**To the Administrative Committee, Plan Administrator, Trustees,  
and Participants of Lawton Group 401(k) Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Lawton Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified information, as described in Note 6 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Lawton Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lawton Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lawton Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lawton Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Lawton Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**LAWTON GROUP 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2021 and 2020**

---

**1. DESCRIPTION OF THE PLAN**

The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General**

Lawton Group 401(k) Plan (the "Plan") is a defined contribution plan covering eligible employees of Saber Financial, L.P. (formerly Lawton Commercial Services, L.P.); Lawton Mechanical Contractors, L.P.; Powerhouse Plumbing LLC dba Benjamin Franklin Plumbing; Saber Plumbing LLC; Lawton Group LLC; Saber Financial LP; Saber Capital I LLC; Saber Leasing LP; and Buckaroo Pest Protection, collectively Lawton Group (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

**Plan Administration**

Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (together "Principal") is the custodian of the Plan's investment assets and executes investment transactions at the direction of Plan participants, receives contributions, interest and dividend income, pays administrative expenses, and makes distributions to participants. Principal Life Insurance Company Retirement Plan Services (the "Recordkeeper") maintains participant account information. The Plan also uses the services of Nova 401(k) Associates ("NOVA") to perform annual compliance testing, prepare the Plan's Form 5500, and assist the Plan administrator in day-to-day activities of the Plan. The rollover IRA custodian is Principal Bank. Genesis Financial Group provides investment advisory services to the Plan and participants.

Basic clerical and enrollment functions of the Plan are performed by employees who are appointed by the board of directors of the Company. The Plan is administered by an individual from Company management (the "Plan Administrator") and a committee of managers and owners (the "Administrative Committee") which are appointed by the board of directors of the Company. Certain owners of the Company serve as trustees (the "Trustees") of the Plan and are charged with oversight of the Trust fund. No owner or employee receives compensation for services.

**Eligibility**

Employees become eligible to participate in the Plan for salary deferrals after reaching eighteen years of age and completing 60 days of service. New participants may begin making salary deferral contributions on the first day of the month coinciding with or next following the date all eligibility requirements are met. Employees become eligible to participate for purposes of matching and profit sharing contributions after satisfying a one year of service requirement of at least 1,000 hours and reaching eighteen years of age. The Plan excludes collectively bargained employees and employees who are nonresident aliens who receive no compensation from the Company which constitutes U.S. source income.

---

**Contributions**

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, up to the \$19,500 maximum allowable under the Internal Revenue Code (the "Code"), for 2021 contributions. Compensation earned prior to satisfying all eligibility requirements is excluded. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, up to the \$6,500 maximum allowable under the Code for 2021. Participants may also contribute rollover amounts representing distributions from other qualified plans, as defined.

The Company may make annual discretionary matching contributions to the Plan based on deferrals and catch-up contributions. For the year ended December 31, 2021, the Company elected to match 100% of employee deferrals up to 3% of a participant's compensation. The Company elected not to make a discretionary profit sharing contribution in 2021.

Total contributions are subject to certain Code limitations.

**Investment Options**

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The investment options include mutual funds, common collective trust funds, pooled separate account funds and a guaranteed interest contract. If participants do not elect specific investments, their contributions are invested in the Plan's qualified default investment alternative Principal LifeTime Hybrid CIT target date series.

**Participant Accounts**

Each participant's account is credited with (a) the participant's deferral contributions and rollover contributions, if any, (b) the Company's matching contributions and profit sharing contributions, if any, and (c) Plan earnings (losses). Each account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Transaction fees, such as those related to distributions are paid from the account of the participant who made the transaction. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are vested immediately in their contributions and rollover contributions, if any, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants vest in Company contributions on a six-year schedule as follows:

| <b><u>Years of<br/>Vesting Service</u></b> | <b><u>Percentage<br/>Vested</u></b> |
|--------------------------------------------|-------------------------------------|
| Less than 2                                | 0%                                  |
| 2                                          | 20%                                 |
| 3                                          | 40%                                 |
| 4                                          | 60%                                 |
| 5                                          | 80%                                 |
| 6                                          | 100%                                |

A participant is fully vested upon death or total and permanent disability.

**Forfeited Accounts**

Participants, whose employment terminates prior to being fully vested, forfeit the non-vested portions of their accounts. Forfeitures can be used either to pay the administrative expenses of the Plan or to reduce future Company contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$32,001 and \$17,902, respectively. In 2021, \$11,492 and \$10,094 from forfeited non-vested accounts were used to reduce Company contributions and to pay certain expenses of the Plan, respectively.

**Recent Legislative Changes to Plan Provisions**

In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The Plan implemented distribution relief provisions of the CARES Act effective March 27, 2020 in accordance with various dates prescribed by the law. The CARES Act provisions allowed coronavirus-related distributions, repayment of coronavirus-related distributions, and waiver of required minimum distributions.

In July 2020, Nova 401(k) Associates (the provider of the volume submitter plan document adopted by the Plan) adopted on behalf of all adopting employers a good faith amendment to implement hardship distribution provisions of the Bipartisan Budget Act of 2018 and the Setting Every Community Up for Retirement Enhancement Act effective for plan years beginning after December 31, 2018. These changes relaxed some of the previous hardship distribution rules.

**Participant Loans**

The Plan does not provide for participant loans.

**Benefit Payments**

The normal retirement age is 65 or the fifth anniversary of the first Plan year in which participation in the Plan commenced. The normal retirement date is the first day of the month coinciding with or next following the normal retirement age, as defined. On termination of service, death, disability, or retirement, a participant (or participant's beneficiary in the event of death) receives a lump-sum distribution equal to the value of the participant's vested interest in his or her account. In the event of immediate and heavy financial need, as defined and as modified by recent legislation, participants may make hardship withdrawals from their fully vested account balances. Upon the attainment of the age of 59½, participants may receive a distribution of all or any portion of their vested account balance, subject to certain account restrictions. During 2021, distributions under the CARES Act provisions were made available through the Plan.

The Plan provides for involuntary cash-outs if a terminated participant makes no affirmative election to receive or roll over his or her account balance of \$5,000 or less.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies employed in the preparation of the accompanying financial statements are as follows:

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**LAWTON GROUP 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2021 and 2020**

---

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the custodians, investment advisers, and Trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in fair value of its investments, which consists of realized gains and losses on investments bought and sold during the year and unrealized appreciation (depreciation) on those investments held at year end.

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits and included in 2021 net appreciation in fair value of investments. Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

**Payment of Benefits**

Benefit payments to participants are recorded when paid. At December 31, 2021, there were no benefits approved for payment but not paid.

**Administrative Expenses of the Plan**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements and, if not paid by the Company, would be paid by the Plan. Asset-based administrative fees are allocated against participant accounts and are included in net appreciation (depreciation) of fair value of investments. Withdrawal fees are paid from the account of the withdrawing participant. See Note 7.

**Recently Issued Accounting Pronouncements**

***Adopted in 2020***

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2018-13, "Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement" ("ASU 2018-13"). ASU 2018-13 modifies the disclosure requirements on fair value measurements including the consideration of costs and benefits. The main provisions remove disclosure requirements including (1) The amount of and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, (2) The policy for timing of transfers between Levels, (3) The valuation process for Level 3 fair value measurements, and (4) For non-public entities, the changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements held at the end of the reporting period. Modifications

**LAWTON GROUP 401(k) PLAN**  
**Notes to the Financial Statements**  
**December 31, 2021 and 2020**

---

include (1) In lieu of a roll forward for Level 3 fair value measurements, a non-public entity is required to disclose the transfers into and out of Level 3 of the fair value hierarchy and purchases and issues of Level 3 assets and liabilities, (2) For investments in certain entities that calculate net asset value, an entity is required to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse *only* if the investee has communicated the timing to the entity or announced the timing publicly, and (3) The amendments clarify that the measurement uncertainty disclosure is to communicate information about the uncertainty in measurement as of the reporting date. No additional disclosures to Topic 820 are required for non-public entities. The amendments in this update were adopted by the Plan effective January 1, 2020 and had no effect on its financial statements.

***Not Yet Adopted***

Other recently issued accounting standards that have been issued or proposed by the FASB or other standards-setting bodies are not expected to have a material impact on the Plan's financial position or results of activity.

**3. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted, quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

- |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

---

Following is the description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020; however, consistent with relevant accounting standards, fair value hierarchy input level disclosures for Common Collective Trusts and Pooled Separate Accounts have been changed to Level 1 inputs rather than investments measured at net asset value as a practical expedient as previously reported.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trusts:* Valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the trustee, is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Pooled Separate Accounts:* Valued at the net asset value of units, as determined by the insurance company. The net asset value is a readily determinable fair value and is the basis for current transactions. The insurance company reserves the right to defer transfers or payments as described in the group annuity insurance contract.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

**4. GROUP ANNUITY CONTRACT WITH PRINCIPAL**

In 2017, the Plan entered into a traditional fully benefit-responsive group annuity contract with Principal Life Insurance Company, "Principal Fixed Income Guaranteed Option" (the "Fixed Option"), totaling \$14,896 for 2021 and \$26,404 for 2020. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract. The crediting rate is reviewed on a regular basis for resetting. The contract does not permit Principal to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and therefor is reported at contract value in the Plan's financial statement. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact a contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

**5. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

During 2020, the spread of the COVID-19 coronavirus became a global pandemic, creating disruptions to business operations and economic uncertainties in most industries. The financial impact of the pandemic on the Plan will be dependent on the duration of the disease, related operational restrictions on the Company, and the overall economy, which, in the opinion of management, cannot be reasonably estimated at this time.

**6. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S CUSTODIAN**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan Administrator and was certified as complete and accurate by Principal Life Insurance Company and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the custodians of the Plan:

**7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are units of pooled separate accounts, common collective trust funds, and a group annuity contract managed by Principal, the Plan's asset custodian. The Plan pays Principal contract administrator fees. These transactions are considered exempt under ERISA.

During 2021, the Plan made direct payments of \$16,210 to Principal in contract administration fees. From Plan earnings, Principal paid indirect fees of \$1,461 to Kestra Investment Services, LLC in commissions and \$182 to Nova 401(k) Associates in referral fees. From Plan earnings, Principal paid indirect fees of 1 basis point annually on eligible plan assets to Wilshire Associates Incorporated in investment advisory fees.

**8. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their discretionary employer contribution accounts.

**9. TAX STATUS**

Effective January 1, 2021, the Plan was amended and restated with the adoption of the Nova 401(k) Associates Defined Contribution Pre-Approved Plan. The "Cycle 3" restatement is an amendment and restatement to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the six-year pre-approved plan restatement cycle). Nova 401(k) Associates received a favorable opinion letter dated June 30, 2020 from the IRS stating that the form of the plan is acceptable under Internal Revenue Code Section 401. No Plan provisions were modified as a result of the Cycle 3 restatement. The Plan Administrator believes the Plan, as adopted and amended, is designed and is being operated in compliance with the applicable provisions of the Code, and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.
