ASO 401(k) Savings Plan
Sarasota, Florida

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of ASO 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of ASO 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ASO 401(k) Savings Plan's ability to continue as a going concern within one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ASO 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ASO 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of ASO 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

ASO 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

ASO LLC (the Company) sponsors ASO 401(k) Savings Plan (the Plan). The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all employees of the Company after completion of three months employment and attainment of age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions:

Each year participants may elect to contribute, on a pre-tax basis (elective deferrals), from 1% to 60% of their compensation up to regulatory maximums. For 2021 and 2020 the total annual participant deferral contribution is limited to \$19,500 (\$26,000 for employees age fifty or older).

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes safe harbor matching employer contributions on behalf of eligible participants equal to 100% of the first 3% of the eligible participant's compensation contributed to the Plan and 50% of the next 3% of the eligible participant's compensation contributed to the Plan. The Company may make an additional matching employer contribution on behalf of each eligible participant in an amount equal to a percentage of the eligible contributions made by each eligible participant during the plan year. The Company contributions are invested based on each participant's investment elections.

Participant Accounts:

Each participant's account is credited with the participant's contribution, the employer's contributions, and Plan earnings. Allocations of the Plan's earnings or losses are based on the ratio of each participant's current account as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting:

Participants are immediately vested in their elective contributions and safe harbor matching employer contributions, plus actual earnings thereon. Vesting in the portion of their accounts related to the Company's non-discretionary matching employer contributions is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Forfeited Accounts:

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$14 and \$0, respectively. These accounts will first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions. No forfeitures were utilized to pay administrative expenses or reduce employer contributions for the year ended December 31, 2021.

ASO 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits:

On termination of service due to death, disability or retirement, the participant's account balance is distributed in a lump sum if the balance is less than \$1,000. If the balance in a participant's account is greater than \$1,000 but less than \$5,000, then the Plan will pay the distribution in a direct rollover to an individual retirement plan designated by the Plan administrator, if the participant does not elect otherwise. If the balance exceeds \$5,000, a distribution can be paid out as a lump sum payment for the entire vested account balance or it can be deferred until minimum distributions are required by law.

Notes Receivable from Participants:

A participant may borrow from their fund accounts in the form of a note. Notes are limited to a minimum of \$1,000 up to a maximum amount equal to the lesser of one-half of their vested account balance or \$50,000 reduced by the highest outstanding loan balance in their account during a twelve month period. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest determined by the Plan administrator based on prevailing interest rates charged by persons in the business of lending money for loans, which would be made under similar circumstances. The interest rate remains fixed throughout the duration of the loan. Principal and interest is paid ratably through after-tax payroll deductions on at least a quarterly basis over a 5 year period unless the note is to be used for the purchase of a principal residence, for which the maximum term is ten years. A loan becomes immediately due and payable upon a participant's termination of employment or death.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are presented on the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition:

Investments are stated at fair value as determined by the trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses:

Certain administrative functions are performed by employees of the Company who receive no compensation from the Plan. Administrative expenses for investment fees are paid by the Plan.

Payment of Benefits:

Benefits are recorded when paid.

Subsequent Events:

Management evaluated all activity of the Plan through October 3, 2022, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Fidelity Management Trust Company, the trustee, has certified that all of the investments and investment-related activity presented in the statements of net assets available for benefits, statement of changes in net assets available for benefits and supplemental schedule of assets held for investment purposes as of December 31, 2021 and 2020 and for the year ended December 31, 2021 are complete and accurate. Such information has not been audited by independent auditors except for comparing such information with the related information included in the financial statements and supplemental schedule as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

NOTE D - PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustee. These transactions qualify as party-in-interest transactions. Recordkeeping, custodial and other expenses paid by the Plan were incurred with parties-in-interest as defined in Section 3(14) of ERISA.

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and/or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. The Plan administrator will facilitate the distribution of account balances in single lump sum payments to each participant in accordance with the Plan provisions until all assets have been distributed by the trustee.

NOTE F - INCOME TAX STATUS

The Plan was established using the Fidelity Non-Standardized Pre-Approved Profit Sharing Plan With CODA, which, according to an opinion letter dated June 30, 2020 from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC).

ASO 401(k) SAVINGS PLAN

December 31, 2021 and 2020

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment company and money market funds: These investments are valued at the net asset value (NAV) of units held by the Plan at year end as provided by Fidelity Management Trust Company.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
