Report of Independent Auditors

To the Plan Sponsor and Administrator of the

Baker & Hostetler LLP Supplemental/401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of the Baker & Hostetler LLP Supplemental/401(k) Retirement Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of the Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Baker & Hostetler LLP Supplemental/401(k) Retirement Plan

Notes to Financial Statements

1. Significant Accounting Policies

Investment Valuation and Income Recognition

The Baker & Hostetler Retirement Plan Master Trust (“Master Trust”) was established to provide a medium for commingling the assets of certain retirement plans sponsored by Baker & Hostetler LLP (“Firm”). The assets of the Master Trust are held by Fidelity Management Trust Company (“Trustee”). The Baker & Hostetler LLP Supplemental/401(k) Retirement Plan (“Plan”) has a divided interest in the Master Trust equal to the fair value of the participants’ account balances. Investment income and expenses are allocated to the Plan based on its participation in the investment options within the Master Trust. Accordingly, the Plan’s net investment income for the year ended December 31, 2021 includes its allocable share of the Master Trust’s interest, dividends and net appreciation. The Plan’s interest in the Master Trust is reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan’s valuation policies utilizing information provided by the Trustee. See Note 6 for discussions of fair value measurements.

With regard to investments and investment income recorded in the Master Trust, purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Master Trust’s gains and losses on investments bought and sold as well as held during the year.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of the Plan are paid by the Firm and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Fees incurred by the Plan for investment management services are netted with investment income, as they are paid through revenue sharing, rather than through a direct payment.

Baker & Hostetler LLP Supplemental/401(k) Retirement Plan

Notes to Financial Statements

1. Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and the benefit payment is recorded.

2. Description of the Plan

The following description of the Plan provides general information only. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions, which are available from the plan administrator.

The Plan is a defined contribution plan. The Plan covers all eligible employees and partners of the Firm. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligible employees and partners can participate on the later of their date of hire or the date they reach age 21. Eligible non-attorney staff members automatically participate in the supplemental portion of the Plan on the January 1 or July 1 following the date they have completed at least two (2) years of service with the Firm.

The Plan maintains a separate account for each participant. Participants direct the investment of all contributions into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Pursuant to a salary reduction agreement, a participant may elect to have the Firm make a contribution on the participant's behalf. The Firm did not elect to make any discretionary supplemental contributions to eligible participants as of December 31, 2021 and 2020. Annual contributions to participants' accounts under this Plan and other qualified retirement plans maintained by the Firm may not exceed the maximum limitations provided by the Internal Revenue Code ("IRC").

Interest bearing loans of up to 50% of a participant's account may be requested, with a fdi request of \$1,000 and the maximum request not to exceed \$50,000 when considered with loans from this and other plans sponsored by the Firm. Loans to participants bear interest at the prime rate in effect at the date of the loan. The repayment period is not to exceed five (5) years.

Notes to Financial Statements

2. Description of the Plan (continued)

A participant's account is immediately vested and is distributable at retirement or termination of service as follows: at retirement; at disability; at death; and at termination of service for any other reason. The participants have several options for receiving their distribution. A participant's account is distributable after attaining age 60 prior to termination or retirement. They may elect to receive payment in a lump sum, a partial lump sum payment without limit in terms of frequency or amount, in substantially equal annual installments over a period of time not to exceed ten (10) years, or through a schedule which will provide payments over a certain period of time which does not exceed their life expectancy. They may elect to receive a distribution of deferred amounts at any later time, but no later than April 1 of the year following the later of the year in which they reach age 72 or the year of retirement.

Although it has not expressed any intent to do so, the Firm has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

3. Income Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Firm by a letter dated October 10, 2017, stating that the Plan and the related trust are designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosures in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Related-Party and Party-In-Interest Transactions

The Plan invests in mutual funds that are managed by Fidelity Investments. Fidelity Investments is related to the Trustee and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

6. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment fund: The collective investment fund consists exclusively of mutual funds. Accordingly, it is valued based on the NAV as reported by the underlying funds. The balance of the collective investment fund has been included with mutual funds on the following table based on the nature of the individual mutual funds held at year-end.

Baker & Hostetler LLP Supplemental/401(k) Retirement Plan

Notes to Financial Statements

6. Fair Value Measurements (continued)

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Commingled pool fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Master Trust's investments at fair value:

Master Trust Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds including collective investment fund	\$ 1,029,093,079	\$ -	\$ -	\$ 1,029,093,079
Self-directed brokerage accounts	58,120,376	-	-	58,120,376
Total assets in the fair value hierarchy	<u>\$ 1,087,213,455</u>	<u>\$ -</u>	<u>\$ -</u>	1,087,213,455
Investments measured at net asset value ^{(a)(b)}				<u>12,784,783</u>
Investments at fair value				<u>\$ 1,099,998,238</u>

Baker & Hostetler LLP Supplemental/401(k) Retirement Plan

Notes to Financial Statements

6. Fair Value Measurements (continued)

Master Trust Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds including collective investment fund	\$ 895,614,877	\$ -	\$ -	\$ 895,614,877
Self-directed brokerage accounts	45,652,279	-	-	45,652,279
Total assets in the fair value hierarchy	<u>\$ 941,267,156</u>	<u>\$ -</u>	<u>\$ -</u>	941,267,156
Investments measured at net asset value ^{(a)(b)}				<u>15,190,216</u>
Investments at fair value				<u>\$ 956,457,372</u>

(a) In accordance with Subtopic 820-10, the commingled pool fund that was measured at net asset value per share has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(b) The commingled pool fund listed above is redeemed on a daily basis and does not have any redemption restrictions. Additionally, there are no unfunded commitments.

7. Information Prepared and Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value
- Notes receivable from participants
- Net investment income from Master Trust
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

Baker & Hostetler LLP Supplemental/401(k) Retirement Plan

Notes to Financial Statements

7. Information Prepared and Certified by the Trustee (continued)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Transfer Out

In 2013, the recordkeeping agreement with the Trustee was amended to establish a Revenue Credit Account within the Plan which is funded quarterly based on revenue sharing on covered investments, as defined. The balance within the Revenue Credit Account may be used to reimburse the Firm for fees and expenses or pay such vendors directly for services provided to the Master Trust. Amounts not used to pay expenses of the Master Trust may be allocated to participants of the Plan and the Baker & Hostetler LLP Basic/Step-Rate Retirement Plan. Amounts that are designated for allocation to participants are initially allocated to the Plan and then a prorated amount is transferred to the Baker & Hostetler LLP Basic/Step-Rate Retirement Plan for allocation to its participants. The following presents a summary of the activity in the Revenue Credit Account for 2021:

Balance December 31, 2020	\$	7,312
Revenue credits received		53,465
Revenue credits transferred		(26,643)
Revenue credits allocated to participants		(26,646)
Earnings		<u>1</u>
Balance December 31, 2021	\$	<u><u>7,489</u></u>

The remaining credits at December 31, 2021 are expected to be allocated to participants of both plans during 2022.

10. Subsequent Events

The Plan has evaluated subsequent events through September 29, 2022, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
