INDEPENDENT AUDITOR'S REPORT

Board of Directors
Solid Ground Washington Profit Sharing Retirement Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Solid Ground Washington Profit Sharing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Solid Ground Washington Profit Sharing Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Solid Ground Washington Profit Sharing Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Solid Ground Washington Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Solid Ground Washington Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Part IV (i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Solid Ground Washington Profit Sharing Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SOLID GROUND WASHINGTON PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE A – PLAN DESCRIPTION

The following description of the Solid Ground Washington Profit Sharing Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering all eligible employees of Solid Ground. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility and Participation

Any full-time employee of Solid Ground, except those participating in a plan sponsored by a collective bargaining agreement, who has attained the age of 18 is eligible to participate. Participants must generally complete six months of service to be eligible for the discretionary employer contribution.

Contributions

Participants may elect to contribute between 1% and 100% of eligible compensation to the Plan annually. During 2021, Solid Ground made a discretionary contribution equal to 3% of each participant's eligible compensation. Effective March 1, 2014, the plan was amended to include an employer match and was amended again effective January 1, 2015 to raise the employer match to one-third of the first 3% deferred, up to 1% of eligible wages. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to regulatory limitations.

Participant Accounts

Participants direct the investment of their contributions and Solid Ground's contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution and allocations of (a) Solid Ground's contribution, (b) Plan earnings or losses, and (c) charged with an allocation of administrative expenses. Contributions are allocated based on eligible compensation. Plan earnings or losses and administrative expenses are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in all participant and employer contributions upon entrance into the Plan.

Administrative Expenses

The Plan pays recordkeeping, custodian and investment management fees.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE A – PLAN DESCRIPTION (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant, or beneficiary thereof, will receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum amount, subject to certain restrictions. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, subject to certain restrictions.

NOTE B - SIGNIFICANT ACCOUNTING POLICES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America as applied to defined contribution plans, and in accordance with the Plan agreement.

Fair Value Measurements

In accordance with financial accounting standards, a three-tiered hierarchy of input levels is used for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. Valuation techniques utilized to determine fair value are consistently applied. The three tiers of inputs used for fair value measurements are as follows:

Level 1: Fair values are based on quoted prices in active markets for identical assets.

Level 2: Fair values are based on observable inputs that include: quoted market prices for similar assets; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets.

Level 3: Fair values are calculated by the use of pricing models and/or discounted cash flow methodologies, and may require significant management judgment or estimation. These methodologies may result in a significant portion of the fair value being derived from unobservable data.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investment Valuation

Investments are stated at fair value (except for the collective trust, which is reported at net asset value) as certified by the Plan's custodian, Matrix Trust Company.

SOLID GROUND WASHINGTON PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE B – SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Morley Stable Value Fund (the Fund) is a collective trust that invests mainly in investment contracts and synthetic investment contracts. The objective of the Fund is to provide investments offering yields consistent with a stable fixed-income methodology and the assumption of investment risk, providing for preservation of capital; stability and predictability of returns; liquidity to pay plan benefits; and high credit quality. Plan participants may redeem their investment for permitted transactions at net asset value (NAV).

Units held in the Fund are valued using the NAV of the fund. The NAV is based on the contract value of the underlying investment contracts held by the fund, minus its liabilities, and then divided by the number of units outstanding. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount to be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made to the Fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Fund at NAV. The net crediting rate of the Fund was 1.66% and 1.82%, respectively, for the years ending December 31, 2021 and 2020.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires that the plan administrator make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE C - INCOME TAX STATUS

The Internal Revenue Service has determined and informed Solid Ground, by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

SOLID GROUND WASHINGTON PROFIT SHARING RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE C - INCOME TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE D - TERMINATION OF THE PLAN

Although Solid Ground has not expressed any intent to do so, it has the right to terminate the Plan subject to the provisions of ERISA.

NOTE E - FAIR VALUE MEASUREMENTS

The following table discloses, by level, the fair value hierarchy:

Investment Assets at Fair Value as of December 31, 2021:

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE F - INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of:

- The fair value of mutual funds of \$11,564,819 and \$9,919,620 included in the statements of net assets available for benefits as of December 31, 2021 and 2020, respectively.
- The contract value of \$1,121,551 and \$1,093,408 of the collective trust at December 31, 2021 and 2020, respectively.
- Investment returns totaling \$1,584,657 included on the statement of net assets available for benefits for the year ended December 31, 2021.
- Investment information contained in the supplemental information.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

Matrix Trust Company acts as the custodian of the Plan investments and, therefore, transactions with Matrix Trust Company qualify as exempt party-in-interest transactions. Fees paid to the custodian by the Plan for account services totaled \$40,651 for the year ending December 31, 2021.

NOTE I - SUBSEQUENT EVENTS

Management has evaluated events occurring subsequent to December 31, 2021 through October 6, 2022, which is the date the financial statements were available to be issued and has recognized in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at December 31, 2021 including the estimates inherent in the processing of financial statements.
