INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
API RETIREMENT SAVINGS PLAN
McKinney, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of API Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of API Retirement Savings Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of API Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about API Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of API Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about API Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of API Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

API RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the API RETIREMENT SAVINGS PLAN provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Ag-Power, Inc. who have met plan eligibility requirements. An employee must reach age 18, complete six months and entry date will be the first day of the Plan Year quarter next following the date you satisfy the eligibility requirements, to be eligible to make elective deferrals to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan was originally effective on January 1, 1991. The amended and restated provisions of the Plan became effective on July 14, 2021.

Participant Accounts

Each participant's self-directed account is credited with the participant's contribution along with the Plan Sponsor's matching and discretionary contributions, if any, and related investment earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's compensation, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately 100% vested in their elective deferrals and rollover contributions, plus actual earnings thereon. The normal retirement age under the Plan is 62, at which time participants also become fully vested. Participants vest in matching contributions based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTE 1 – DESCRIPTION OF THE PLAN - CONTINUED

Contributions

Participants may elect to have up to 100% of their pretax annual compensation, as defined in the Plan, contributed to the Plan. Participant salary deferral contributions are voluntary and limited to the maximum amount permitted by the IRS (i.e. \$19,500 for 2021 and \$19,500 for 2020). Participants who are at least age 50 or will attain age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth contributions. The Company contributes 25% of the first 6% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company's board of trustees.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common/collective trusts account as investment options.

Payment of Benefits

Financial hardship distributions are permitted for the following reasons; a. purchase of home, b. medical or dental expenses, c. certain educational costs, d. prevent eviction from primary home, e. certain funeral or burial costs, f. certain expenses to cover damages of primary home. Upon termination of service, death, disability, or retirement, participants may elect to receive a lump-sum amount equal to the vested value of their account or may transfer the vested value of their account to another retirement investment vehicle. For those vested account balances less than \$5,000, only lump-sum payments are available. Participants with vested account balances greater than \$5,000 may delay distributions until required by law to receive required minimum distributions.

Forfeited Accounts

Forfeitures may be used to pay plan expenses, allocated as an additional discretionary nonelective contribution, allocated as an additional discretionary matching contribution, used to reduce any nonelective contribution or used to reduce any matching contribution. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$888 and \$634, respectively. For the years ended December 31, 2021 and 2020, \$2,235 and \$2,394, respectively were reallocated from forfeiture accounts to be used for plan expenses and employer contributions.

Plan Termination

Although the Employer intends to maintain the Plan indefinitely, the Employer reserves the right to terminate the Plan at any time under the provisions of ERISA. Upon termination, no further contributions will be made to the Plan and all amounts credited to your accounts will become 100% vested. The Employer will direct the distribution of your accounts in a manner permitted by the Plan as soon as practical. You will be notified if the Plan is terminated.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investments

The Plan's investments in registered investment company shares (mutual funds) accounts are stated at fair value as reported by Reliance Trust. The estimated fair values of the investments in registered investment company shares (mutual funds) and Common/Collective Trusts with JP Morgan Company have been determined based on the unit values of the accounts. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Investment income includes realized gains or losses, interest income, dividend income and the unrealized appreciation (depreciation) on these investments.

Use of Estimates

The Plan administrator uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities and the changes therein, and disclosure of contingent assets and liabilities. Actual results could vary from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Participant Notes Receivable

Participants loans are not allowed in the Plan.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

The Employer has elected to pay all plan related expenses except for certain expenses which are intrinsic to the value of the Trust assets such as brokerage commissions.

NOTE 3 - INVESTMENTS

The Plan has investments with JP Morgan for 2021 and for 2020, which are registered investment company shares (mutual funds) and Common/Collective Trusts for 2021 and 2020.

The custodian of the plan has certified that the investments and related transactions of the Plan are complete and accurate. Investment information certified by the custodian has not been audited by independent auditors. Investment information is summarized as follows:

	2020	2019
Investments at fair value:		
Value of interest in common trust	\$ 188,124	\$ 221,187
Registered Investment Companies	8,310,491	7,351,195

During 2021 and 2020, the plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$(66,885) and \$579,921, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value for investment options offered by JP Morgan. The level classifications and descriptions discussed below are based on the judgment of JP Morgan. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Registered Investment Companies/Mutual funds (Level1): Valued at the daily closing price as reported by JP Morgan. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds (Level 2): Valued at the net asset value (NAV) of shares held by the plan at year end and are classified in Level 2 of the fair value hierarchy. The JPMCB Stable Asset Income Fund seeks to provide capital preservation, liquidity and current income at levels that are typically higher than those provided by money market funds. Share Prices/NAV's reported on the Plan Summary Reports for Collective Trust Funds are generally obtained directly from the fund house or other investment provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the financial instruments carried at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
December 31, 2021				
Registered Investment Co.	\$8,310,491	\$ 0	\$ 0	\$ 8,310,491
Collective Trust Funds	<u>\$ 0</u>	<u>\$ 188,124</u>	<u>\$ 0</u>	<u>\$ 188,124</u>
Total assets at fair value	<u>\$8,310,491</u>	<u>\$ 188,124</u>	<u>\$ 0</u>	<u>\$ 8,498,615</u>
December 31, 2020				
Registered Investment Co.	\$7,351,195	\$ 0	\$ 0	\$ 7,351,195
Collective Trust Funds	<u>\$ 0</u>	<u>\$ 221,187</u>	<u>\$ 0</u>	<u>\$ 221,187</u>
Total assets at fair value	<u>\$7,351,195</u>	<u>\$ 221,187</u>	<u>\$ 0</u>	<u>\$ 7,572,382</u>

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

Average yields for the plan were 5.79 percent and 11.79 percent for years ending December 31, 2021 and 2020, respectively. Those same percentages of yield were allocated to each individual account.

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation/depreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

NOTE 5 – INCOME TAX STATUS

The Plan has adopted a prototype non-standardized profit-sharing plan pre-approved by the Internal Revenue Service (“IRS”). The IRS issued an opinion letter dated June 30, 2020, that the prototype non-standardized plan is acceptable with the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

As of December 31, 2021, the Plan’s tax years for 2018, 2019 and 2020 are subject to examination by tax authorities. With few exceptions, as of December 31, 2021, the Plan is no longer subject to US Federal examination by tax authorities for the years before 2018.

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain administrative costs are paid by the Company.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciliations of net assets available for benefits per the financial statements at December 31, 2021 to Form 5500.
