INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Plan Administrator
403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital
Bismarck, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Make Every Day Count | www.bradymartz.com

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 PLAN DESCRIPTION

The following description of the 403(b) Thrift Plan of St. Alexius Medical Center and Garrison Memorial Hospital (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2008 under the Employee Retirement Income Security Act of 1974, as amended (ERISA), as an employer-sponsored individual account employee pension benefit plan (other than a money purchase pension plan) that is intended to make contributions to annuity contracts described in Code section 403(b) or custodial accounts described in Code section 403(b)(7) on behalf of Participants. The Plan was established so that eligible employees may have an additional source of retirement income.

The Plan is administered by the sponsor and trustee – St. Alexius Medical Center. The Plan is a defined contribution plan covering employees of St. Alexius Medical Center and Garrison Memorial Hospital (Company). Third party administrators maintain the records of the participant data and hold the Plan assets.

SECURE Act

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 (“SECURE Act”) was enacted and was effective beginning on January 1, 2020. The SECURE Act provisions include, amount other things, an increase in the age limit required for minimum distributions from 70 ½ to 72.

Coronavirus-Related Distributions (“CRD”) and Loan Relief

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (“CARES Act”) was signed to law. The provisions of the CARES Act were optional. The provisions allowed for qualifying participants to:

- Take expanded distribution options to withdraw up to $100,000 penalty free for qualifying reasons through December 31, 2020 with additional options to repay some or all of their CRD within three years.
- Borrow from their account up to a maximum of the less of $100,000 or 100 percent of their vested account balance.
- Temporarily suspend required minimum distributions for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

The Plan has opted into the above mentioned provisions.

Eligibility

Employees of the Company are generally eligible to make contributions to the Plan immediately. To be eligible to receive the employer nonelective base, employees must complete one year of service (consisting of at least 1,000 hours) and attain age 21. For an employee to receive the employer matching contributions, they must satisfy the requirements of the employer nonelective base and be deferring in the Plan.

Contributions

Participants may contribute up to the maximum dollar amount allowed under federal regulations for the Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions.

The Company matches 100% of the first 1% of eligible compensation plus 50% of the next 5% of eligible compensation for a maximum match of 3.5% for the plan year. For the employer nonelective base contributions, the Company allocates 2.5% of eligible compensation with a minimum of $1,000 per plan year. Prior to April 1, 2021, employees represented by the Minnesota Nurses Association (MNA) remain under a previous matching rate of 25% up to 4% of compensation and nonelective base contribution of 3% of compensation.

Participants may make rollover contributions for amounts representing distributions from other qualified defined benefit plans, defined contribution plans, or individual retirement accounts.

Payment of Benefits

On termination of employment, death, disability or retirement, a participant may receive an amount equal to the value of the participant’s vested interest in his or her account in a lump sum payment, installment payments, or annuity payments. Hardship distributions are permitted for participants who have not separated from service. Participants must attain age 59 1/2 to qualify for in-service distributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and the employer base and matching contributions. Plan earnings are allocated based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants' Investment Options

Participants must direct their salary deferral contributions and employer base and match contributions to selected investments as made available and determined by the Plan. Participants may change their investment options throughout the year by contacting the record keeper of the Plan, Empower Retirement.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer base and matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service with certain exceptions for death and disability. A participant is 100% vested after three years of credited service or attaining age 65. Prior to April 1, 2021, participants were 100% vested after five years of credited service or attaining age 65.

Forfeitures

Forfeitures are used to reduce future employer base and matching contributions or to pay plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled $171,441 and $424,035, respectively. During the years ended December 31, 2021 and 2020, $194,363 and $297,093 were used to reduce Company contributions, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates equal to 1% above prime rate at the time of the loan. The term of the loan cannot exceed five years, unless it is for the purchase of a principal residence, which must be repaid within fifteen years. Principal and interest are paid ratably through payroll deductions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America, ("GAAP"), as codified by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian and trustee. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and is reflected in the statements of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted participant loans are reclassified as deemed distributions for tax purposes but are kept on the Plan's records and continue to accrue interest until either repaid or the participant requests the loan to be distributed. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements. Administrative expenses reported by the Plan consist of recordkeeping and advisory fees.

Certain administrative expenses that are paid by the Company are not reflected in the accompanying financial statements. 12b-1 fees are credited back to the participants invested in the revenue-paying funds.

Income Taxes

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

NOTE 3 TAX STATUS

The Plan sponsor is a tax-exempt organization under 501(c)(3) of the Internal Revenue Code (IRC). The organization has adopted a 403(b) tax-sheltered annuity (TSA) plan. 403(b) plans are not required to receive a favorable determination letter from the Internal Revenue Service indicating that the Plan is qualified under Section 403(b). The Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 CERTIFIED INFORMATION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian, Wells Fargo Bank, N.A. and by the directed trustee, State Street Bank and Trust based on their Servicing Agent Agreement for Trustee Services with Transamerica Financial Life Insurance Company:

	2021
	Wells Fargo Bank, N.A.
Custodial account - mutual funds	$ 210,622,393
Notes receivable from participants	959,712
Investment income	25,134,292
Interest income on notes receivable from participants	45,501

	2020		
	Wells Fargo Bank, N.A.	State Street Bank and Trust	Total
Custodial account - mutual funds	$ 203,546,135	$ -	$ 203,546,135
Notes receivable from participants	1,074,986	-	1,074,986
Investment income	28,982,671	126,573	29,109,244
Interest income on notes receivable from participants	53,664	-	53,664

NOTE 5 GROUP ANNUITY CONTRACT

The Plan held a group annuity contract issued by Transamerica Financial Life Insurance Company (Transamerica). Under this contract, Transamerica maintained the contributions in pooled separate accounts for investment into the Guaranteed Pooled Fund. The Fund's principal objective was to protect principal while providing a higher rate of return than shorter maturity investments by investing in instruments which were not expected to experience significant price fluctuations in most economic or interest rate environments. The investments in the Guaranteed Pool Fund were liquidated and transferred into a money market mutual fund during the year ended December 31, 2020.

NOTE 6 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board Statement ASC Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:
Quoted prices for similar assets or liabilities in active markets;
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
If the asset or liability has a specified (contractual) term the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2021 and 2020.

Custodial account - mutual funds (including money market mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Custodial account - mutual funds	$ 210,622,393	$ -	$ -	$ 210,622,393

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Custodial account - mutual funds	$ 203,546,135	$ -	$ -	$ 203,546,135

NOTE 7 EXEMPT TRANSACTIONS WITH PARTIES-IN-INTEREST

Empower Retirement is the record keeper as defined by the Plan and, therefore, qualifies as a party-in-interest. Participant fees are withheld from participants' accounts and credited to an unallocated plan account on a quarterly basis. $442,247 and $378,972 were withheld from participant accounts by the record keeper for the years ended December 31, 2021 and 2020, respectively. Fees are then paid from this unallocated plan account. Fees totaling $182,577 and $184,245 were paid to Empower Retirement during the years ended December 31, 2021 and 2020, respectively.

Empower Retirement receives revenue (also known as 12b-1 fees) from mutual fund service providers for services Empower Retirement provides to the funds. This revenue is credited to participants with balances in the revenue-paying funds on a quarterly basis. Total revenue attributed to investments of the Plan was $46,042 and $94,450 for the years ended December 31, 2021 and 2020, respectively. The amounts shown as other income on the accompanying financial statements reflect the amounts of revenue remitted to the plan.

During the year ended December 31, 2021, the Plan performed surplus allocations to reallocate excess amounts held in trust. The allocations totaled $360,000 and were based on participant balances as of June 1, 2021.

NFP Retirement, Inc. is the broker/adviser to the Plan and, therefore, qualifies as a party-in-interest. Fees paid to NFP Retirement, Inc. were $117,326 and $81,293 for the years ended December 31, 2021 and 2020, respectively.

The Plan issues notes receivables to participants which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE 8 AMENDMENT AND TERMINATION

Although it has not expressed any intent to do so, the Organization reserves the right at any time to amend or terminate the Plan subject to the provisions of the Plan and ERISA. In the event of Plan termination, the rights of all participants to benefits accrued to the date of such termination, to the extent then funded, are non-forfeitable.

NOTE 9 RISKS AND UNCERTAINTIES

Participants direct the investment of their accounts into various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020 to Form 5500:

	2021	2020
Net assets available for benefits presented in these financial statements	$ 213,837,463	$ 206,420,804
Employer contributions receivable	(2,255,358)	(1,799,683)

Less: contributions receivable at current year end	(2,255,358)	(1,799,683)
Less: participant loans deemed distributed for tax reporting at current year end	(276,522)	(214,083)
Add: participant loans deemed distributed for tax reporting at prior year end	214,083	184,763
Net income per Form 5500	$ 6,898,545	$ 16,856,310

NOTE 11 SUBSEQUENT EVENTS

No significant events occurred subsequent to the Plan's year end. Subsequent events have been evaluated through October 10, 2022, which is the date these financial statements were available to be issued.
