INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
Sweeteners Plus LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Sweeteners Plus LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SWEETENERS PLUS LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 1 **Description of the Plan**

The following brief description of the Sweeteners Plus LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Sweeteners Plus, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 12, 2020, the Plan was amended to remove the service requirement of three months and reduce the age for eligibility from 21 to 18.

Contributions

Each year, participants may contribute pretax or taxed annual compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees are automatically enrolled in the Plan with a 3% payroll deduction unless the employee submits notice to decline participation. The participant contributions may be allocated to various investment options as directed by the participant.

The Plan allows for an employer match contribution. The Company contributed 100% of salary-reduction contributions up to the first 3% of plan compensation, plus 50% of salary-reduction contributions up to the next 2% of plan compensation.

In addition, the Company may also make discretionary contributions on the participants' behalf. This type of contribution shall be within the discretion of the Board of Directors of the Company and determined by a resolution. Participants must be at least age 18, be employed at the end of the year or work at least 500 hours to be eligible for the discretionary contribution. There were no discretionary contributions made by the company during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company contributions, if any, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

***Note 1* Description of the Plan - Continued**

Vesting

Participants are immediately vested in their contributions, Company matching contributions, and Company discretionary contributions plus actual earnings thereon.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments, either annually or more frequently. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan also provides for in-service withdrawals subject to limitations.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$517 and \$4,384, respectively. Forfeitures can be utilized to reduce plan expenses or reduce employer contributions. Forfeitures of \$313 and \$2,194 were used to reduce plan expenses during 2021 and 2020, respectively. Forfeitures of \$3,583 were used to reduce Company matching contributions during 2021.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. Participants are permitted one loan outstanding at any given time. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Principal and interest are paid ratably through weekly payroll deductions.

***Note 2* Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 2* Summary of Significant Accounting Policies - Continued**

Administrative Expenses

Administrative expenses may be paid by the Plan or the Company.

Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with these securities, it is at least reasonably possible that changes in their values will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events

In preparing the financial statements, management has evaluated subsequent events and transactions for potential recognition of disclosure through October 6, 2022, the date the financial statements were available to be issued.

***Note 3* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by GAAP for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuations techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SWEETENERS PLUS LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 3* Investment Valuation and Income Recognition - Continued**

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies: Valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Common/Collective Trusts: Valued at NAV based on the underlying assets of the trust. The NAV is used as a practical expedient to estimate fair value. The fair value of the underlying assets is obtained from information provided by the investment advisor at year end and is considered readily determinable. There are no restrictions on redemptions of this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SWEETENERS PLUS LLC 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 3 **Investment Valuation and Income Recognition - Continued**

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

		December 31, 2021	
		Level 1	Total
Registered Investment Companies		\$ 5,873,238	\$ 5,873,238
Common/Collective Trusts Measured at NAV ^(a) as a Practical Expedient		-	665,817
		<u>\$ 5,873,238</u>	<u>\$ 6,539,055</u>
		December 31, 2020	
		Level 1	Total
Registered Investment Companies		\$ 4,768,586	\$ 4,768,586
Common/Collective Trusts Measured at NAV ^(a) as a Practical Expedient		-	675,445
		<u>\$ 4,768,586</u>	<u>\$ 5,444,031</u>

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 4 **Income Tax Status**

The Plan has adopted a non-standardized form of a prototype plan sponsored by Epic Advisors Inc. The prototype plan provider has received an opinion letter from the IRS as to the prototype plan's qualified status dated June 30, 2020. The prototype plan opinion letter has been relied upon by the Plan. The Plan has been amended since the prototype plan received the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 5* Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants become fully vested and nonforfeitable.

***Note 6* Certified Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, the trustee and custodian of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, the schedule of assets (held at end of year) as of December 31, 2021 (excluding participant loans), the related investment activity (including interest and dividend income and net appreciation in fair value of investments reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021).

***Note 7* Party-in-Interest Transactions**

Notes receivable from participants qualify as party-in-interest transactions.

***Note 8* Prohibited Transactions**

During the plan year ended December 31, 2020, the Company failed to deposit \$3,012 and \$692 of participant deferrals and loan repayments, respectively, within the required time frame as stated by the DOL. The DOL considers late deposits to be prohibited transactions. As such, the Plan sponsor is required to file form 5330 and pay the applicable excise tax and lost earnings on the delinquent participant deferrals. The excise tax payments and lost earnings will be paid by the Company and not from the assets of the Plan. As of the date of these financial statements, the Plan sponsor has not yet filed this form for the 2020 late remittances.
