INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Investment Committee of
Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan
Lincoln, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following brief description of Advanced Medical Imaging, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan, which became effective January 1, 2002 and was most recently amended June 30, 2020 is a defined contribution plan covering certain groups of employees of Advanced Medical Imaging, LLC (the Company/Plan Sponsor), effective September 1, 2019, Advance Medical Imaging Surgery Center, LLC, and effective March 1, 2020, Advanced Medical Management, LLC. Participants who have attained the age of 21 are immediately eligible to participate. Entry is available on the first day of each Plan Year quarter. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Investment Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Elective Contributions. Each year eligible employees may make pre-tax salary and Roth reduction contributions to the Plan not to exceed Internal Revenue Code limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 30 mutual funds and one money market fund as investment options for participants.

Employer Contributions. The Company contributes a safe harbor match equal to 100% of each participant's elective deferral up to 3% of compensation, along with an additional 50% of each participant's elective deferral up to 5% for a maximum safe harbor match of 4% per participant. The Company may also make a nonelective discretionary contributions. For the year ended December 31, 2021 the nonelective contribution was 5% of eligible compensation. Any safe harbor and nonelective contributions made are on behalf of all participants who have attained age 21 and have at least one year of eligible service. To receive the nonelective contribution, participants must also be employed on the last day of the Plan year. During the year ended December 31, 2021 the total safe harbor match was \$192,325. The nonelective contribution was \$326,100 for the year ended December 31, 2021.

Participant Accounts. Each participant's account is credited with the participant's contributions, and allocations of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are vested immediately in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's nonelective contribution portion of their accounts is based on years of continuous service. A participant is 20% after two years of service, 40% after three years of service, 60% after four years of service, 80% after five years of service, and 100% after six years of service. Participants are also 100% vested if they are an employee and reach normal or early retirement age, upon death, or total permanent disability.

Payment of Benefits. On separation of service due to death, disability, retirement, or termination, a participant may elect to receive a cash distribution in the form of: (a) a lump sum or (b) substantially equal installments or (c) partial withdrawals with no minimum required. Distributions may be made to a participant who has not separated from service upon attaining age 59½. Distributions may be made as soon as administratively feasible at the participant's election. Termination of employment prior to normal retirement requires distribution if the account balance does not exceed \$5,000. The participant can elect to receive: (a) a direct rollover to an IRA or another qualified retirement plan or (b) a payment in cash, subject to federal tax withholding and generally a penalty tax if under age 59½. If no election is made, the benefit will be rolled over to an IRA. If the account balance is less than \$1,000, the distribution will be paid in cash. If the vested account balance is greater than \$5,000, the participant may defer distribution until normal retirement age or further defer to age 72.

Hardship withdrawals are permitted for purposes specified by the Internal Revenue Code. Withdrawals cannot exceed the amount of financial need plus any amount necessary to pay taxes or penalties as a result of the withdrawal from accounts that are fully vested.

Forfeited Accounts. Forfeiture accounts are used to reduce the Company's discretionary contributions and pay administrative expenses. At December 31, 2021 and 2020, these accounts totaled \$15,177 and \$16,054, respectively. During the year ended December 31, 2021, \$21,076 of forfeitures were used to pay administrative expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan utilizes a framework to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in net assets includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contribution Receivable. Employer contribution receivable is measured at the amount owed to participants by the Company at December 31, 2021 and 2020.

Payment of Benefits. Benefits are recorded when paid.

Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses incurred for the administration of the Plan are the responsibility of the Plan. If incurred directly by the Plan, these expenses are included in administrative expenses on the statement of changes in net assets available for benefits. Other investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - FAIR VALUE

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used during the years ended December 31, 2021 and 2020.

Money market funds: Money market funds are valued using the observable net asset value of identical securities.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE - CONTINUED

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2021</u>				
Money market	\$ 961,027	\$ 961,027	\$ -	\$ -

Total	<u>\$ 10,500,481</u>	<u>\$ 10,500,481</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE E - TAX STATUS

The Plan is based on the Non-Standardized Profit-Sharing Plan of Union Bank and Trust Company, which received a determination letter from the IRS dated June 30, 2020, stating that the Plan was designed in accordance with provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS

NOTE E - TAX STATUS - CONTINUED

For the years ended December 31, 2021 and 2020, the Plan had no tax liability on unrelated business activity. The Plan believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's federal returns for December 31, 2021, 2020, and 2019 are subject to examination by the IRS, generally for three years after they were filed.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Union Bank and Trust Company (the trustee of the Plan). Accordingly, Union Bank and Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	December 31,	
	2021	2020
Investments, at fair value	\$ 12,423,503	\$ 10,500,481
	Year Ended December 31, 2021	
Investment income		
Net appreciation in fair value of investments	\$ 1,198,211	
Dividends	418,156	
Total investment income	\$ 1,616,367	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

NOTE H - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan receives custodial services from Union Bank and Trust Company and its affiliates, the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. The Plan also pays for recordkeeping services. Fees paid by the Plan to Union Bank and Trust Company for recordkeeping and investment advisor services were \$21,518 for the year ended December 31, 2021. As described in Note B, the Plan Sponsor pays directly any other fees related to the Plan's operations.
