INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Samaritan Daytop Village, Inc. as Sponsor of the
Samaritan Village, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Samaritan Village, Inc. Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated October 15, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

**SAMARITAN VILLAGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 1 – DESCRIPTION OF PLAN

The following description of Samaritan Village, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a profit sharing and 401(k) plan covering all eligible employees (the "participants") of Samaritan Daytop Village Inc. (the "Plan Sponsor") and Samaritan Daytop Foundation, Inc. (collectively referred to as "the Company"). The Plan, which was established in 1973 and restated in 2016, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.
- B. **Eligibility** – Employees of the Company age 21 years or older are eligible to participate in the Plan; however, leased employees are excluded from the Plan. The entry date to the Plan is the first date of each calendar month, following completion of the eligibility criteria. Employees must complete 90 days of service to contribute employee deferrals to the Plan and to receive the employer matching contributions. Employees must complete 1,000 hours of service each Plan year and must be employed on the last day of the Plan year to be eligible for employer profit-sharing contributions.
- C. **Participant Contributions** – Participants may elect to contribute to the Plan a minimum of 1% of compensation up to the maximum allowed under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Upon meeting the Plan's eligibility criteria, employees are automatically enrolled in the Plan at a deferral rate of 4% of participant compensation, unless they elect an alternate percentage or opt out of the Plan. Participants are fully vested in these funds at all times. Participants can also make Roth deferrals in accordance with the Plan's provisions. There is no auto escalation.
- D. **Employer Contributions** – The employer will make a fixed matching contribution equal to 25% of salary deferrals during each payroll period up to a maximum of 4% of participant compensation.

The Company's discretionary employer contributions are determined annually, and are based on the following criteria:

1. For each participant entitled to share in allocations whose employment date or reemployment date is after April 30, 1996, 4% of compensation.
2. For each participant entitled to share in allocations whose employment date or reemployment date is after June 30, 1993, and prior to May 1, 1996, 6.5% of compensation.
3. For each participant entitled to share in allocations who entered employment with the employer prior to July 1, 1993, 11.2% of compensation not in excess of \$16,500, plus an allowable amount in excess of \$16,500 per the annual Internal Revenue Service ("IRS") non-discrimination testing limitations.
4. Regardless of employment date, for each participant entitled to share in allocations who is a vice president or assistant vice president, 11.2% of compensation not in excess of \$16,500 plus an allowable amount in excess of \$16,500 per the annual IRS non-discrimination testing limitations.

For the years ended December 31, 2021 and 2020, employer contributions amounted to \$2,415,447 and \$2,367,592, respectively.

- E. **Participant Accounts** – Each participant's account is credited with the participant's voluntary contribution and an allocation of (a) the Employer's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- F. **Excess Contribution Liability** – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed excess contributions to the applicable participants prior to March 15 of the following year.

**SAMARITAN VILLAGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 1 – DESCRIPTION OF PLAN (Continued)

- G. **Vesting** – Plan participants are immediately vested in their voluntary contributions plus allocation of earnings (net of investment fees) thereon. Participants are vested in their employer contributions, plus actual earnings thereon, as follows:

<u>Years of Vested Service</u>	<u>Vested Interest</u>
Less than 2	0%
2, but less than 3	20%
3, but less than 4	40%
4, but less than 5	60%
5 or more	100%

A special provision applies to all participants who completed their first hour of service before December 31, 2015. These participants will be 0% vested before one year of service, 20% vested after two years of service, and 100% vested after three years of service. A participant becomes automatically 100% vested upon death or disability.

- H. **Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at one percentage point over the prime interest rate. At December 31, 2021, the interest rates range from 3.25% - 6.50% with maturities through 2034. Only two outstanding loans are permitted at any one time, per participant. All loans are considered a direct investment of the participant, and payments of principal and interest are credited to the participant's account. Principal and interest is paid ratably through bi-weekly payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant. Deemed distributions amounted to \$24,223 and \$8,816 for the years ended December 31, 2021 and 2020, respectively.
- I. **Payment of Benefits** – Except in the case of hardship, death, or disability, withdrawals are not permitted from a participant's account prior to either termination of employment or attainment of age 65. In-service distributions are allowed started at age 59½ and will be permitted if the participant is 100% vested in the source from which the withdrawal is taken.

At a participant's normal retirement date, disability date, or upon death or termination, the participant's account balance is available for distribution. If the benefit payable is \$5,000 or less, the benefit will be distributed in a lump sum. Benefits payable in excess of \$5,000 will be distributed in either a lump sum or annuity at the election of the participant.

- J. **Forfeiture Accounts** – Forfeited non-vested accounts may be used to either reduce the Company's contributions or administrative expenses. At December 31, 2021 and 2020, the Plan had a balance of \$242,030 and \$191,391, respectively, of forfeited non-vested accounts. During the years ended December 31, 2021 and 2020, \$263,502 and \$356,799, respectively, of non-vested forfeited amounts were used to reduce employer contributions paid. During the years ended December 31, 2021 and 2020, \$0 and \$1,916, respectively, of non-vested forfeited amounts were used to reduce administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. **Basis of Accounting** – The financial statements of the Plan are prepared on the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Use of Estimates** – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C. **Investment Valuation and Income Recognition** – The Plan's investments, except for fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of funds are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

SAMARITAN VILLAGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fully benefit-responsive investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

- D. **Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Sponsor deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.
- E. **Payment of Benefits** – Benefits are recorded when paid.
- F. **Expenses** – The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor, are paid by the Plan sponsor. Account maintenance fees, transaction fees, and investment fund management fees are paid by the Plan. In addition, certain investment-related fees have been offset with net investment income and are not readily determinable.

NOTE 3 – INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan Sponsor has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule of assets (held at end of year), were certified as complete and accurate by the Plan's trustee, and were not subjected to any auditing procedures performed by the independent auditors. The independent auditor's audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Reliance Trust Company has certified to the completeness and accuracy of the investments and notes receivable from participants included in the financial statements as of December 31, 2021 and 2020, and the investment activity included in the financial statements for the years then ended:

	<u>2021</u>	<u>2020</u>
Fair value:		
Mutual funds	<u>\$ 27,035,675</u>	<u>\$ 21,871,621</u>
Contract Value:		
Guaranteed interest contract	<u>\$ 7,996,492</u>	<u>\$ 7,090,333</u>

Investment activity consisted of the following for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net appreciation in fair value of investments	\$ 999,964	\$ 865,259
Interest and dividend income	<u>2,688,698</u>	<u>2,115,866</u>
	<u>\$ 3,688,662</u>	<u>\$ 2,981,125</u>
Interest income on notes receivable from participants	<u>\$ 44,886</u>	<u>\$ 49,324</u>

Notes receivable from participants amounted to \$1,143,991 and \$894,390 as of December 31, 2021 and 2020, respectively.

YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, “Fair Value Measurement,” provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 Input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds: Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	<u>Level 1</u>	<u>2021 Total</u>	<u>Level 1</u>	<u>2020 Total</u>
Mutual funds	\$ 27,035,675	\$ 27,035,675	\$ 21,871,621	\$ 21,871,621
Total Assets at Fair Value	\$ 27,035,675	\$ 27,035,675	\$ 21,871,621	\$ 21,871,621

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The contract value of the fully benefit-responsive investment contract is as follows:

	<u>2021</u>	<u>2020</u>
Fully benefit-responsive investment contract	\$ 7,996,492	\$ 7,090,333

The Plan has a fully benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company (“MassMutual”) through a Diversified Bond Separate Account Guaranteed Interest Contract (“SAGIC”). The SAGIC maintains the contributions in a general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2C, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. The guaranteed investment contract is included in the financial statements at contract value, as reported by MassMutual as of December 31, 2021 and 2020. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**SAMARITAN VILLAGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020**

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

The guaranteed investment contract is reported on Schedule H of the Form 5500 at fair value and as of December 31, 2021 and 2020. The following reconciliation includes the adjustment between contract value per the financial statements and fair value per the 5500 for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Guaranteed investment contract, contract value per financial statements	\$ 7,996,492	\$ 7,090,333
Adjustment to fair value	<u>336,380</u>	<u>475,026</u>
Guaranteed investment contract per Form 5500	<u>\$ 8,332,872</u>	<u>\$ 7,565,359</u>

Due to the 5500 being reported at fair value, for the years ended December 31, 2021 and 2020, the reconciliation of net income is as follows:

	<u>2021</u>	<u>2020</u>
Net income per 5500	\$ 6,146,409	\$ 3,359,755
Net increase per financial statements	<u>6,285,055</u>	<u>2,884,729</u>
2020 5500 fair value adjustment effect on net income/increase	<u>\$ (138,646)</u>	<u>\$ 475,026</u>

As of December 31, 2021, net assets available for benefits per the financial statements and the 5500 was \$38,453,933 and \$38,790,313, respectively.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but cannot be less than zero. The crediting rate was 2.51% and 3.12% for the years ended December 31, 2021 and 2020, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan), or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at the contract value with participants are probable of occurring. The guaranteed investment contract does not permit the insurance carrier to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and money market accounts managed by MassMutual. MassMutual acts as an agent for Reliance Trust Company, the trustee as defined in the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the trustee services provided to the Plan are reflected as administrative expenses in the accompanying financial statements and amounted to \$47,629 and \$31,436 for the years ended December 31, 2021 and 2020, respectively. Notes receivable from participants also qualify as exempt party-in-interest transactions.

NOTE 7 – TAX STATUS

On June 30, 2020, the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA adopted by the Plan, as then designed, is acceptable under IRC Section 401. The Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

SAMARITAN VILLAGE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – REFUND OF EXCESS CONTRIBUTIONS LIABILITY

The Plan failed the IRC 401(k) Actual Deferral Percentage ("ADP") and Actual Contribution Percentage ("ACP") compliance tests of participants and employer contributions for the years ended December 31, 2021 and 2020. The Plan sponsor erroneously deposited \$1,085 and \$12,618 of excess contributions into the Plan during the years ended December 31, 2021 and 2020, respectively. The Plan corrected the ADP and ACP test failure by returning excess contributions to the highly compensated employees in the following years before March 15, 2022 and 2021, respectively.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 11, 2022, the date the financial statements were available to be issued. The Plan Document was restated subsequent to year end, effective January 1, 2022.
