## Independent Auditor's Report

September 30, 2022

Administrative Committee  
Bradford Company  
Holland, Michigan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Bradford Company Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Bradford Company Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bradford Company Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bradford Company Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bradford Company Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects,

in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

The 2020 financial statements of Bradford Company Retirement Savings Plan were audited by Ferris, Busscher & Zwiers P.C., who merged with Hungerford Nichols CPAs + Advisors as of May 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed them not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021 indicated that a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**BRADFORD COMPANY RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**1. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements of the Bradford Company Retirement Savings Plan have been prepared on the accrual basis of accounting.

***Investment Valuation and Income Recognition***

Investments are stated at fair market value based on closing sales prices as reported on national securities exchanges or closing bid prices as reported by investment brokers. See Note 3 for discussion of fair value measurements.

The net appreciation or depreciation in the fair value of investments represents the change during the year in the difference between the fair value at year-end and the original cost of the investments or the fair value at the beginning of the year. The net appreciation or depreciation is reflected in the statements of changes in assets available for benefits under net appreciation in market value of investments. Purchases and sales of securities are recorded on a trade date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

***Benefit Payments***

Benefits are recorded when paid.

***Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**2. Description of Plan**

The following description of the Bradford Company Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General***

Bradford Company, Inc. ("Company") is the plan sponsor. The Plan is a defined contribution plan covering all employees of the Company who have six months of service prior to year-end. The Plan became effective January 1, 1987 and since this time has been qualified under Section 401(a) and the trust has been exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986, as amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Plan Operations***

Principal Life Insurance Company ("Custodian") is the custodian of the Plan and manages the trust assets on behalf of the Plan. The Custodian, subject to the provisions outlined in the Trust Agreement, has the full power and authority to invest and reinvest any funds in its hands under the Trust Agreement, in accordance with the Trust Agreement. All funds held by the Plan are participant directed.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**2. Description of Plan (Continued)**

***Contributions***

Participants may make elective deferral contributions to the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they specifically elect not to participate. The initial deferral rate of automatically enrolled participants is five percent with an automatic increase annually of one percent for each of the next four years.

The Company matches a portion of the employee contributions. For each dollar that is elected to be deferred as an employee contribution, up to fifteen percent of the participant's compensation, the Company will contribute twenty-five percent to the participant's account. The Company can, at its discretion, contribute additional amounts to eligible participants. At December 31, 2021 and 2020 the Company elected to contribute an additional three (3) percent of gross wages to each eligible employee. Forfeited balances of terminated participant's nonvested accounts are used to reduce future Company contributions.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, the participant's share of the company matching contributions and an allocation of Plan net earnings. Allocations are based on account balances as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

***Vesting***

Employees shall receive one year of service for each year of employment during which an employee has at least 1,000 hours of service. Employees are vested twenty percent after two years of service, with an additional twenty percent for each additional year of service. Full vesting occurs with six or more years of service or upon reaching age sixty-five, if earlier. Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

***Payment of Benefits***

Each participant's benefits are payable as of the earlier of the participant's termination of employment, normal retirement age (65), or the participant reaching age 70½. In addition, participants may retire before age sixty-five if they have reached their fifty-fifth birthday and have completed six years of continuous service with the Company. Participants with balances of \$5,000 or less will receive a lump-sum distribution in an amount equal to her or her vested balance when employment ceases. Participants with balances in excess of \$5,000 may elect to receive a lump-sum amount equal to the value of his or her account or installments over a period of years.

***Forfeitures***

Forfeitures of non-vested company contributions are used to reduce employer contributions and pay administrative expenses. During 2021 and 2020, respectively, \$53,606 and \$25,303 of forfeited participant accounts were used to reduce employer contributions and \$14,576 and \$10,403 were used to pay administrative expenses. At December 31, 2021 and 2020, respectively, there were \$150,945 and \$129,908 forfeitures that have not been applied.

***Administrative Expenses***

Administrative expenses may be paid either by the Plan or the Company.

**2. Description of Plan (Continued)**

***Plan Termination***

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts.

**3. Fair Value Measurements**

FASB ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices for identical assets in an active market and they have the highest priority; Level 2 inputs consist of quoted prices for similar assets in an active markets or inputs other than quoted prices that are observable in active markets for identical assets or inputs that are derived principally from or corroborated by observable market data by correlation or other means; Level 3 are significant unobservable inputs and they have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments.

*Common collective trust funds:* Valued based on the fair value of the underlying assets comprising the collective trust. The fair market value ("FMV"), as provided by the trustee, is used as a practical expedient to estimating fair value.

*Mutual funds:* Shares held in mutual funds traded on national securities exchanges are valued at the FMV of shares held by the Plan at year end. The FMV is based on the quoted market price of the underlying assets owned by the fund.

**BRADFORD COMPANY RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**3. Fair Value Measurements (Continued)**

*Pooled separate accounts:* Valued at FMV based on the closing price for underlying securities, reported on the active market on which underlying securities are traded or based on quoted prices of similar assets. The FMV of each of the separate accounts is reported by the fund managers as of the financial statement date based on recent transaction prices, and represents the price at which the Plan would be able to initiate a transaction. The pooled separate accounts held by the Plan provide for daily redemptions by the Plan at reported FMV with no advance notice requirement, and have no unfunded commitments.

*Level 1 Fair Value Measurements*

The fair value of common collective trusts, mutual funds, pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year-end.

**4. Income Tax Status**

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the letter, the Plan administrator and the Plan's tax counsel believe that the plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**5. Party-In-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Principal Life Insurance Company. Principal Financial Group is the custodian as defined by the plan, and therefore, these transactions qualify as party-in-interest transactions.

**6. Information Certified by Custodian**

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021, and net appreciation in fair value of investments and dividends for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Custodian.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

**8. Subsequent Events**

Management of the Plan has evaluated subsequent events through September 30, 2022, the date on which the financial statements were available to be issued.
