403(b) Thrift Plan for Employees of Achieva

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan for Employees of Achieva (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the

information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did

not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of Plan

The following brief description of the 403(b) Thrift Plan for Employees of Achieva (Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Achieva, or the Achieva Family of Organizations, is a group of non-profit corporations formed for the purpose of furthering individuals with intellectual and/or developmental disabilities in the western Pennsylvania region. The Plan was established for the purpose of providing retirement benefits to the employees of Achieva. The accompanying financial statements include only the activity and financial position of the Plan and are not intended to reflect Achieva as a whole.

General

The Plan is a defined-contribution, 403(b) plan covering all eligible employees of the Achieva Family of Organizations. The Plan was established July 1, 2006. A person becomes eligible to make salary reduction contributions to the Plan upon becoming employed by Achieva and to participate in the employer base contributions upon completing one year of service and having at least 975 hours of service in that year.

Contributions

Contributions to the Plan include employee salary reduction contributions and employer base contributions. Participants may contribute a pre-tax or after-tax, portion of their compensation up to a maximum allowable by the Plan document and in accordance with other limiting provisions of the Internal Revenue Code and other applicable legal limits. Employer base contributions range between 2% and 5% of each participant's compensation, based upon years of service. For participants who were in Achieva's prior 401(a) Plan, the employer base contributions range between 2% and 9% of each participant's compensation, based upon years of service. Rollover contributions are permitted by the Plan.

Investment Options

Mutual of America Life Insurance Company (Mutual) pension and retirement savings products allow for contributions to be allocated among the insurance company's general account and a wide array of separate account investments funds (pooled separate account).

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

The investment funds purchase shares of underlying mutual funds or portfolios. These underlying funds or portfolios sell their shares to separate accounts of insurance companies and are not publicly available.

Participant Accounts

Each participant's account is credited with their employee contribution, the employer's contribution, an allocation of Plan earnings, and an allocation of administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Each participant has the exclusive authority to direct the investment of contributions made to his or her account. Transfers between investment accounts are permitted on any normal business day of the custodian.

Vesting

Participants are vested immediately in their employee contributions plus actual earnings thereon. Participants who participated in Achieva's prior 401(a) Plan are 100% vested in their employer contribution accounts. Participants who entered the Plan on or after July 1, 2006 become fully vested in employer contributions according to the following vesting schedule:

<u>Year(s)</u>	<u>Percentage Vested</u>
Less Than 2 Years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years or more	100%

Benefits Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's account in either a lump sum amount or in annual installments over a fixed period. For termination of service due to

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants with accumulated balances of less than \$1,000 at their date of service termination shall receive a lump sum distribution of their vested balance.

Hardship withdrawals may be made to purchase or make certain repairs to a residence, assist in paying tuition, certain funeral expenses, to prevent eviction or foreclosure, and to assist in paying expenses for health care not covered by insurance.

Forfeitures

Forfeitures arising in accordance with the provisions of the Plan are used by Achieva to reduce future employer contributions or to pay Plan expenses. As of December 31, 2021 and 2020, there were no unallocated forfeited principal amounts. Forfeitures used to reduce employer contributions were approximately \$31,500 and \$26,500 for 2021 and 2020, respectively.

Plan Loans

Loans issued to participants of the Plan are collateralized loans. There are no withdrawals of loan amounts from a participant's account nor are principal and interest payments applied towards a participant's account. Rather, the participant is borrowing from Mutual and using their account balance as collateral. For a loan to be issued, the loan amount, plus a 20% reserve, must be placed into the general account. This amount is then considered to be "in reserve" and cannot be withdrawn or transferred. As loan payments are applied, the "reserved" amount is reduced by the amount of the loan payment and can be withdrawn and/or transferred. These loans are not considered to be assets of the Plan. Loans are to be repaid over a period not to exceed five years, unless used to acquire a principal residence, and bore a variable rate of interest of 4.00% and 4.25% as of December 31, 2021 and 2020, respectively. Additional conditions apply as specified in the Plan document. The amount of outstanding loans at December 31, 2021 and 2020 was \$459,518 and \$398,874, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For investments in pooled separate accounts, Mutual calculates a daily unit value, based on the underlying market value of investments. The value of a participant's fund balance is equal to the daily unit value multiplied by the number of units accumulated. Management determines the Plan's valuation policies utilizing information provided by Mutual. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Benefit Payments

Benefits are recorded when paid by the Plan. There were no benefits allocated to the accounts of persons who had withdrawn from the Plan but were not paid as of December 31, 2021 and 2020.

Effective March 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allowed the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Effective March 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allowed qualified Plan participants who had Plan loan repayments to defer such repayments until December 31, 2020. Effective March 2020, the Plan adopted the increase of participant loan limits provision of the CARES Act. The provision adopted by the Plan allowed qualified Plan participants to take out loans to the lesser of \$100,000 or 100% of the Participant's vested account balance for loans made on or after March 27, 2020 and on or before September 23, 2020. In addition, effective March 2020, the Plan adopted the Required Minimum Distribution (RMD) waiver provision of the CARES Act. The provision adopted by the Plan allowed Plan participants to waive their RMDs until January 1, 2021. Effective January 1, 2021, the above provisions were no longer permitted by the Plan.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by Achieva and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Prior to July 1, 2020, the Plan was eligible to waive a monthly participant administrative charge as the balance of the plan exceeded \$15 million. This waiver was eliminated July 1, 2020 and any participant who had not elected to receive online statements began to be charged a monthly administrative charge. These monthly charges are reported as administrative expenses for the years ended December 31, 2021 and 2020, respectively.

Subsequent Events

Subsequent events have been evaluated through the Independent Auditor's Report date, which is the date the financial statements were available to be issued.

3. Fair Value of Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Fair values for Level 1 investments are determined by reference to unadjusted quoted market prices for identical assets in active markets that the Plan has the ability to access. Fair values for Level 2 investments are determined by reference to quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 investments have significant unobservable inputs, as they trade infrequently or not at all.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The Plan held no assets measured under the fair value hierarchy for the years ended December 31, 2021 or 2020.

Investments Measured Using the Net Asset Value per Share Practical Expedient

Interest in pooled separate accounts is valued at the net asset value of shares held by the Plan at year-end. Separate account funds invest in mutual funds, including funds managed by Mutual of America Capital Management Corporation, a wholly owned subsidiary of Mutual, and other funds managed by outside investment advisors. Investments held in the separate accounts are stated at fair value and are not available to satisfy the liabilities of the general account. Pooled separate accounts are valued at net asset per share as determined

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

by investment managers under the so-called “practical expedient.” The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met. The pooled separate accounts consist of mutual funds actively traded that are easily redeemed at the request of participants. The investment strategies of the underlying investment funds of the separate account include seeking capital appreciation and current income.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments.

Description	12/31/2021	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 20,716,179	None	Daily	None

Description	12/31/2020	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 17,059,295	None	Daily	None

4. Interest in Investment Contract

The Plan has a deposit contract with Mutual. Under the terms of the contract, the majority of the Plan assets are held in Mutual's General Account, which is made up mainly of Fixed Maturity Securities. The General Account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

Mutual. Mutual is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contract, which is fully benefit responsive, is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus earnings, less withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$7,602,313 and \$7,900,568, respectively. The effective annual yield and the crediting interest rate for the years ended December 31, 2021 and 2020 was 3% for accounts activated before May 1, 2008. For contracts activated after May 1, 2008, the effective annual yield and the crediting interest rate was 1.00% for the years ended December 31, 2021 and 2020. Interest is compounded daily and is periodically adjusted by Mutual.

Mutual is responsible for maintaining the balances due to each of the eligible participants in the Plan. The net assets available for benefits include assets available to current eligible employees as well as terminated employees who have not yet been paid their benefit by the Plan. Mutual also is responsible for the proper payouts of benefits to eligible terminated employees per the terms of the Plan documents.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants is probable.

5. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Code. The plan administrator believes that the terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to

403(b) THRIFT PLAN FOR EMPLOYEES OF ACHIEVA

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

operate in conformity with the Code to maintain tax-exempt status for plan participants under Section 403(b).

6. Plan Termination

Although it has not expressed any intent to do so, Achieva has reserved the right to terminate the Plan or reduce or cease contributions at the discretion of the Board of Directors, or to amend the Plan at any time and in any respect, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balance.

7. Information Certified by the Plan's Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation (depreciation) of fair value of investments and dividends and interest for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual, the custodian of the Plan.

8. Related Party Transactions

Certain Plan investments in the pooled separate accounts and investments in the investment contract are managed by Mutual. Mutual is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. Administrative expenses paid by the Plan amounted to \$10,736 and \$5,509 for the years ended December 31, 2021 and 2020, respectively.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
