INDEPENDENT AUDITORS' REPORT

Plan Trustees and Plan Administrator
Sundowner Trailers, Inc.
401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Sundowner Trailers, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from John Hancock Life Insurance Company USA, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITORS' REPORT, CONTINUED

Auditors' Responsibilities for the Audit of the 2021 Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2021, and Schedule H, Line 4a—Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) DESCRIPTION OF THE PLAN

The following description of the Sundowner Trailers, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. John Hancock Life Insurance Company USA (“John Hancock”) is the custodian of the Plan.

General

The Plan is a defined contribution plan covering substantially all employees of Sundowner Trailers, Inc. (the “Company”), including Hourglass Transport, LLC, an affiliate of the Company. Effective January 1, 2021, the Plan was restated to incorporate legislative, regulatory, and administrative updates. Employees are eligible to become a participant in the Plan when they have reached the age of 21 and have completed 6 months of credited service. The Plan is administered by a committee of individuals appointed by the Company. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may make salary deferral contributions from 1% to 90% of their pretax annual compensation, as defined by the Plan, not to exceed the maximum amounts established by the Internal Revenue Code of 1986 (the “Code”). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the plan year are also eligible to make catch-up contributions. These contributions are subject to certain limitations established by the Code. The Company may make a discretionary matching contribution to the Plan. In 2021, the Company contributed 50% of up to 6% of participant contributions. Participants may roll over amounts representing distributions from other qualified benefit plans.

The Company may make, at its discretion, additional profit sharing contributions each year. In order to qualify for the additional profit sharing contribution, an employee must be actively employed on the last day of the plan year and have completed 6 months of credited service, as defined, during the plan year. No such contribution was made in 2021.

Participant Accounts

Each participant’s account is credited with the participant’s 401(k) contributions, the Company’s contributions, and the allocation of (1) plan earnings, (2) plan expenses, and (3) forfeitures of terminated participants’ nonvested accounts. Allocations are based on participants’ account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

See Independent Auditors’ Report.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

(1) DESCRIPTION OF THE PLAN, CONTINUED

Investment Options

Participants are allowed to direct their salary deferral contributions to selected investments as made available and determined by the plan sponsor. Participants may change their investment options any time throughout the year. The Plan currently offers a stable value fund and various registered investment company investment options for participants.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. The portions of the participants' accounts attributable to the Company's discretionary matching contributions and discretionary profit-sharing contributions become 20% vested after 1 year of service, as defined, and continue to vest at the rate of 20% for each successive year of service until 100% vested after 5 years of service.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates comparable to rates offered by commercial lending institutions (ranging from 5.25% to 7.50% at both December 31, 2021 and 2020). Loan terms range over a period not exceeding 5 years, except for loans to purchase a principal residence, which can exceed 5 years. Principal and interest are paid ratably through biweekly payroll deductions. Upon termination, retirement, or death, the participant or beneficiary has the option to pay off the outstanding loan balance. If the participant or beneficiary elects to not pay off the loan, the outstanding loan balance is converted to a distribution. A participant may have only one loan outstanding at a time.

Payment of Benefits

Upon termination of service, participants are entitled to receive the full value of their account representing participant contributions and the vested portion of their account representing Company contributions. For participants with vested balances greater than \$1 but less than \$5,000, the balance will be rolled over into a qualified Individual Retirement Account (IRA), unless the participant elects direct distribution or other eligible direct rollover. Beginning in March 2021, the IRA program is offered through Qualified Trust Company, serving as custodian of the program's assets. Participants with vested balances exceeding \$5,000 can elect to keep their balance in the Plan until a distribution or rollover is elected. At December 31, 2021 and 2020, the Plan held \$720,310 and \$1,191,430, respectively, of balances for vested participants who were no longer employed by the Company.

The repayments will be treated as tax-free rollovers into the participant's account.

Forfeitures

Company contributions and earnings thereon which become forfeited as a result of any benefit payment or withdrawal provisions of the Plan may be used to reduce future Company contributions or pay plan expenses. In 2021, no forfeitures were used to reduce Company contributions or plan expenses. Forfeited nonvested amounts totaled \$14,493 and \$13,709 at December 31, 2021 and 2020, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Administration of Plan Assets

The Plan's custodian invests the contributions received, as well as interest and dividend income, and makes distributions to participants.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. However, such officers and employees receive no compensation from the Plan. The Company pays for all of the Plan's administrative expenses other than loan distributions and investment fees. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan agreement.

Investments

Investments in registered investment companies are carried at fair value determined using quoted market prices for identical assets in active markets. Investments in the common/collective trust are recorded at fair value using net asset value (NAV) as a practical expedient.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the dividend declaration date. Net appreciation (depreciation) in investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability and are included in corrective distributions. Total excess contributions payable were \$23,628 and \$24,303, as of December 31, 2021 and 2020, respectively. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

See Independent Auditors' Report.

Distributions to Participants

Distributions are recorded when paid.

Risks and Uncertainties

Plan participants may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through October 10, 2022, the date which the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

(3) COMMON/COLLECTIVE TRUST

The common/collective trust represents investments in the John Hancock Stable Value Fund. The John Hancock Stable Value Fund is invested in fully benefit-responsive group annuity and insurance contracts. At December 31, 2021 and 2020, the underlying investments of the contracts consisted of asset-backed securities, commercial paper, corporate debt, mortgage-backed securities, sovereign debt obligations, U.S. government and agency obligations, mutual funds, and other various investments. The John Hancock Stable Value Fund is not considered to be fully benefit-responsive; therefore, fair value is used rather than contract value for the fund. The fair value of the common/collective trust is based on the NAV per unit, as a practical expedient. The NAV is based upon the value of the underlying assets owned by the account, minus its liabilities, and then divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

See Independent Auditors' Report.

(4) FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. In estimating fair value, the Plan utilizes valuation techniques that are consistent with the market approach, the income approach, and/or the cost approach. Such valuation techniques are consistently applied. Inputs to valuation techniques include the assumptions that market participants would use in pricing an asset or liability. Fair values may not represent actual values of assets and liabilities that could have been realized on the measurement date or that will be realized in the future. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Accounting Standards Codification Topic 820, "Fair Value Measurement" (ASC 820) establishes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

Level 1 inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset and liability, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 inputs consist of unobservable inputs which are used when observable inputs are unavailable and reflect an entity's own assumptions about the assumptions that market participants would use in pricing the assets or liabilities.

The Plan uses appropriate valuation methods based on the available inputs to measure the fair value of its assets and liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for plan benefits, as well as the general classification of such assets pursuant to the valuation hierarchy.

Registered Investment Companies

The fair values of registered investment companies are based on quoted prices for identical assets in active markets.

Common/Collective Trust

The fair value of the common/collective trust is based on the NAV per unit, as a practical expedient. The NAV is based upon the value of the underlying assets owned by the account, minus its liabilities, and then divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

(5) TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are managed by the Plan's custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments.

(6) INFORMATION CERTIFIED BY PLAN CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as certified by the custodian.

- Investments as shown in the statements of net assets available for plan benefits as of December 31, 2021 and 2020.
- Investment activity (net appreciation (depreciation) in fair value of investments) as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.
- Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on supplemental Schedule I.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental Schedule I.

(7) TAX STATUS

The Plan is a pre-approved plan offered through the Plan's third-party administrator. The IRS has determined and informed the Plan's third-party administrator by a letter dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan and related trust are designed and are currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

(8) PROHIBITED TRANSACTIONS

During the year ended December 31, 2021, the plan sponsor did not timely remit participant contributions, including loan repayments, totaling \$21,600 to the custodian of the Plan. These untimely submissions constituted prohibited transactions as defined by ERISA. The plan sponsor remitted the late contributions to the custodian during 2021 and 2022.
