SmartRent.com, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the SmartRent.com, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The 2021 supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS**

**Note 1
Description of the Plan**

The following description of the SmartRent.com, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit-sharing plan covering substantially all employees of SmartRent.com, Inc., and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). SmartRent.com, Inc. (the “Company”) is the Plan’s sponsor and serves as the plan administrator. The Company adopted the Plan effective January 1, 2019.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 21 and after completing 90 days of service. Once eligible, participants are allowed to enter the Plan on the first day of the month following the month the employee completes the required 90 days of service. Employees who do not meet these requirements but complete at least 1,000 hours of service in a 12-month period are also eligible to participate in the Plan.

Contributions

Participants are permitted to make voluntary deferral contributions to the Plan under the provisions of Internal Revenue Code Section 401(k). Participants shall be eligible to designate some or all of their elective deferrals as either pre-tax elective deferrals or Roth elective deferrals. All elections shall be subject to the same election procedures, limits on modifications and other terms and conditions on elections as specified in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company has elected Safe Harbor status and makes Safe Harbor matching contributions equal to 100% of the participant’s contributions up to 4% of the participant’s eligible compensation. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant’s earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SMARTRENT.COM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1
Description of the Plan (Continued)

Vesting

Participants are immediately vested in their contributions and employer matching contributions, plus actual earnings thereon.

Forfeitures

All contributions and earnings are immediately vested. Therefore, there are no forfeitures.

Loans and Hardship Withdrawals

Loans to participants are not allowed under the Plan but participants may request a distribution on account of hardship from their elective deferral account and rollover contribution account. A hardship distribution shall only be made upon the finding of the Plan Administrator of an immediate and heavy financial need. The amount of the distribution shall be the amount required to relieve the financial need or to the extent the need may be satisfied from other resources that are reasonably available to the participant.

Payment of Benefits

For termination of service for reasons other than death, a participant will receive the value of the vested interest in his or her account as a lump sum distribution. On termination of service due to death, distributions must be completed within five years, unless an election is made by the beneficiary to receive annuity payments over the life expectancy of the beneficiary.

Note 2
Summary of Significant Accounting Policies and Use of Estimates

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities, as applicable. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Note 2

Summary of Significant Accounting Policies and Use of Estimates (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Employer match contributions in excess of amounts allowed by the Plan provisions are recorded as a liability with a corresponding reduction to employer match contributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan, primarily legal, third-party administrator, and audit fees, are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Note 3

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**SMARTRENT.COM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS**

**Note 4
Tax Status**

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 5
Fair Value Measurements**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs include quoted prices for similar assets or liabilities in active or non-active markets. These inputs may also include insignificant adjustments to market observable inputs.
- Level 3 inputs are based on unobservable inputs used for valuing the asset or liability. Unobservable inputs are developed based on the best information available in the circumstances, which might include the Plan's own data. Level 3 inputs have the lowest priority.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies (Mutual Funds): Shares of registered investment company funds (or mutual funds) are valued at the net asset value (NAV) of shares held by the Plan and are valued at the closing price reported on the active market on which the individual securities are traded, which are estimated to be level 1 measurements.

Interest-Bearing Cash: These investments are money market deposit accounts at Charles Schwab Trust Bank and are valued at fair value based on quoted market prices, representing level 1 measurements.

Note 5
Fair Value Measurements (Continued)

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits as follows:

<u>December 31, 2021</u>	Fair Value	Fair Value Measurements Using:		
		(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 4,887,478	\$ 4,887,478	\$ -	\$ -
Interest-Bearing Cash	41,939	41,939	-	-
Total Investments at Fair Value	<u>\$ 4,929,417</u>	<u>\$ 4,929,417</u>	<u>\$ -</u>	<u>\$ -</u>

<u>December 31, 2020</u>	Fair Value	Fair Value Measurements Using:		
		(Level 1)	(Level 2)	(Level 3)
Mutual Funds	\$ 2,022,977	\$ 2,022,977	\$ -	\$ -
Interest-Bearing Cash	32,730	32,730	-	-
Total Investments at Fair Value	<u>\$ 2,055,707</u>	<u>\$ 2,055,707</u>	<u>\$ -</u>	<u>\$ -</u>

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 6
Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by AdvisorTrust, Inc. (the custodian of the Plan).

Note 7
Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

SMARTRENT.COM, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 8
Party-In-Interest Transactions

Certain Plan investments are managed by AdvisorTrust, Inc., the custodian, Charles Schwab Bank, the sub-custodian, Professional Capital Services, LLC, the recordkeeper, and other companies that provide investment management services to the Plan. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Administrative fees paid by the Plan or netted against investment returns in 2021 also qualify as party-in-interest transactions.

Note 9
Receivables

As of December 31, 2021, contributions receivable includes \$95,849 for payroll deductions withheld as of December 31, 2021, and \$64,433 of related employer matching contributions, that were not remitted to the Plan until early January 2022.

As of December 31, 2020, participant contributions receivable includes \$32,535 for payroll deductions withheld as of December 31, 2020, and \$24,049 of related employer matching contributions, that were not remitted to the Plan until early January 2021.

During the year ended December 31, 2020, the Plan had various missed deferral opportunities for its participants, resulting in missed participant and employer match contributions totaling \$28,977 and \$44,423, respectively. As a result of the missed deferral opportunities, the Plan is responsible for contributing all lost earnings to the participants. The Plan has calculated the amount of lost earnings and interest due to the respective participants, which was estimated to be \$1,050 and \$1,590 for the participant and employer match contributions, respectively. These amounts were remitted to the Plan during October 2021 as Qualified Non-Elective Contributions totaling \$30,027 and Qualified Matching Contributions totaling \$46,013.

Note 10
Untimely Contributions

During the year ended December 31, 2021, the Plan failed to remit certain participant contributions within the time period permitted by the Department of Labor. As a result of the untimely contributions, the Plan is responsible for contributing all lost earnings to the participants and filing Form 5330 with the Internal Revenue Service. As of the date of this report, the Plan has estimated the amount of lost earnings and interest due to the respective participants and is in the process of remitting the amounts to the Plan. Further, it is anticipated that the Plan will file the Form 5330. No accrual for lost earnings or penalties and interest was made at December 31, 2021 as the amounts were considered immaterial by Plan management.

Note 11
Recent Legislation

The Setting Every Community Up for Retirement Enhancement (“SECURE”) Act was enacted in December 2019, and became effective January 1, 2020. The SECURE Act was designed to encourage investing for retirement by increasing the required minimum distribution age and making certain other changes to certain tax-qualified retirement plans. The United States Congress passed the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act, on March 27, 2020. The CARES Act includes several employee benefit plan provisions that expanded the ability of participants to access their retirement savings through their employer’s tax-qualified retirement plans when they were personally impacted as a result of Coronavirus. Specifically, participants could opt to distribute funds from their retirement account or take a loan from the plan if the distribution or loan related to Coronavirus (as defined in the CARES Act), and receive relief for loan repayments. The Plan intends to incorporate the SECURE and CARES Act changes into its Plan document by the deadlines prescribed in the legislation, as necessary.
