of accumulated plan benefits at December 31, 2020	<u>\$ 11,529,755</u>

Significant assumptions underlying the actuarial computations are:

**Gentek Building Products, Inc.
Woodbridge Hourly Pension Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Discount rate	5.47% and 5.99% per annum for 2020 and 2019, respectively
Life expectancy	Pri-2012 Mortality table with MP-2019 projection scale for 2019 and the Pri-2012 Mortality Table with MP-2020 projection scale for 2020.
Weighted average retirement age	65 years of age, based on probability of retirement table

These actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The change in the mortality projection scale resulted in a decrease in accumulated plan benefits during the year ended December 31, 2020 of \$54,316. The change in discount rate resulted in an increase in accumulated plan benefits during the year ended December 31, 2020 of \$564,985.

NOTE 4 - SUMMARY OF FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

State Street Bank and Trust Company ("Trustee") was the trustee of the Plan and held the Plan's investment assets and executed investment transactions as of and for the years ended December 31, 2021 and 2020.

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments, at fair value as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Interest and dividend income and net appreciation in fair value of investments on the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021.
- Schedule H, Line 4j - schedule of reportable transactions for the year ended December 31, 2021.

The Plan's independent accountants did not perform any auditing procedures with respect to the certified information, except for comparing such information to the related information in the financial statements and supplemental schedules.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

**Gentek Building Products, Inc.
Woodbridge Hourly Pension Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and are supported by little or no market activity and that are significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Type of Asset	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,157,909	\$ -	\$ -	\$ 15,157,909

Investments, at fair value	\$ 14,477,683	\$ -	\$ -	\$ 14,477,683

NOTE 6 - TAX STATUS OF THE PLAN

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated October 19, 2015, stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("Code"). The Plan has been amended since receiving the determination letter. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The novel coronavirus ("COVID-19") outbreak continues as of the date of this report. There are many uncertainties related to the COVID-19 global pandemic that could negatively affect the Plan's statements of net assets available for benefits and statements of changes in net assets available for benefits. The Plan's individual investments fluctuate in response to changing market conditions, therefore the effect of the COVID-19 pandemic on its investment values in subsequent periods, if any, cannot be determined.

NOTE 8 - SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 11, 2022, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

Schedule SB, Part V—Statement of Actuarial Assumptions/Methods

For ERISA Requirements

Interest Rates for Minimum Funding Purposes	Based on segment rates with a four-month look-back (as of September 2020), each adjusted as needed to fall within the 25-year average interest rate stabilization corridor under ARPA.
1st Segment Rate	4.75%
2nd Segment Rate	5.36%
3rd Segment Rate	6.11%
Interest Rates for Maximum Tax Purposes	Based on segment rates with a four-month look-back (as of September 2020), without regard to interest rate stabilization.
1st Segment Rate	2.22%
2nd Segment Rate	3.38%
3rd Segment Rate	3.92%
Retirement Age	
Active Participants	See Table 1.
Terminated Vested Participants	Age 65.
Mortality Rates	
Healthy and Disabled	2021 static mortality table for annuitants and non-annuitants per §1.430(h)(3)-1(e).
Withdrawal Rates	See Table 2.
Disability Rates	See Table 3.
Decrement Timing	Middle of year decrements (except that retirement is assumed to occur at the beginning of the year for ages where the assumed retirement rate is 100%).
Surviving Spouse Benefits	It is assumed that 85% of males and 85% of females have an eligible spouse, and that males are four years older than their spouses.
Benefit Limits	Projected benefits are limited by the current IRC section 415 maximum benefit of \$230,000.
Trust Expenses Included in Target Normal Cost	Prior year administrative expenses rounded off to nearest \$1,000 (108,000 as of 2021).

Valuation of Plan Assets

Smoothed fair market value of assets over the current and prior two years, adjusted for contributions, benefit payments, administrative expenses, and expected earnings. The average value of assets calculated in this manner is further limited to not less than 90% nor more than 110% of fair market value.

A characteristic of this method is that the expected distribution of the value of plan assets is skewed toward understatement relative to the corresponding market values for expected long-term rates of return in excess of the third segment rate under IRC section 430(h)(2)(C)(iii).

Statement by Enrolled Actuary

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

Other Information to Fully and Fairly Disclose the Actuarial Position of the Plan

Due to software limitations with the electronic filing process, information filed electronically cannot be controlled by the Enrolled Actuary. The values on the signed Schedule SB will govern to the extent there are any differences in the entries filed electronically and the actual data contained on the signed Schedule SB.

Under the American Rescue Plan Act of 2021 (ARPA), the stabilized interest rates for certain purposes will be adjusted once the ARPA stabilization is applied. By default, this stabilization would have applied starting with the 2020 plan year.

This Schedule SB reflects stabilized 2021 minimum funding interest rates that are adjusted for ARPA. Via this filing, Associated Materials, LLC will irrevocably commit the Gentek Building Products, Inc. Woodbridge Hourly Pension Plan to use of those rates for the 2021 plan year.

Schedule SB, line 24—Change in Actuarial Assumptions

The funding valuation reflects the following assumption changes:

- Change in the unlimited expected rate of return on assets from 5.99% to 5.47%.

This change was made to better reflect the anticipated plan experience. This assumption change did not reduce the funding shortfall; as such, approval of the Commissioner is not required.
