The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of TechFlow, Inc. 401(k) Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TechFlow, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TechFlow, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TechFlow, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TechFlow, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT
(continued)

Other Matters (continued)

2021 Supplemental Schedules Required by ERISA (continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of TechFlow, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TechFlow, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN

The following description of the TechFlow, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering eligible employees of TechFlow, Inc. (the Company) who are age 21 or older and have at least one month of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to 75% of regular compensation and up to 100% of bonuses in the form of salary deferrals, subject to an annual limit specified in the Internal Revenue Code. New participants are automatically enrolled in the Plan at a 4% deferral rate unless they affirmatively elect otherwise. The automatic deferral rate increases 1% annually until it reaches 10%. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollover contributions"). The Company may make discretionary matching contributions and discretionary non-elective contributions to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of the Company's non-elective contributions. The Company's non-elective contributions are allocated based on each participant's compensation. Each participant has an individual investment account and is credited with the earnings from that account.

Benefits

Upon termination of service, attainment of normal retirement age, disability or death, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution or other distribution methods elected by the participant.

TechFlow, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

(Continued)

December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately vested in their own contributions, the Company's matching contributions, and earnings thereon. Vesting in the Company's non-elective contributions and earnings thereon is based on years of continuous service. A participant is 100% vested after four years of credited service, attainment of normal retirement age, death, or disability.

Notes Receivable from Participants

Participants may borrow a maximum of the lesser of 50% of their vested account balance or \$50,000. Notes receivable from participants bear a reasonable rate of interest determined by the plan administrator which was determined to be prime plus 2% for 2021 and 2020. The interest rate is fixed for the duration of the loan. Additionally, all loans are secured by the participant's vested interest in the Plan. Loans to participants must be repaid within 5 years or 30 years if the loan qualifies as a home loan, as defined by the Plan. The interest rates on participant loans ranged from 5.25% to 7.50% at December 31, 2021, and 4.25% to 7.50% at December 31, 2020.

Investments

The Plan allows participants to direct their account balance to any combination of a variety of investment funds. The number of such funds and the type of investments therein may be changed at any time by the Plan. Participants may change their investment options at any time.

Forfeitures

Forfeitures are used to reduce the Company's contributions or to pay Plan expenses. Forfeitures of \$21,377 and \$12,792 were used to reduce the Company's contributions in 2021 and 2020, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements

(Continued)

December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Note 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Investments

Investments in registered investment companies are stated at fair value based on the publicly quoted net asset value of shares held by the Plan.

Investments in the guaranteed interest contract are stated at contract value as estimated by the custodian. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants

Notes receivable from participants are stated at the principal balance outstanding plus accrued interest. Delinquent participant loans are reclassified as distributions in accordance with the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Note 2. SUMMARY OF ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company.

Note 3. FAIR VALUE MEASUREMENTS

FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in registered investment companies	\$ 15,099,712	\$ -	\$ -	\$ 15,099,712
Total investments measured at fair value	<u>\$ 15,099,712</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,099,712</u>

Note 3. FAIR VALUE MEASUREMENTS (continued)

<u>Fair Value Measurements as of December 31, 2020:</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in registered investment companies	<u>\$ 12,767,076</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,767,076</u>
Total investments measured at fair value	<u>\$ 12,767,076</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,767,076</u>

Note 4. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a group annuity contract with Great-West Life & Annuity Insurance Company. The group annuity contract, Key Guaranteed Portfolio Fund, is a fixed account that is part of the general account of Great-West Life & Annuity Insurance Company. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate (which will never be less than 0%), and prevailing market conditions. The interest crediting rate, which is reset quarterly, averaged 0.90% in 2021 and 1.04% in 2020.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events may limit the ability of the Plan to transact at contract value. Such events include: (1) amendments to Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The plan administrator believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

Note 5. INFORMATION SUPPLIED BY PLAN TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustee of the Plan.

	<u>2021</u>	<u>2020</u>

Interest income on guaranteed interest contract	2,123	2,213
Interest income on participant notes receivable	6,578	6,014

Note 6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Schedule H of Form 5500:

	<u>2021</u>	<u>2020</u>
Net increase per financial statements	\$ 2,353,838	\$ 2,583,069
Excess contributions payable, beginning of year	-	(10,975)
Excess contributions payable, end of year	<u>-</u>	<u>-</u>
Net increase per Schedule H of Form 5500	<u>\$ 2,353,838</u>	<u>\$ 2,572,094</u>

Note 7. PARTY-IN-INTEREST

Certain expenses of the Plan are paid for by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to a third-party administrator.

TechFlow, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

(Continued)

December 31, 2021 and 2020

Note 7. PARTY-IN-INTEREST (continued)

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC functions as trustee and investment manager for the Plan assets, disburses benefit payments, and executes investment transactions.

Note 8. FEDERAL INCOME TAX STATUS

The Plan is operated under the terms of a non-standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service dated June 30, 2020, indicating that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan has been amended since receipt of the determination letter. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and that, therefore, the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 9. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through October 7, 2022, which is the date the 2021 financial statements were available to be issued.
