Independent Auditors' Report

To the Plan Administrator and Participants of
Planned Parenthood League of Massachusetts 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to audit the financial statements of Planned Parenthood League of Massachusetts 403(B) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Planned Parenthood League of Massachusetts 403(B) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Planned Parenthood League of Massachusetts 403(B) Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Because certain prior-year records were not available, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2021, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year then ended. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood League of Massachusetts 403(B) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Planned Parenthood League of Massachusetts 403(B) Plan in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Planned Parenthood League of Massachusetts 403(B) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

Independent Auditors' Report

To the Plan Administrator and Participants of
Planned Parenthood League of Massachusetts 403(B) Plan

We were engaged to audit the accompanying financial statements of Planned Parenthood League of Massachusetts 403(B) Plan (the Plan) which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Great-West Trust Company LLC, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

In addition, because of the inadequacies in the Plan's prior-year records, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2020, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year then ended.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA.

Planned Parenthood League of Massachusetts 403(b) Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. *Description of Plan*

The following description of the Planned Parenthood League of Massachusetts 403(b) Plan (the Plan) provides only general information. Participants should refer to the summary plan description or the plan document for more complete information of the Plan's provisions.

General

The Plan is a 403(b) defined contribution retirement plan covering employees of Planned Parenthood League of Massachusetts, Inc. (the Company). All employees are eligible for elective deferrals and all employees are eligible to receive employer contributions, upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The board of trustees is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year participants may contribute a percentage of their annual compensation as defined in the Plan. Participants may make either or both, pretax contributions or post-tax roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company's matching contributions are based on the sole discretion of the Company's board of directors. For the years ended December 31, 2021 and 2020 the Company's match was \$219,818 and \$72,583, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary matching contribution, if any, and (b) Plan earnings/(losses) and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant contributions and investment allocations are determined by the participants and may be changed or discontinued at any time. In addition, a participant may make transfers between investment accounts. Participants are provided with the option to allocate their contributions into any of the different investment options through Great-West Trust Company LLC (Great-West), a party-in-interest.

1. Description of Plan - continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Prior to November 1, 2016, participants were immediately vested in Company discretionary matching contributions and earnings thereon. Effective November 1, 2016, participants vest in the Company's discretionary matching contributions and earnings based on years of service. A vested benefit cannot be taken away from participants or forfeited. The vesting schedule is as follow:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1 Year	50%
2 Years or more	100%

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Loan terms will not be greater than five years unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 1% above the prime interest rate as determined at the time of the loan by the plan administrator. Interest rates on outstanding loans, as of December 31, 2021 and 2020, ranges from 4.25% to 6.50%. Principal and interest payments are made ratably through payroll deductions.

Payments of Benefits

On termination of service due to death, disability or retirement, a participant (or the beneficiary upon the participant's death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants may make either hardship or in service withdrawals from certain funds within the Plan while still employed. Both types of withdrawals have specific limitations and conditions. Withdrawal elections may be made at any time. There is no limit to the number of hardship or in service withdrawals a participant may make during employment with the Company.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$13,061 and \$11,090, respectively. These accounts may be used to reduce future employer contributions or reduce Plan expenses, or both. The Company did not use the forfeiture account to reduce Company discretionary matching contributions or plan expenses for the years ended December 31, 2021 and 2020.

1. *Description of Plan - continued*

Plan Amendments

During 2021, the Plan was amended effective as of October 1, 2021 to amend the provisions of hardship withdrawals thereby removing the requirement to obtain all nontaxable loans available under the plan and removing the suspension of elective deferrals if a hardship withdrawal was made.

During 2020, the Plan implemented certain provisions required by the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which permitted the Plan to make certain changes, including, among others allowing certain eligible participants to receive coronavirus-related relief for loan repayment, suspending required minimum distributions, delaying the commencement date for required minimum distributions, delaying the commencement date for required minimum distributions and allowing coronavirus-related loans and distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

2. *Significant Accounting Policies*

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investments contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Company determines the Plan's valuation policies using information provided by the investment advisors and custodian. See Note 6 for discussion of fair value measurements.

Notes to Financial Statements - *continued*

December 31, 2021 and 2020

2. *Significant Accounting Policies – continued*

Investment Valuation and Income Recognition – continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participants account and are included in administrative expenses.

3. *Guaranteed Interest Fund Fixed Account – Fully Benefit Responsive Contract*

The Plan invests in the Great-West Life & Annuity Insurance Company (GLA) Guaranteed Interest Fund Fixed Account (the Fixed Account), a traditional fully benefit-responsive guaranteed investment, managed exclusively for the Plan by GLA. GLA maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Fixed Account's issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Because the Fixed Account meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fixed Account. The Fixed Account is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported by GLA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the Fixed Account at December 31, 2021 and 2020 was \$402,021 and \$395,784, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

Notes to Financial Statements - *continued*

December 31, 2021 and 2020

3. *Guaranteed Interest Fund Fixed Account – Fully Benefit Responsive Contract* *- continued*

Certain events limit the Plan's ability to transact at contract value with GLA. Such events include the following: (1) spin-offs, (2) sales, (3) mergers, (4) partial plan terminations, including distribution of assets performed by a Qualified Termination Administrator, as that term is defined under Federal law and regulations promulgated thereunder, or a comparable person as allowed by applicable law, (5) termination of a union in a multiemployer plan, (6) termination of a participating employer in a multiple employer plan, (7) termination by a political subdivision of a governmental 457(b) plan or (8) a layoff of at least 20% of the work force in a twelve month period. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The investment contract does not permit the issuer to terminate the agreement prior to the scheduled maturity date.

4. *Income Tax Status*

Individually designed 403(b) plans currently are not required to submit plans to the IRS for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

5. *Information Prepared and Certified by Custodian (Unaudited)*

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian as of December 31, 2021 and 2020:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 10,521,189	\$ 9,501,951
Investments at contract value:		
Unallocated insurance contract - fully benefit responsive	\$ 402,021	\$ 395,784
Notes receivable from participants	\$ 11,433	\$ 34,395
Net appreciation in fair value of investments	\$ 909,887	\$ 1,046,998
Interest and dividend income	\$ 515,938	\$ 287,469
Interest income on notes receivable from participants	\$ 1,253	\$ 2,312

6. *Fair Value Measurements*

The Financial Accounting Standards Board (FASB) *ASC 820, Fair Value Measurements and Disclosures* (ASC Topic 820) defines fair value as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 requires disclosure of the extent to which fair value is used to measure financial and non-financial assets and liabilities, the inputs utilized in calculating valuation measurements, and the effect of the measurement of significant unobservable inputs on earnings, or changes in net assets, as of the measurement date.

ASC Topic 820 establishes a three-level valuation hierarchy based upon the transparency of inputs utilized in the measurement and valuation of financial assets or liabilities as of the measurement date, which are described as follows:

- Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Notes to Financial Statements - *continued*

December 31, 2021 and 2020

6. Fair Value Measurements – continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs that are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2021		
<i>Description</i>	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 10,521,189</u>	<u>\$ 10,521,189</u>
Assets at Fair Value as of December 31, 2020		
<i>Description</i>	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$ 9,501,951</u>	<u>\$ 9,501,951</u>

For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

7. *Risk and Uncertainties*

Credit Risk

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

COVID-19

On March 11, 2020, the World Health Organization characterized the outbreak of a novel strain of coronavirus (COVID-19) as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. In response to the uncertainties surrounding the COVID-19 pandemic, in May 2020, the Company discontinued its discretionary contributions to the Plan. In January 2021, management resumed its contributions to the Plan. It is anticipated that these impacts will continue for some time. Future potential impacts may include disruptions or restrictions on the Company's management, the participants, or the custodian's ability to work in addition to volatility in the markets in which the Plan's investment offerings are traded and valued. However, the future effects of these issues cannot be reasonably estimated.

8. *Plan Termination*

The Company has the right under the Plan to discontinue its discretionary contributions at any time and to terminate the Plan subject to the provisions of ERISA.

9. *Party-In-Interest Transactions*

Plan investments consist of certain funds managed by Great-West, the custodian as defined by the Plan, and therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for investment management services were \$16,761 and \$160 for the years ended December 31, 2021 and 2020, respectively.

10. *Subsequent Events*

The Plan has evaluated subsequent events through October 6, 2022, which is the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2021 that requires recognition or disclosure in these financial statements.
