Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA ("ERISA Section 103(a)(3)(C) audits"). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

# RiceTec, Inc. Retirement Savings Plan

## Notes to Financial Statements

---

### 1. Description of the Plan

The following description of the RiceTec, Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

- a. **General** - The Plan is a defined contribution plan covering substantially all employees of RiceTec, Inc. (the “Company” or “Employer” or “Plan Sponsor” or “Plan Administrator”). Full time employees are eligible to participate upon date of hire, and part-time and temporary employees are eligible to participate upon completion of 1,000 hours of services during an eligibility computation period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Effective January 1, 2010, eligible employees are automatically enrolled at 3% of base salary for the traditional 401(k) portion of the Plan. All participants, unless they chose to opt out, will also automatically enroll in Contribution Accelerator, which means that participant contributions will automatically increase in increments of 1% each year up to a maximum amount of 6%. These automatic increases will occur at the same time each year. Participants can choose to contribute to a traditional 401(k), Roth 401(k), or both. Employees can opt out of the Plan, increase or decrease their contribution amounts, and make investment elections within 90 days of becoming eligible. The Company will match this amount dollar for dollar up to the limitation, as described below.

- b. **Contributions** - Participants may contribute not less than 1% and not more than 100% of eligible plan year compensation, as defined in the plan document, subject to statutory limitations as defined by the Internal Revenue Code (“IRC”). Such limitations for 2021 and 2020 were \$19,500. The Plan allows participants age 50 and older to make additional salary deferrals (referred to as employee catch-up contributions), subject to statutory limitations of \$6,500 in 2021 and 2020. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or defined contribution plans. The Plan currently offers various mutual funds and one common/collective trust as investment options for participants. The Company makes safe harbor matching contributions, which matches 100% of employee contributions, up to 5% of eligible compensation. Contributions are subject to certain limitations as defined in the plan document.
- c. **Participant Accounts** - Each participant’s account is credited with the participant’s contribution, the Company’s matching contributions, and allocations of Plan’s earnings and charged with allocations of the Plan’s income/losses and administrative fees associated with loan requests and/or other participant requests. Participants direct the investment of their contributions into various investment options offered by the Plan. At December 31, 2021 and 2020, the Plan offered various mutual funds and one common/collective trust as investment options for participants.
- d. **Vesting** - Participants are immediately 100% vested in their contributions and the Company’s matching contributions plus actual earnings thereon.
- e. **Notes Receivable from Participants** - Participants are permitted to borrow from their fund accounts a minimum amount of \$1,000 up to a maximum amount, equal to the lesser of \$50,000, or 50 percent of the vested portion of their account balance reduced by the highest outstanding loan balance during the previous twelve-month period. The loans are secured by the balance in the participant’s account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Notes receivable from participants mature on various dates through 2029 with interest rates of 4.25% to 6.50%.

## Notes to Financial Statements

---

Principal and interest are paid ratably through payroll deductions over a period of five years or less, except for the purchase of a principal residence which may be repaid over a reasonable period of time that may be longer than five years.

- f. ***Payment of Benefits*** - Upon termination of service due to death, disability, retirement or separation from service, participants or beneficiaries may elect to 1) receive a lump-sum amount equal to the value of the participant's vested interest in his or her account; 2) if account balances in excess of \$5,000, the balance may remain in the Plan; or 3) schedule an annuity as outlined in accordance with the Plan's provisions. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the plan document.
- g. ***Forfeited Accounts*** - Forfeitures are used for employer matching contributions and plan expenses in accordance with the plan document. Forfeited non-vested accounts totaled \$52,890 and \$24,955 as of December 31, 2021 and 2020, respectively. No forfeitures were used to fund employer matching contributions or pay plan expenses in 2021 and 2020.
- h. ***Administrative Expenses*** - Certain administrative fees and expenses are paid by the Plan. The Employer, at its discretion, pays other administrative fees and expenses related to the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivables, distributions, advisor fees and record keeping fees are charged directly to the participant's account balance and are included in administrative expenses. All commissions and other charges on purchases, sales and transfers of investments are paid out of the fund or account involved in such purchase or sale. Participants are responsible for their own loan fees, distribution fees, and applicable investment management fees.

## 2. Summary of Significant Accounting Policies

### ***Basis of Accounting***

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as codified by the Financial Accounting Standards Board ("FASB") in its Accounting Standards Codification ("ASC").

### ***Management Estimates***

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

# RiceTec, Inc. Retirement Savings Plan

## Notes to Financial Statements

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at the unpaid principal balance plus unpaid accrued interest. The Plan classifies all notes receivable with no payments received for 6 months as in default. Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statements of changes in net assets available for benefits. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

### ***Payment of Benefits***

Benefits are recorded when paid.

### **3. Information Certified by the Plan's Custodian (unaudited)**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company ("Great-West" or the "custodian"), has certified that the following data included in the accompanying financial statements and supplemental schedules, where applicable, are complete and accurate.

| <b><i>December 31,</i></b>         | <b>2021</b>   | <b>2020</b>   |
|------------------------------------|---------------|---------------|
| Mutual funds                       | \$ 42,364,491 | \$ 36,184,696 |
| Common/collective trust            | 4,937,801     | 4,852,791     |
| Notes receivable from participants | 448,066       | 409,529       |

  

| <b><i>Years Ended December 31,</i></b>                | <b>2021</b>  | <b>2020</b>  |
|-------------------------------------------------------|--------------|--------------|

| Net appreciation in common/collective trust           | 62,644       | 74,030       |
| Interest and dividend income                          | 3,294,323    | 1,536,101    |
| Other                                                 | 61,300       | 102,875      |
| Interest income on notes receivable from participants | 18,924       | 18,032       |

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, reading the disclosures relating to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedules are in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### **4. Fair Value Measurements**

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

# RiceTec, Inc. Retirement Savings Plan

## Notes to Financial Statements

---

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
  - a. Quoted prices for similar assets or liabilities in active markets;
  - b. Quoted prices for identical or similar assets or liabilities in inactive markets;
  - c. Inputs other than quoted prices that are observable for the asset or liability; or
  - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the assets or liability.

- Level 3 - Inputs that are unobservable inputs for the asset or liability.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. There were no transfers between levels for the years ended December 31, 2021 and 2020.

The following is a description of the valuation methodologies used for assets measured at fair value.

- **Mutual Funds:** The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equities and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at quoted market prices on the last business day of the plan year as reported by the trustee.
- **Common/Collective Trust ("CCT"):** Units held in the CCT are valued at the net asset value ("NAV") based on fair market value of the underlying investments of the account less its liabilities. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. CCT invests in high-quality bonds, benefit-responsive investment contracts issued by insurance companies and other financial institutions ("Contracts"). Under the terms of the Contracts, the assets of the fund are invested in book value separate accounts and wrappers.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's investment assets at fair value, as of December 31, 2021 and 2020. As required by FASB ASC 820, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

\* An investment that is measured at fair value using the net asset value per share (or its equivalent) practical expedient has not been categorized in the fair value hierarchy. The fair value amount presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amount presented in the Statements of Net Assets Available for Benefits.

The following table summarizes the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no redemption restrictions for this investment; the redemption notice period is applicable only to the Plan:

## 5. Party-In-Interest Transactions

Great-West serves as custodian of the Plan's assets and provides record keeper services to the Plan; therefore, certain transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as parties-in-interest transactions. Fees paid by the Plan to the Custodian, advisors and auditor amounted to \$66,034 and \$118,153 for the years ended December 31, 2021 and 2020, respectively.

Great-West provides certain administrative services to the Plan and receives revenue from mutual fund service providers for services Great-West provides to the funds. This revenue is used to offset certain amounts owed to Great-West for its administrative services and to reduce employer contributions under the Plan. If the revenue received by Great-West from such mutual fund service providers exceeds the amount owed under the Plan, Great-West remits the excess to the Plan's forfeiture accounts. Such amounts may be applied for employer matching contributions or to pay plan administrative expenses. During the years ended December 31, 2021 and 2020, there were excess amounts of \$63,138 and \$1,447, respectively. The Plan or Plan Sponsor may make a payment to Great-West for administrative expenses not covered by revenue sharing.

## Notes to Financial Statements

---

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would remain 100% vested in their accounts.

### 7. Tax Status

The Plan adopted a non-standardized prototype arrangement designed by Great-West. Great-West obtained its latest determination letters on March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the prototype arrangement, as designed, was in compliance with the applicable requirements of the IRC. The Plan has not yet received its own determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

### 8. Delinquent Contributions

For the year ended December 31, 2021, the Company determined that certain employee deferrals and loan repayments aggregating \$27,493 had not been remitted to the Plan in a timely manner, according to DOL regulations. Although these remittances were made, they fell outside the normal processing time the Employer allows. An investigation was held to determine the root cause of the delinquent contributions and corrective measures were taken. The Company calculated the lost earnings as a result of the delinquent contributions, has completed the process and deposited to participant accounts during the plan year 2021.

### 9. Subsequent Events

The Plan's management evaluated subsequent events through October 10, 2022, which is the date the financial statements were available to be issued and has determined that no subsequent events have occurred which would require recognition or disclosure in the financial statements or notes to the financial statements.
